San Diego Police Department Officer R. Bainbridge; Case No. 16-046725; DA  
Special Operations Case No. 16-248PS; Deputy District Attorney assigned:  
Paul Reizen**

Dear Chief Zimmerman:

We have reviewed the reports and other materials compiled by the San Diego Police Department's Homicide Unit concerning the circumstances leading to the fatal shooting of Mr. Juan Carlos Fernandez by San Diego Police Department Officer R. Bainbridge on November 13, 2016. This case was presented to the District Attorney's Office for review on December 1, 2016.

***Summary***

Mr. Juan Carlos Fernandez had been issued a court-ordered restraining order forbidding him from contacting his former wife. Fernandez continued to harass and stalk her. On November 13, 2016, Fernandez went to his former wife's family residence. His ex-wife's father went outside to talk to Fernandez. The boyfriend of his ex-wife arrived, confronted Fernandez, and the two began to fight. Fernandez walked back to his car and retrieved a handgun. Fernandez chased the boyfriend and threatened to shoot him. The boyfriend ran from the scene and Fernandez grabbed his ex-wife by the hair. Her father attempted to pull Fernandez off of her. Fernandez shot the father in the head. Fernandez then shot his ex-wife's grandfather and mother, injuring her grandfather and killing her mother. The bullet, which killed her mother, also struck his ex-wife in the chest. Fernandez grabbed his ex-wife by the hair again and dragged her to his vehicle attempting to shove her into his vehicle. Fernandez placed his ex-wife in a headlock, put the gun to her head, and pulled the trigger. The ex-wife heard the gun click, but it did not fire. Officer R. Bainbridge arrived on scene and saw Fernandez standing in the street, holding his ex-wife by the head with Fernandez's handgun pressed up against her temple. Bainbridge ordered Fernandez to drop his weapon and get on the ground multiple times. Fernandez responded by threatening to shoot Bainbridge and Fernandez's ex-wife. Fearing Fernandez was going to shoot the ex-wife, or Bainbridge and his partner, Bainbridge fired one shotgun round to Fernandez's head, killing him instantly.

### ***Legal Analysis***

Under California law, peace officers may use deadly force to protect themselves from the threat of death or great bodily harm and to use reasonable force in making an arrest. California Penal Code section 835a allows an officer to use reasonable force to make an arrest and to overcome resistance by a person for whom he has reasonable cause to believe has committed a public offense. That section states the officer need not retreat or end his effort to make an arrest because of that person's resistance. Penal Code section 196 declares that homicide is justifiable when committed by public officers when necessarily committed in overcoming actual resistance in the discharge of any legal duty.

In accordance with Penal Code section 196, peace officers may use deadly force in the course of their duties under circumstances not available to members of the general public. We are mindful, however, that certain limits on the use of deadly force apply to peace officers. The U.S. Ninth Circuit Court of Appeals, in the case of *Scott v. Henrich* (9th Cir. 1994) 39 F.3d 912, delineated those circumstances under which deadly force may be used:

[P]olice may use only such force as is objectively reasonable under the circumstances. An officer's use of deadly force is reasonable only if 'the officer has probable cause to believe that the suspect poses a significant threat of death or serious physical injury to the officer or others.' All determinations of unreasonable force 'must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation.' [Citations omitted.]

Irrespective of any laws applicable to situations where peace officers use deadly force in accomplishing their duties, the law of self-defense is available to any person. Homicide is justifiable in accordance with Penal Code section 197 when resisting any attempt by a person to commit great bodily injury on or kill any person.

### ***Persons Involved***

Mr. Fernandez was 22-years old at the time of this incident and lived in San Diego. Officer Bainbridge had been with the San Diego Police Department for 12 years and was assigned to the Mid-City Patrol Division.

### ***Background***

Mr. Fernandez and his ex-wife, Victim One (V1), dated throughout high school and married in 2014. In 2015, V1 told Fernandez she wanted a divorce and the couple separated in July, 2015. Fernandez began stalking V1. In February 2016, V1 obtained a temporary restraining order against Fernandez. Fernandez often violated the order and attempted to visit V1 at her parents' (Victims Three and Five) home. V1 would tell Fernandez to leave and V1's father (V3) would intervene. Fernandez previously told V1, "This is not going to end good for you."

In February 2016, the couple officially divorced. In March 2016, the day before Victim One was to attend court to obtain a permanent restraining order, Fernandez showed up at the apartment of V1's new boyfriend, Victim Two (V2), and knocked on the door. Fernandez told V2 he wanted to save his marriage with V1 and knew V1 had been coming to V2's apartment. V2 was perplexed as to how Fernandez knew where he lived and believed Fernandez must have previously followed V1 to V2's apartment.

Mr. Fernandez had told friends in the past he wanted to move to Texas with Victim One. When asked why, Fernandez responded that if your wife cheats on you in Texas, you can kill her and not be prosecuted. Fernandez periodically made statements that he wanted to purchase a firearm so if V1 ever cheated on him, he could kill her.

***Victim One (Ex-Wife)***

On the night of the incident, Victim One was waiting for her boyfriend, Victim Two (V2), outside the apartment complex where her parents lived. She saw Mr. Fernandez drive by and then come back and park across from the apartment complex. V1's father, Victim Three (V3), went across the street to talk to Fernandez. V1 started yelling at Fernandez telling him she was going to call the police as Fernandez was violating the restraining order. Around that same time, V2 arrived. Fernandez and V2 began to fight across the street. V1's parents attempted to break up the fight. Fernandez got into his car and started to drive away, but then parked right next to V2's vehicle. Fernandez pulled a gun out from his car and started chasing V2 while aiming the gun at V2. V1's family members yelled for Fernandez not to shoot V2. V2 ran off.

Mr. Fernandez then grabbed Victim One by the hair. V1's family members pulled Fernandez off of her. V1 heard a gunshot and saw her father (V3) on the ground. V1 heard a second gunshot and then saw her grandfather, Victim Four (V4), bleeding. By this time, V1's mother, Victim Five (V5) had grabbed V1 and was protecting V1 on the ground with her body. Fernandez then shot V5 and the bullet went through V5 into V1. Fernandez grabbed V1 by the hair again and dragged V1 out of V5's arms towards his car. V1's grandmother unsuccessfully tried to free V1 from Fernandez. V1 yelled at Fernandez, "You shot me." Fernandez, responded, "No, baby, I love you," and tried to hug V1.

Victim One heard sirens as Mr. Fernandez continued to pull her by the hair in an attempt to put her in his vehicle. The police arrived and Fernandez now had V1 in a headlock with his gun in his right hand pointed at V1's head. Fernandez pulled the trigger of the gun and V1 heard the gun click, but it did not fire. V1 then heard a shot and Fernandez was on the ground.

***Victim Two (Boyfriend of Victim One)***

On the night of the incident, Victim One called Victim Two and stated V2 needed to pick up V1 at V1's parents' home. V2 drove over. When V2 arrived, V1 told V2, "Juan's here. You better beat his ass because he's been harassing me—he's been stalking me." V2 saw Mr. Fernandez standing next to his car arguing with V1's father (V3). V2 went up to Fernandez and the two

began to fight. At some point, Fernandez walked away from the fight and stood next to his car. V2 picked up a beer bottle and threw it at Fernandez's car. The bottle broke Fernandez's windshield. V2 went to his vehicle to leave with V1. Fernandez drove his vehicle out of the parking lot and stopped in the middle of the street in front of V1 and V2. Fernandez exited his vehicle with a gun, pointed it at V2, and started chasing V2. V2 ran down the street and darted between some apartments across the street. V2 looked back and saw Fernandez wasn't chasing him anymore. V2 heard two gunshots and then one loud gunshot. V2 walked back to V1 and realized V1, her parents (V3 and V5), and Fernandez had been shot.

***Victim Four (Grandfather of Victim One)***

On the night of the incident, Victim Four (V4) heard screaming and went outside. He saw his daughter yelling, "Let her go," and saw Mr. Fernandez across the street trying to grab Victim One. Fernandez pulled a gun out of his car and chased V1 at gunpoint into the apartment complex. V4's son (V3) attempted to tackle Fernandez and Fernandez shot him. V4 tried to help V3 after Fernandez shot him and Fernandez pointed the gun at V4 from two feet away. V4 moved his head to the side and Fernandez shot V4. The bullet grazed V4's head and V4 began bleeding profusely.

Victim Four saw his daughter-in-law (V5) hugging Victim One outside the apartment gate. Mr. Fernandez went over to V1 and V5. V4 did not see Fernandez shoot V5, but heard a shot and walked to the gate and saw V5 on the ground. Fernandez then grabbed V1 by the hair and dragged her into the street in an attempt to get her in his car. V4 saw Fernandez attempt to shoot V1 in the head, but the gun did not fire. The police arrived and told Fernandez to drop the gun. Fernandez had V1 by the hair with one hand and his gun in the other hand. Fernandez would not drop the gun and the police shot Fernandez.

***Non-Injured Family Members of Victim One***

Family members of Victim One lived in the same apartment complex where the incident took place. They were aware V1 had a restraining order against Mr. Fernandez and Fernandez often showed up at the complex despite the order. They had seen Victim Three tell Fernandez on multiple occasions to stay away from V1, but Fernandez always came back.

On the night of the incident, family members heard a commotion outside and someone yelled, "He has a gun—Juan has a gun." One family member heard Victim One talking on the phone repeating her address and stating, "He is trying to kill me and my boyfriend." The family member presumed V1 was talking to a 9-1-1 operator.

Victim One's aunt saw Victim Two and Mr. Fernandez fighting. Her brother (V3) tried to stop the fight. Fernandez went to his car. The aunt heard a racking sound and then saw Fernandez was holding a gun. She screamed at him "not to do it," but saw the look of intense anger on Fernandez's face and knew he was going to shoot someone. Fernandez shouted to V2: "I'm going to kill you. I'm going to shoot you." Fernandez chased V2 around the car. Every time he

passed V1, he slapped her and pulled her hair. V3 tried to hold onto Fernandez. A gunshot was heard but no one was shot. V3 tried to calm Juan by telling him "not to do this." A second shot rang out and the aunt saw V3 fall to the ground. Victim Four tried to get the gun. Fernandez shot V4, but V4 did not appear to have been hit. Fernandez grabbed V1 by the hair. Victim Five tried to stop Fernandez. Another shot was heard. Police arrived. V5 was seen on the ground. Fernandez was walking to a car with V1 and hitting her. He tried to make V1 get into the car. He had the gun in his hand and was holding her by her hair. The police officers yelled at Fernandez and Fernandez yelled back. One shot was heard.

#### ***Citizen Witnesses***

Witnesses heard a commotion. One observed a man beating a woman with his fist, while holding a gun. It appeared to the observer the woman was a hostage. The man put a gun to her head and the woman yelled for help. The observer said it was lucky the officer had a great aim and shot the man. The man had been threatening to kill the woman. Other witnesses described seeing portions of the incident, seeing people get shot, and Mr. Fernandez dragging Victim One toward the car. Many witnesses took cover inside their homes when they realized Fernandez was shooting. The witnesses were fearful they or their family members would be shot.

#### ***Officer R. Bainbridge's Statement***

Officer Bainbridge and Law Enforcement Witness One (LE1) were working patrol together and were on the scene of an unrelated call. Bainbridge was LE1's field-training officer, as LE1 was in his second-phase of training as a SDPD officer. Bainbridge heard SDPD dispatch broadcast there was a domestic violence incident on Marlborough where the suspect had a gun. The incident sounded grave. Bainbridge and LE1 immediately responded to the domestic violence scene. While on route, Bainbridge received updates that the suspect shot somebody.

Officer Bainbridge parked at the southeast corner of Whitman and Marlborough. He did not want to approach the scene with lights and sirens because he feared the suspect would shoot at the patrol vehicle. Bainbridge grabbed his shotgun, exited his patrol vehicle, and chambered a round. Law Enforcement Witness One followed him. Bainbridge saw a car parked in the middle of the street and remembered dispatch advised the suspect was seen attempting to put a female into a car in the street. Bainbridge believed the car he was looking at was likely the vehicle in question. As Bainbridge began running towards the vehicle, he heard a male yell to him that the suspect just shot two people.

Officer Bainbridge observed Mr. Fernandez with Victim One in the street who appeared to be trying to get away from Fernandez. Fernandez had a handgun in his right hand pressed against the right temple of V1 and his left arm around V1's head. Fernandez was attempting to push the V1 into the vehicle. Bainbridge yelled for Fernandez to get on the ground several times. Fernandez ignored Bainbridge's commands.

Officer Bainbridge believed Victim One's life was in imminent danger based on what he was observing and the information dispatch and the male provided regarding Mr. Fernandez shooting people. Bainbridge was also concerned Fernandez could shoot him or Law Enforcement Witness One. Bainbridge raised his shotgun up at Fernandez, who was approximately ten feet away. Fernandez still had V1 in a headlock with a gun pointed at her head. At some point, V1 created just enough separation from Fernandez for Bainbridge to get a clear shot on Fernandez. Bainbridge fired one round from his shotgun and Fernandez immediately dropped, pulling the victim down with him. Bainbridge knew the blast killed Fernandez instantly. Law Enforcement Witness One helped the female victim up and Bainbridge stood guard over Fernandez until more officers arrived. Bainbridge saw the handgun two or three feet from Fernandez's hand.

***Law Enforcement Witness One (LE1)***

At the time of the incident, Law Enforcement Witness One was a second-phase training officer assigned to work with Officer Bainbridge. LE1 heard a radio call regarding a domestic violence incident with a gun occurring approximately five to seven blocks away from where he and Bainbridge were located. Radio dispatches indicated someone may have been shot. Bainbridge and LE1 responded and tactically parked their patrol vehicle a block away from the scene. Bainbridge retrieved his shotgun and LE1 obtained his handgun. The two began running to the scene.

Law Enforcement Witness One saw several people in the street and a car parked in the middle of the roadway. As LE1 got closer, he noticed Mr. Fernandez in the street holding Victim One in a headlock and using V1 as a shield from the officers. Fernandez was dragging V1 away from the officers and towards the car in the street. LE1 heard Fernandez yell something to the effect of, "I'll shoot. I'll shoot." From LE1's vantage point, he was unable to determine whether Fernandez had a gun, but believed Fernandez was telling the officers to back off or Fernandez would shoot V1.

Law Enforcement Witness One and Officer Bainbridge were giving loud verbal commands for Mr. Fernandez to get on the ground and drop the gun, but Fernandez was not following the officers' instructions. Bainbridge was ten to twelve feet away from Fernandez. LE1 saw Bainbridge had an angle to shoot and Bainbridge took the shot. LE1 observed Fernandez and Victim One fall backwards. V1 got up quickly and LE1 grabbed her. Fernandez stayed on the ground. LE1 tended to V1. V1 told LE1 Fernandez was her ex-husband and had shot her and her family.

***Investigation***

The scene was secured and the investigation into the shooting was conducted by the San Diego Police Department Homicide Unit. Officer body-worn camera and police-helicopter footage, crime-scene photographs, crime reports, computerized crime-data research, witness interviews, radio communications, and medical reports were reviewed to analyze the shooting.

Chief Shelley Zimmerman  
January 4, 2017  
Page 7 of 7

Body-worn camera footage from Officer Bainbridge and Law Enforcement Witness One shows both officers arriving by patrol vehicle. They ran on foot to the scene where commands were given to Mr. Fernandez to get on the ground. Fernandez responded by shouting "No," several times. He is seen dragging Victim One away while holding her around the neck with his arm and pointing a gun, before he is shot and falls to the ground with V1. V1 got up and ran toward LE1, while shouting that Fernandez had shot her father. ABLE helicopter footage from the air shows the suspect's movements more distinctively.

The investigation documented Officer Bainbridge fired one time with a shotgun. An autopsy revealed Mr. Fernandez was shot one time on the left side of his face. A 9mm handgun was found next to Fernandez's body.

***Conclusions***

Officer Bainbridge's use of deadly force was expected and reasonable under the circumstances. Bainbridge was able to recognize a split-second opportunity to save Victim One from being murdered. Bainbridge fired his shotgun to stop the obvious threat Fernandez posed to V1, Bainbridge, Law Enforcement Witness One, and the community. Bainbridge bears no criminal liability for his actions because they were legally justified under the facts, the evidence, and the law.

The suspect was pronounced deceased at the scene by paramedics. The suspect has been identified as 22 year old Juan Carlos Fernandez of San Diego.

It was later determined that Fernandez had shot four people before police officers arrived. All four victims were immediate family members and were transported to local hospitals. One of the victims was pronounced deceased while at the hospital. This victim has been identified as [REDACTED] of San Diego. One of the surviving three victims was pronounced deceased this morning. This victim has been identified as [REDACTED], also from San Diego. The remaining two victims, one of whom is Fernandez' ex-wife, are expected to survive their injuries. Their identities will not be released.

The officer involved in the shooting is identified as Officer Ross Bainbridge, who is a 12-year veteran of the San Diego Police Department.

**CRIME SCENE INVESTIGATION:**

**Call Out:**

On November 13, 2016, at approximately 2150 hours, I received a call at home from Acting Sergeant Jana BEARD #4807. Acting Sergeant BEARD directed me to respond to the area of 3800 Marlborough Avenue to assist in an officer involved shooting and homicide investigation.

I arrived at the scene at 2240 hours. I noted the sky was clear and the temperature was approximately 70 degrees.

The scene was located in the street in front of the apartment complex containing units with individual addresses of [REDACTED] and in the courtyard/ driveway of that apartment complex. Access to 3800 Marlborough Avenue for both vehicular and pedestrian traffic was blocked off with marked patrol vehicles, uniformed officers and crime scene tape at both the south end (Wightman Street) and the north end (University Avenue). Additional patrol officers and crime scene tape were protecting the scene perimeter.

Marlborough Avenue is a two way street with one lane of travel in each direction, northbound and southbound. There is a division line painted in the middle of the street. The division line does not begin at the south end of the street at Wightman Street but instead begins on the south end of the block in front of [REDACTED]. The division line ends on University Avenue on the north end of the block.

The 3800 block of Marlborough Avenue is both residential and commercial. The southern half of the west side of the block is primarily made of residential buildings. The northern half of the block is comprised of businesses and a shared parking lot for those businesses. The businesses face onto the 3800

block of Marlborough Avenue but the addresses are on University Avenue (4143-4123 University Avenue). The east side of 3800 Marlborough Avenue is primarily comprised of residential buildings. The last two buildings on the northern end of the street are businesses (one of which is on the corner of University Avenue and Marlborough Avenue).

3800 Marlborough Avenue is the City of San Diego in the community referred to as "Castle". The location of the scene is in police service area beat 834.

*The following is a brief synopsis of what happened when I arrived on scene. From talking to all of the witnesses, several are saying the same thing as far as the number of shots, what they heard and what they saw, the gun and all of that.*

*Officer BAINBRIDGE was standing over the suspect. He had a gunshot wound and was deceased at the time. The suspect is Juan Carlos FERNANDEZ. His birthday is 12-06-93. (His correct date of birth was later determined to be 12-05-93.) That is all the information I have on him right now. Officer BAINBRIDGE was standing over the suspect. There was a second victim in front of the Camaro, which is the suspect's vehicle. That was in the street in front of [REDACTED]*

*The first victim, the female victim, was lying in the street on the passenger side of the Camaro, which was facing Southbound. Her name is [REDACTED] Her birthday is [REDACTED] Her address is [REDACTED] [REDACTED] Her phone number is [REDACTED] When I arrived she was down in the street. She was conscious and breathing. She was talking. She had been shot. Her injuries ended up being a graze on the right breast. The bullet entered in the left side, lodged into that area and broke a rib. She is currently at UCSD.*

*The second victim is [REDACTED] he is her father. His birthdate is [REDACTED] He lives at [REDACTED] [REDACTED] He had a single gunshot to the back of his head. He is currently at UCSD. He is stable right now.*

*The third victim, [REDACTED] has a birthday of [REDACTED] She lives here at [REDACTED] [REDACTED] She was pronounced dead at Mercy Hospital at 2237 hours by Doctor Kimberly PECK.*

*The fourth victim is [REDACTED] the grandfather. There are two [REDACTED] His birthdate is [REDACTED] He lives at [REDACTED] [REDACTED] He has a grazing wound to the left side of his head. He is currently at UCSD.*

*Once again, when I arrived the suspect was in the middle of the street. A black, what looked like, semi-automatic pistol, was in the street, about a foot or so away from him. The [REDACTED] was by the car. [REDACTED] the father, was in the courtyard with his injury. [REDACTED] the decedent, was just in front of the gate of [REDACTED] She was on the ground. The grandfather, [REDACTED] was walking around with a towel to his head.*

*I spoke with Officer BAINBRIDGE. He told me that he fired one shot in the direction of the suspect. The suspect went down. There were no other suspects in the area.*

*Synopsizing from the courtyard witnesses and the witnesses that were in or around the street or the neighborhood, [REDACTED] was out in the street waiting for her boyfriend [REDACTED] to come over. The suspect drove up in his Camaro and about that time, [REDACTED] arrived as well. [REDACTED] told him, "He's harassing me." [REDACTED] went up to the suspect and they started fist fighting in the middle of the street. [REDACTED] is the current boyfriend. I have heard the suspect is the estranged boyfriend/ ex-husband. Several people came out. Some were family members. They tried to break up the fight. Suspect headed back to his car, moved his car and perhaps did a U turn. Inside his car he had a gun. He got the gun out. He brought it out and started chasing [REDACTED] around the vehicle in front of the complex. [REDACTED] ran down the street. The*

suspect headed towards the courtyard where he is confronted again by several of the family members. At which point he started shooting the three victims. He shot each of them at least one time. He headed back out to the street, grabbed [REDACTED] and was pulling her by the hair to get into the car. About that time, Officers BAINBRIDGE and ROSARIO show up. As they are walking towards him, Officer BAINBRIDGE sees the suspect with the gun to [REDACTED] head. According to witnesses, they heard him yell, "Drop it. Drop it. Put the gun down," several times. The suspect responded, "I'll kill her. I'll kill you." One shot was fired at the suspect. He went down to the ground. That is where the scene was held until several officers started arriving on scene.

Officer BAINBRIDGE shot with the AR-15. (Later it was clarified the weapon used by Officer BAINBRIDGE was not an AR-15 but was a Remington 870 shotgun.) His gun was secured back in his car. That was driven back to Mid City. It had originally been parked at the southeast corner of Wightman and Marlborough when they pulled up before they went to approach the suspect. The suspect's gun was still in the street by the suspect.

As far as evidence, the gun was there. There were several casings, shells that were around the area where he had been chasing [REDACTED] and running in the middle of the street and around the car. That is all in the middle of the street as well. That has been cordoned off.

At this time, I have separated the witnesses into what they saw in the courtyard and then what happened over by the car. The courtyard being where the family members got shot and then the officer involved shooting was out here in the street. That happened secondly.

[REDACTED] last name is [REDACTED] His birthday is [REDACTED] His address is [REDACTED] [REDACTED] His phone number is [REDACTED] He is here at the scene with Officer DOLL. He said when he arrived here, the ex-boyfriend or estranged husband was already here. His girlfriend yelled that he was harassing her. They began fighting in the street. The suspect went to the car and pulled out a gun and started chasing [REDACTED] around a truck. [REDACTED] ran off. He heard three shots. He looped around, southbound on the east side, crossed over to the west side and at some point when he was on the west side running through apartments he looked around and heard one more shot. He returned to the scene after police starting arriving and he felt it was safe.

The main witness, was the victim, [REDACTED] the one involved in the original altercation with her former boyfriend. She was able to provide a similar statement to the synopsis I gave you. She said she was waiting outside for [REDACTED] and saw a Camaro come by. She referred to him as her estranged husband. She told her dad. He saw the suspect and they started fighting. She said the suspect went to the car, drove in a U-turn and exited with the gun. The family and she started yelling at [REDACTED] to run. Then he shot dad. He shot the grandma (stated grandma but was grandfather that was actually shot) and he was trying to shoot at mom or [REDACTED] Mom was blocking [REDACTED] and she took the shot to the chest. That shot, we believe, is what bounced off into [REDACTED] He then pulled her by the hair into the car. She said that he tried to shoot her. She heard two clicks. Police showed up and she heard one shot. That was her statement.

I will start with the witnesses from the courtyard. [REDACTED] [REDACTED] She lives at [REDACTED] [REDACTED] Her number is [REDACTED] She is [REDACTED] cousin. A lot of the family members live right in the same complex. She heard screaming. She looked outside and saw her aunt, her uncle

and the grandfather trying to pull Juan away from the victim, [REDACTED]. After they were separated, she saw Juan shoot [REDACTED]. Then he shot the grandpa, [REDACTED]. Then ran towards the aunt, [REDACTED] and shot her. She stopped to help her aunt and the last thing she saw was him running towards the street.

The next witness is [REDACTED]. Her birthdate is [REDACTED]. She lives at [REDACTED]. Phone number [REDACTED]. She heard Juan and [REDACTED] arguing in the courtyard and saw dad grabbing Juan and trying to take the gun. She saw it and described it as a small black pistol. She heard one shot and saw dad stumble. She heard a second shot, ran inside, locked the doors and heard three more gunshots.

The next witness is [REDACTED]. He is [REDACTED] brother and lives at the same address, [REDACTED]. Same phone number, [REDACTED]. He said his sister [REDACTED] told him to go outside into the courtyard. He heard a female yell, "Juan let go. Juan stop." He saw Juan grab [REDACTED] heard a shot as dad grabbed the gun and heard a second shot and saw [REDACTED] get shot and fall down. Dad is the younger of the [REDACTED]. He ran inside and called police. He first heard three more shots and then two more shots. His date of birth is [REDACTED].

The next witness is [REDACTED]. Her birthdate is [REDACTED]. She lives at [REDACTED]. Her phone number is [REDACTED]. From the balcony she yelling with family and [REDACTED]. She saw three females and Juan struggling over a gun. She heard them say, "Juan stop." She heard one shot. She saw the suspect run and then heard two more shots. She was upstairs. She did not come down.

Next witness is [REDACTED]. She lives at [REDACTED]. Her phone number is [REDACTED]. She heard screaming, went outside and saw Juan fighting with [REDACTED]. She then saw him get into a car and he started to drive off. He then got out with a gun. He chased people to hit them. Then started shooting people. He ran into the courtyard and starting shooting people. That was all of her statement.

The next one is [REDACTED]. He is a Spanish speaker. Address is [REDACTED]. He heard an argument outside. When he went out to look, he saw Juan start shooting at the people in the courtyard. He ran back into the courtyard.

The next witnesses that I am going to give you are people that were either driving down Marlborough, were in the neighborhood or were outside and saw what happened here. The first is [REDACTED]. His birthdate is [REDACTED]. He lives at [REDACTED]. His phone number is [REDACTED]. He said he heard three shots. He was outside and he saw officers run past him. He saw the officer split. One ran towards the victim which was in the street. One was on the east curb line. He saw the suspect put the gun to the female's head and heard one shot. He saw the suspect down in the street and he said he saw the gun in the street as well. The female victim ran off southbound away from where the suspect had been shot, shortly after he had been shot. At that point he did not say if he heard the officer give any commands to the suspect.

The next witness is [REDACTED]. He lives at [REDACTED]. His phone number is [REDACTED]. He was driving southbound on Marlborough and he saw a DV by the passenger side of the Camaro. He saw the suspect punching her in the head and he heard her screaming. He pulled over and wanted to help but he did not intercede at that point because he saw the cops coming

down the street. He heard officers say, "Put the gun down," multiple times. He heard the suspect say something to the effect of, "You do something to me, I'll take her life away." He heard what he believed was a shot from a long gun. Then he ran to the apartments where the victims were.

The next witness is [REDACTED] [REDACTED] He lives at [REDACTED] I don't have a phone number for him right now. He is here on scene in front of [REDACTED] with an officer. He said he was driving northbound. He saw the victim in a headlock. The suspect had a black handgun and was waving it at bystanders. The suspect was yelling at the officers and pointing at the officers with the gun. He was telling them to, "Get the fuck back."

The next witness is [REDACTED] She is one of our original RP's. Birthdate of [REDACTED] She lives at [REDACTED] Her phone number is [REDACTED] She said there were seven or eight people fighting. She saw a male being chased around a car, which we have determined to be [REDACTED] She saw a gun in the suspect's hand. She got scared. She went home. She heard four shots. She saw the PD coming northbound and heard one more shot.

Next witness is [REDACTED] His birthday is [REDACTED] His address is [REDACTED] Phone number [REDACTED] He said he was in the residence. He heard four shots and arguing. He saw two officers northbound and he heard, "Put the gun down." He heard the male yell back, "I am going to fucking kill you." He heard one shot and saw smoke from the gun. The long gun from the police officer is what he described. He heard someone in the crowd say, "You shot him in the head."

Next witness is [REDACTED] Birthdate of [REDACTED] He lives at [REDACTED] Phone number [REDACTED] He was southbound in his car on Marlborough. He stated he saw a large group in the street fighting. He saw a male in blue run down the street, which again is [REDACTED] He ran east, then west across the street. He heard three gunshots and he, his wife and his son or grandson, quickly entered into the apartment and didn't see or hear anything else. They heard the gunshots and were scared and went inside.

That final witness is the one you already have, [REDACTED]

The gun that Officer BAINBRIDGE used was a Remington 870. It is secured in the front seat of vehicle #7304 at Mid City Division.

Ross (BAINBRIDGE) and Justin (ROSARIO) had their BWC activated. No citizens have come forward with any video. ABLE was 97. They were 97 immediately.

I don't believe Officer BAINBRIDGE drove his vehicle to Mid City. I am not exactly certain. I was still at the scene when they took him to the substation. I believe Officer MAYER did, but I would have to verify that. They came in on foot.

There is only one Spanish speaker that they said needs a translator. I think they all speak a little Spanish but they were all able to communicate.

Yes, four to five shots from the suspect is what the witnesses said and that accounts for each victim that had gotten shot.

*I do not know if [REDACTED] family have been notified of her death because her immediately family were all being treated themselves.*

*I believe the suspect's weapon was a 9mm handgun. I don't know exactly. It looked like a black handgun. I believe it should still be in the street.*

The briefing concluded at approximately 0030 hours on November 14, 2016. Acting Sergeant BEARD then assigned the scene to me for investigation.

### Scene Viewing:

Criminalist CORDES, Crime Scene Specialists CARBONE, HEBERT and I then conducted a brief walk through of the scene to acclimate ourselves to the area. CARBONE continued with her photography while we waited for Officer BAINBRIDGE to return to the scene for the walk-through.

At approximately 0052 hours, Officer BAINBRIDGE returned to the scene for a walk-through with Acting Sergeant BEARD. The walk-through was digitally recorded by Acting Sergeant BEARD. (Refer to recording and her reports for complete details.)

At the conclusion of the walk-through, I began processing the scene for evidence.

During the officer walk through, Officer BAINBRIDGE provided a general area of where he believed he was positioned when he fired at the suspect. Crime Scene Specialist CARBONE marked this area with a chalk mark on the asphalt.

The scene was located in the street at 3800 Marlborough Avenue and in the driveway and courtyard of the apartment complex of [REDACTED]. The apartment complex is comprised of addresses [REDACTED] and is a two story tan stucco building. There is a driveway in front of the building with five parking spaces. The front doors of each apartment are on the north side of the building. The entrance way into the courtyard and the front doors of the lower apartments is on the north side of the building. There is a black metal security gate leading into the courtyard and a wooden fence abutting the security gate, extending to the north end of the property. The north end of the property has a wooden fence which extends from the edge of the driveway closest to the building and continues to the east end of the property where the alley begins. There is a set of concrete stairs next to the metal security gate which lead to apartments [REDACTED]. A second set of concrete stairs is against the building in the middle of the courtyard which leads up to apartments [REDACTED]. All of the apartments on the second floor have "1/2" after the address. The apartments on the first floor correspond numerically with the apartments on the second floor but do not have "1/2" after each address.

The lighting in the area consisted of street lighting and porch lighting from the houses and apartment complexes along the street. The lights provided illumination to the sidewalks and some illumination to the street.

FIREARMS UNIT LABORATORY REPORT**

**VICTIM:** SDPD Officer R. Bainbridge, ID #6035  
**SUSPECT:** FERNANDEZ, Juan Carlos  
**CHARGE:** OIS/Special Investigation  
**CASE #:** 16-046725  
**INCIDENT #:** 16110022004  
**HOMICIDE TEAM V:** Detective K. Allison / Acting Sergeant J. Beard  
**DATE OF INCIDENT:** November 13, 2016 (Sunday)  
**SCENE LOCATION:** [REDACTED]  
**CRIME SCENE SPECIALISTS:** Alyssa Carbone / Heidi Hebert  
**CRIMINALIST:** Toniann Rebick

**EVIDENCE EXAMINED:**

One Remington, model 870, 12 gauge pump-action shotgun, serial number [REDACTED] with an attached tubular magazine, a Mesa Tactical shotshell carrier, a Magpul stock, and a Surefire flashlight from Officer Bainbridge.

**RESULTS AND CONCLUSIONS:**

The Remington shotgun was received with the slide back, an empty chamber, and an expended shotshell in the ejection port. The tubular magazine contained five Federal 00-Buck shotshells, one of which was partially released into the loading gate area underneath the carrier. The shotshell carrier contained a total of six shotshells, two Federal 00-Buck and four Federal slug rounds. All ammunition is consistent with Department issued ammunition. The total capacity of the shotgun with an empty chamber and a full magazine is six rounds. Per Acting Sergeant Beard, the shotgun was loaded with a full magazine (6 shotshells) and an empty chamber. Loaded in this configuration, the evidence indicated that one round was fired from this shotgun. If a different number of shotshells were loaded then a different number of shots would be indicated.

The shotgun was test fired and was found to be operable.

Details of all examinations are on file in the laboratory.

**DISPOSITION OF EVIDENCE:**

One Firearms Processing Packet was booked into Property under Barcode #10692398. The Remington shotgun was released to the Crime Scene Unit gun locker.

**DATE OF INCIDENT:** November 13, 2016  
**SCENE LOCATION:** [REDACTED]  
**CRIMINALIST:** Steve Cordes

**CRIME SCENE REPORT:**

On November 13, 2016, at approximately 2150 hours, I was contacted by Crime Scene Specialist Hebert and informed of an officer involved shooting investigation at the 3800 block of Marlborough Avenue. I arrived at the scene at approximately 2310 hours.

**BRIEFING:**

The following is a synopsis of the briefing given at the scene, and information contained in the SDPD press releases dated November 14, 2016.

San Diego Police were dispatched at approximately 2113 hours to the 3800 block of Marlborough Avenue to investigate a disturbance involving a male with a gun. When the officers arrived they found a male in the street holding a handgun to the head of a female. Officers ordered the male to get on the ground and the male stated he would kill the female and the officer too. The officer fired one round from his service weapon striking the male, knocking him down. The male was pronounced deceased at the scene by paramedics. Further investigation determined that the male had shot four people (two females and two males) prior to the police arrival at the scene. All four of the victims were transported to hospitals where one victim was pronounced deceased. The decedent was the mother ([REDACTED]) of the other female victim ([REDACTED]) and was reportedly between the daughter and the suspect when shot. The suspect then reportedly pulled [REDACTED] toward his car and tried to put her in the car. It was at this time the officers arrived and confronted the suspect.

### **SCENE DESCRIPTION:**

Marlborough Avenue runs north and south. There was a sidewalk on both sides of the street.

There were multi-family dwellings on the east side of Marlborough Avenue and a strip mall shopping area on the west side.

The shooting scene of the suspect was confined to the north bound lane of Marlborough Avenue west of [REDACTED]. The shooting scene by the suspect was confined to the walkway and court yard of the residence at [REDACTED]. This residence was a two story building with a total of eight units, four upstairs and four down. None of the interiors were involved in the scene. See Figure 1.

### **OBSERVATIONS:**

All references to blood are apparent blood as no confirmation testing was done. Refer to Figure 1 for locations of observations.

The suspect's car, a black 2011 Chevrolet Camaro without license plates, was facing south in the north bound lane of Marlborough Avenue west of the residence at [REDACTED]. The suspect was covered, in a supine position, and in the road north of the Camaro. There was an intact 9mm cartridge on the ground north of the suspect. On the ground to the west of the suspect, was a shotgun pellet, and a Springfield XD Sub-Compact pistol. To the east of the suspect there was a blood pool that flowed from the suspect's head area towards the east curb, and a cell phone. Between the suspect and the east curb was a red Chevrolet Blazer that had two apparent pellet strike marks, one on the driver's side front quarter panel, and one on the driver's side rear wheel cover. Between the driver's side of the suspect's car and the east curb of Marlborough Avenue were two 9mm cartridges and one shotgun pellet. To the south of the suspect's car close to the centerline of the street, was one 9mm cartridge.

There was a trail of gravity type blood drip stains that was noted between the suspect's car and the couch located in the courtyard of [REDACTED]. In front of the couch (south) was a large blood stain consisting of both a pool of blood and swipe/wipe patterns in blood. To the west of the fence around the courtyard, and along the blood trail, was another blood stain also consisting of a pool of blood and swipe/wipe patterns. There was medical paraphernalia at this second blood stain. No victims were present at the scene during the time of my examination. See Figure 2.

Adjacent to the bloodstain outside of the courtyard was a 9mm cartridge case, a 9mm cartridge, and a shot gun pellet. There was a bullet strike mark on the north wall, below the stairs to the second level, and just inside the courtyard. An expended bullet was recovered from the bottom

fence rail in the northwest corner of the courtyard. Another expended bullet was recovered from the wall next to the front door to [REDACTED] See Figure 3.

### **BLOODSTAIN DEFINITIONS:**

**Drip Stains:** Blood stains that result from blood dripping from a source caused by gravity alone.

**Pool:** An accumulation of blood based on gravity and conforming to container characteristics of the pooling area.

**Swipe:** Transfer of blood onto a target by a moving object that is bloodstained.

**Wipe:** A stain or pattern created when an object moves through a pre-existing bloodstain on another surface.

The suspect's injury consisted of a single perforating shotgun wound entering the left cheek and exiting at the rear of the head. See the report by the Medical Examiner for a detailed description of the suspect's injury.

### **VICTIM'S INJURIES:**

[REDACTED] [REDACTED] (mother) sustained a single perforating gunshot wound entering the upper left back exiting the front right chest. See the report by the Medical Examiner for a detailed description of the victim's injury.

[REDACTED] [REDACTED] (father) sustained a single perforating gunshot wound entering the head above the left eye and exiting the back of the head. See the report by the Medical Examiner for a detailed description of the victim's injury.

[REDACTED] [REDACTED] (daughter) reportedly sustained a single penetrating gunshot wound entering the left chest area.

[REDACTED] [REDACTED] [REDACTED] (grandfather) reportedly sustained a single grazing gunshot wound to the area above his left ear.

### **CONCLUSIONS:**

Information from the crime scene, autopsies of the suspect and female victim, and the photographs from the male victim's autopsy were used to form the following conclusions.

Officer Bainbridge discharged his service shotgun in an easterly direction one time towards the suspect striking him.

**Crime Scene Reconstruction Report**

The suspect fired his handgun at least three times which is supported by the two expended bullets found at the scene and the one that caused the penetrating wound to [REDACTED] [REDACTED]

**VEHICLE PROCESSING-** 2011 Grey Chevrolet Camaro, CA license [REDACTED]

**BACKGROUND:**

On November 13, 2016 at approximately 2113 hours, San Diego Police Department Communications Division received several 911 calls in the area about a disturbance and a male with a gun. Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene at approximately 2116 hours. Officers BAINBRIDGE and ROSARIO encountered Juan Carlos FERNANDEZ in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered [REDACTED] to drop the weapon. [REDACTED] ignored the commands and threatened to kill the officers and [REDACTED]. Officer BAINBRIDGE fired one round from his Remington 870 shotgun at [REDACTED] killing him. Officers then discovered [REDACTED] her mother, [REDACTED] her father, [REDACTED] and her grandfather, [REDACTED] had all been shot.

Juan Carlos FERNANDEZ' vehicle, a grey 2011 Chevrolet Camaro, was parked, facing the wrong direction, in the street at 3800 Marlborough Avenue. The driver's door of the vehicle was open. Officer PERSONIOUS #7008 and Officer LOHNGEN #6653 impounded FERNANDEZ' vehicle as evidence. A tow truck transported the vehicle to Northwestern Division. Officers PERSONIOUS and LOHNGEN followed the vehicle to Northwestern Division. They secured the vehicle in the locked storage area.

## Investigator's Report

### Vehicle Report

Case #16-046725; #16-046719; #16-046721, #16-046722 & #16-046723

Page 2

On November 16, 2016, Honorable Judge Charles ROGERS, issued a search warrant (#53202) for FERNANDEZ' vehicle.

On November 17, 2016, at approximately 1240 hours, I met with Crime Scene Specialists CARBONE #8733 and HEBERT #8926 at the Northwestern Division storage facility to process the vehicle. Crime Scene Specialist CARBONE took a photograph of the vehicle inside the locked storage facility. Utilizing keys located at the crime scene, Crime Scene Specialist CARBONE drove the vehicle out of the storage facility into an open area near the gas pumps so we could process the vehicle.

### **EXTERIOR:**

Crime Scene Specialist CARBONE took photographs of the entire exterior of the vehicle.

The camaro is a two door coupe vehicle. There were no license plates affixed to the vehicle. In the rear of the vehicle was a yellow dealer paper plate with "Stadium Auto" on it. Both windows, driver's side and passenger side were rolled up (closed). Both doors of the vehicle were locked. The vehicle had black and silver metal/ alloy rims.

There was minor damage to the vehicle, which appeared to be from prior incidents, to include: minor scratches on passenger side of rear bumper, scratches on front bumper towards driver's side just past mid line and scratches on the driver's side along bottom of vehicle near rear tire.

The front windshield of the vehicle had two impact marks and cracks moving outward from the impact marks. Both impact marks were on the passenger side of the windshield. The impact mark towards the top of the windshield was smaller than the second impact mark toward the bottom of the windshield.

There were smudge marks and latent hand prints on the hood of the vehicle and passenger side door of the vehicle.

There was apparent blood on the edge of the passenger door, near the outer edge of the door, below the window/ above the door handle. There was apparent blood and a latent print smudge on the upper left corner of the passenger side door. There was also an apparent blood stain at the top of the driver's window near the outer corner of the window. The apparent blood stains were later marked with letter stickers by Crime Scene Specialist CARBONE and photographed.

**INTERIOR:**

Crime Scene Specialist CARBONE took photographs of the entire interior of the vehicle.

The interior of the vehicle was clean and in good condition. The interior was grey cloth. The vehicle had an automatic transmission. The gear shift was located in the center console area. The mileage of the vehicle was 75,237. The gas gauge showed the vehicle had half a tank of gas.

There was an apparent blood stain on the top edge of the inside of the driver's window.

In the driver's door pocket was a single shell casing with, "FC 9mm Luger", on it. In the glove box was the vehicle manual, a pair of grey mittens and a white hand towel. There was a folded sun shade in the floor board area of the rear driver's side seat. In the trunk were blankets and clothing.

I removed all of the contents from the vehicle and seized the shell casing as a potential item of evidence.

Item #	Description:	Location item was found:
20	Shell Casing, "FC 9mm Luger"	Driver's door pocket

Crime Scene Specialist CARBONE marked the apparent blood stains, from both the exterior and interior of the vehicle, with letter stickers. She took photographs of each of the apparent blood stains.

Letter:	Description:	Location:
D	Smaller Impact in windshield	Near top of front windshield on passenger side
E	Larger Impact in windshield	Near bottom of front windshield on passenger side
F	Apparent blood stain and latent print	Upper left corner of passenger side door
G	Apparent blood stain	Passenger door, near outer edge, below window, above door handle
H	Apparent blood stain	Top of driver's window near outer corner of window
I	Apparent blood stain	Top edge of inside of driver's window

Crime Scene Specialist CARBONE also took a photograph of the vehicle registration page which was taped to the inside of the front windshield on the passenger side.

When we finished processing the vehicle, I requested a tow truck for our location. A tow truck from Road One Towing arrived at approximately 1350 hours and loaded the vehicle onto the tow truck. I followed the tow truck as it transported the vehicle to the Traffic Division Impound Lot. I secured the vehicle in the impound lot and left Traffic Division at approximately 1445 hours.

**SCRIPPS MERCY HOSPITAL FOLLOW UP:**

On November 13, 2016 at 2150 hours, A/Detective Sergeant Jana BEARD #4807 directed me to respond to 3800 Marlborough Avenue to assist with a shooting death investigation our homicide team was being assigned to investigate.

During the course of the investigation we determined Juan FERNANDEZ shot and killed his ex-wife's mother and father. FERNANDEZ also shot his ex-wife and her grandfather, however those two survived their injuries. FERNANDEZ became involved in a brief hostage standoff with police while he was attempting to kidnap her. San Diego Police Officer Ross BAINBRIDGE #6035 discharged his weapon during the standoff, striking and killing FERNANDEZ.

On November 14, 2016, beginning at 0415 hours, Detective Jim HAWKSLEY #3770 and I went to Scripps Mercy Hospital located at 4077 Fifth Avenue. Our purpose for going to the hospital was to relieve Officers Andrew KORNENKIV #6276 and his partner, Paul OH #7534, who were guarding the body of [REDACTED] who succumbed to her injuries.

Detective HAWKSLEY and I were directed to operating room #3 on the second floor of the trauma unit. We entered the room at 0427 hours and observed a female laying in the supine position with a blanket covering her body and face. The female was barefoot, and her garments appeared to have been medically cut away from her, as the garments were observed dangling off the ends of the surgical bed.

Officer KORNKOV told me he road in the ambulance with the victim, [REDACTED] from the crime scene to Scripps Mercy Hospital. Officer KORNKOV told me Medic #18 was the transporting ambulance.

Officer KORNKOV further stated [REDACTED] was conscious during the majority of the ambulance ride, however she stopped breathing two or three minutes before they reached the hospital.

Resident Nurse Ashley DELAHUNT told me [REDACTED] sustained a traumatic gunshot injury to her right side chest cavity, which transected both of her lungs and exited her back left shoulder. DELHUNT further informed me they did not locate or observe a missile inside of her body.

DELAHUNT told me [REDACTED] was assigned Medical Record Number #598222015 and she was pronounced deceased by Dr. Kimberly PECK at 2237 hours.

At 0455 hours, Medical Examiner Investigator Daniel GARCIA #11 arrived and joined Detective HAWKSLEY and I. MEI GARCIA informed me the Medical Examiner Number attributed to [REDACTED] death would be #16-2652.

MEI GARCIA removed the blanket and began inspecting the body for injuries and irregularities. During his examination I observed a perforating injury to [REDACTED] body on her right breast and a corresponding injury to her back left shoulder.

I observed a chest tube, and items of medical intervention attached to the decedent, such as an airway breathing apparatus.

A large amount of dried blood covered the decedent's chest, neck and back, with oozing blood dripping out of the perforating injuries to her body.

I took four photographs of the scene as we found it. *(See attached)*

At 0555 hours, MEI GARCIA and Body Removal Specialist Corey WHITE placed the decedent in a white zippered bag. MEI GARCIA secured the bag with Medical Seal #2390169.

At 0600 hours, Detective HAWKSLEY and I cleared the scene.

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO encountered FERNANDEZ in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered [REDACTED] to drop the weapon. [REDACTED] ignored the commands and threatened to kill the officers and [REDACTED]. Officer BAINBRIDGE fired one round from his Remington 870 shotgun at [REDACTED] killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct witness statements. I interviewed [REDACTED] while she was hospitalized and told her to contact me if she learned any information that was pertinent to the police department investigation.

On November 22, 2016, at 1618 hours, I received a phone call from [REDACTED] [REDACTED] wanted to tell me information she heard about Juan FERNANDEZ. [REDACTED] essentially told me the following:

**Statement of** [REDACTED]

*When I attended the funeral services for my parents this past Saturday, November 19<sup>th</sup>, at Saint Philips Episcopal Church in Lemon Grove I learned something about Juan I wanted the share with you.*

*Two people [REDACTED] and [REDACTED] spoke to me. They both went to school with Juan and I, and they wanted to tell me some information. They told me when they were at the Twenty-four Hour Fitness gym on Imperial Avenue in San Diego, Juan tried to sell them guns.*

*They both would go to the same gym as Juan. One day, while they were at the gym, they said Juan approached them. He offered to sell them guns and he had an AK-47. They both declined to buy any guns from him.*

[REDACTED] had no further information and we concluded the conversation.

**WITNESS STATEMENT:**

On November 13, 2016 at about 2150 hours, I received a group text message from Acting Sergeant Jana BEARD #4807. A/Sgt. BEARD directed me to respond to the area of 3800 Marlborough Avenue to assist in an officer involved shooting incident.

I arrived on scene at approximately 2225 hours. At 2349 hours, I attended a briefing conducted by Patrol Sergeant Sylvia YEPIZ #4986. During the briefing I essentially learned that Juan Carlos [REDACTED] confronted his ex-wife [REDACTED] her new boyfriend ([REDACTED]) her parents ([REDACTED] and [REDACTED]) and her grandfather ([REDACTED]) in the street and courtyard area in front of her parent's home while armed with a gun.

FERNANDEZ ultimately shot each member of the [REDACTED] family, mortally wounding [REDACTED] and [REDACTED]

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO

encountered FERNANDEZ in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered [REDACTED] to drop the weapon. [REDACTED] ignored the commands and threatened to kill the officers and [REDACTED]. Officer BAINBRIDGE fired one round from his Remington 870 shotgun at [REDACTED] killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct witness interviews.

On November 15, 2016, at 1522 hours, I went to UCSD Hospital to release [REDACTED] [REDACTED] wallet back to family members. I released the wallet to the daughter, [REDACTED]. Upon meeting with [REDACTED] [REDACTED] I was informed that the family elected to take her father, [REDACTED] off life support, and he was not expected to survive.

I was also introduced to [REDACTED] [REDACTED] [REDACTED] the father of [REDACTED] [REDACTED] [REDACTED]. [REDACTED] [REDACTED] had been medically released from UCSD Hospital. He sustained a grazing gunshot wound to the left side of his head, just above his left ear. [REDACTED] [REDACTED] [REDACTED] informed me through the assistance of Spanish translation from family member, [REDACTED] that he wanted to give a statement as to what happened. I did not have a Spanish speaking detective available to assist me in the interview. I used family member, [REDACTED] to assist me with Spanish translation. I conducted the interview inside a meeting room in the hospital trauma unit. I captured the interview on a digital recorder. [REDACTED] essentially told me the following:

**Statement of:** [REDACTED] [REDACTED]

*I was inside my apartment and I heard screaming outside. I went outside and heard my daughter, [REDACTED] screaming "Let her go!" I saw the shooter (Juan) trying to grab my granddaughter, [REDACTED]. My daughter, [REDACTED] was also downstairs. I live on the second floor and went downstairs.*

*I saw my son, [REDACTED] and his wife, [REDACTED] [REDACTED] across the street. [REDACTED] and Juan were there too.*

*Then they were all on the apartment side of the street. I saw Juan pull a gun out of his car. Juan was chasing [REDACTED] and pointing the gun at her. Then he chased her into the apartment complex.*

*Juan ran into the courtyard of the apartment complex. I don't remember if [REDACTED] ran into the complex. That is when my son, [REDACTED] [REDACTED] wanted to stop Juan. My son wanted to take the gun away from Juan. I went after Juan too, to try to get the gun also.*

*When my son tried to tackle Juan down, Juan pulled the trigger, and shot my son. I was standing behind my son when he was shot. I tried to grab my son when he was shot, and Juan pointed the gun at me. I saw the gun pointed at me. I moved my head to the side, and Juan shot me. The bullet grazed my head (indicated the left side of his head above his ear). The gun was as close to me as I am to you (two feet) when he shot me.*

*I saw I was bleeding a lot and one of my granddaughters gave me a towel. I saw my son face down on the ground and I went to him and turned him over so he would be face up. We both were shot inside the apartment gate in the courtyard area, and [REDACTED] [REDACTED] was shot right outside the apartment gate.*

*I saw that Juan noticed [REDACTED] [REDACTED] was hugging [REDACTED] outside the gate, and he went over and shot [REDACTED] [REDACTED]. I did not see Juan shoot [REDACTED] [REDACTED] because I was trying to lift up my son. I heard the gunshot and then walked out the gate and saw her on the ground. I saw Juan pulling [REDACTED] by the hair into the street. He was trying to get her inside the car.*

*I saw when he tried to pull the trigger on [REDACTED] but the gun would not shoot. It was when he was trying to get her in the car. He wanted to shoot her in the head. Juan was having trouble opening the door of the car because he had her by the hair with one hand and the gun in the other hand.*

*[REDACTED] and my wife tried to get the gun from Juan but he did not shoot them. Juan said, "Get away from me grandma, because I will shoot you!"*

*Then the police arrived.*

*The police told him to let go of the gun. He had [REDACTED] by the hair with one hand and the gun in the other. He would not let go of the gun. I saw the police officer shoot Juan.*

*The police took a long time to get there. Otherwise, he would not have killed my family members.*

*[REDACTED] [REDACTED] [REDACTED] had no further information and I concluded the interview. With his permission I took two photographs of him to document the injury to his head.*

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO encountered FERNANDEZ in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered FERNANDEZ to drop the weapon. FERNANDEZ ignored the commands and threatened to kill the officers and [REDACTED]. Officer BAINBRIDGE fired one round from his Remington 870 shotgun at FERNANDEZ, killing him.

The briefing concluded at 0030 hours and the scene was turned over to the Homicide Team 5. Detective Kate ALLISON and Crime Scene Specialists Heidi HEBERT and Alyssa CARBONE began to identify evidence and process the scene.

At approximately 0052 hours, Officer BAINBRIDGE returned to the scene with his Police Officer Association Attorney Rick PINKARD and provided a recorded safety/walk-through statement. Officer BAINBRIDGE stated he fired one round from his Remington 870 shotgun in a northeasterly direction and identified the general location he believed he was standing at the time. The recording from the safety/walk-through statement is included with the evidence in the case.

Officer BAINBRIDGE agreed to give a voluntary statement. Prior to providing a statement, Lieutenant HOLDEN and I met with Attorney PINKARD and Officer BAINBRIDGE at Mid-City Division to upload Officer BAINBRIDGE'S body worn camera (BWC). After uploading the BWC, Officer BAINBRIDGE and Attorney PINKARD privately viewed the footage. After they viewed the footage, Lieutenant HOLDEN and I reviewed the BWC video as well.

At approximately 0203 hours, Officer BAINBRIDGE was photographed by Crime Scene Specialist Rachelle LANGE #8916.

At approximately 0215 Lieutenant HOLDEN and I sat with Officer BAINBRIDGE and his attorney, Rick PINKARD, in the conference room of the Homicide Office. We conducted a recorded interview and I have documented the statement below. The statement is in a word for word, question and answer format. The statement was typed by word processor, Rebecca AGUILAR, and I have reviewed the statement for accuracy. Any minor deviations from the audio recording are inadvertent and do not take away from the meaning or context of the statement.

RB: It's got a six round tube instead of a four round tube, and it's got ghost ring sights versus the front bead only. And it's uh, like it's got a rail on the top also?

JB: Ghost ring sights and a rail on top?

RB: Umm hmm.

JB: Okay. And then what kind of ammunition do you carry in that gun?

RB: The department issued Federal Tactical buckshot. And then I also have on the side saddle, the Department issued uh rifled slugs.

JB: And then...okay, side saddle. And then you said that that gun has a six round tube. Do you...how do you carry that weapon? Is there a round racked in the chamber? Or do you have to physically do that when you go to retrieve the gun from your rack?

RB: I keep patrol ready in the rack so that's hammer down on the empty chamber. Six rounds in the tube. And you have to pump it to put a round in the chamber.

JB: And that gun is secured in your vehicle back at Mid-City?

RB: It is.

JB: Gotcha. Okay. All right. That's it for this. Now, super simple. I'm gonna have you just kind of walk us through the radio call. Who you were with? Where were you when you heard the call? What type of call was it? You know, and as best as you can and as slow as you can, just kind of walk us through from beginning to end. And then of course, I'm sure we'll have some questions.

RB: Sure.

JB: And we'll just hit those as we go. And I'm gonna take notes while you talk. Don't let that distract you. It just helps me. So we'll start with prior to receiving that radio call,

what had you been....had you just left a radio call? What prompted you to head in the direction of Marlborough, 3800 Marlborough?

RB: Okay, so um working with Officer ROSARIO, he's a 2<sup>nd</sup> phase trainee. I believe today is day 6. His ID number is 7544 I believe. Uh we were assigned to a radio call, um at Menlo and Landis Street, about a possible unreported stolen vehicle/parking issue. Somebody called in that a, I believe it was a Mitsubishi was parked in the middle of the street. Nobody was around it and the lights were off. So it was like somewhat of a, like a stolen vehicle/parking issue.

We arrived on that call and nobody was around the car. I asked the person across the street, "Hey, do you know whose car this is?" They didn't know. So I had checked on CRMS to see if the guy, the registered owner was the victim of a crime or anything. Trying to get his phone number. Couldn't find anything. Switched over to Inquiry. Had her run it on ARJIS. She couldn't come up with a phone number. And I just asked the dispatcher to see if Northern could do a follow-up at the guy's house to see if he knew where his car was. So we're waiting for that information to come back. We're waiting for Northern to get assigned the call. So we're just kind of in a holding pattern, waiting for that to happen.

About that time, while we were waiting, a robbery, a street robbery came out at Euclid and El Cajon. The details sounded, oh I don't know how to put this. It, it sounded like it might not have been exactly what was going on over there, so um we didn't go to that. So we were still waiting for uh, there were several, several other units going to that call so um, we were waiting to see what was going on with this car and at the same time the robbery call was coming in. She gets on the air about this domestic violence call on, uh was it 3800, [REDACTED] something Marlborough. So I believe like the initial radio transmission from the dispatcher, she...I can't remember exactly what she said but she let us know that there was a DV and there was uh, a male with a gun involved at the DV call and she said something else. I don't know if she put the call taker on, but she said "something else is", like "something else is going on here." She basically let us know that, it was, the stakes were higher than your standard DV call. I don't know if the call taker heard something. I can't remember what she said, but she said something that cued my attention. I'm like, "No. We're going to this right now." Like, "Stop what we're doing. We're going. Get in the car" and we started going.

So we went from Menlo and Landis north, turned west on Wightman Street. I rolled Code 3 from Landis and Menlo to uh, let's see where do I shut it off? I rode Code 3, westbound on Wightman. I shut it off, just east of Mid-City Division. As we're getting more updates that the guy, I believe that we were getting updates that the guy had shot somebody on this domestic violence call and in my head I was thinking okay if the guy's out in the street with the gun, um I didn't want him to see us in the police car and start shooting at us, coming around the corner, or be in a position where the first thing he sees is the overhead lights and we're coming around the corner. So I said, "Okay." I think I told Justin, I'm like, "We're gonna shut the Code 3 off and we're just gonna pull up and get out."

Case #16-046725; #16-046719; #16-046721, #16-046722 & #16-046723

So shut the Code 3 off as we pass the sub basically, Mid-City Division, and sped up. Got to the corner of Wightman. So it'd be south, southeast corner of Wightman at Marlborough. Put the car in park. I believe at that time we got another update that there was uh, a shooting that took place with this domestic violence call. I have a bunch of guns in the car. But I was like, we need to get over there right now. So I grabbed my shotgun. It was right there in the car. Got out, uh chambered a round. And as I got out of the car I looked northbound uh and I saw like a car parked in the middle of the street.

And I remembered there was some, some dispatch message about him trying to put her into a car. So I saw, I saw this car in the middle of the street with the lights off. It was like, you know, it didn't have the lights on or anything. But there's a car in the middle of the street and I kind of was connecting, okay, this is probably the car we're dealing with. And then my trainee I just sprinted from the corner northbound, right up the middle of the street on 3800 Marlborough. I believe as we were running, a pedestrian to the west, I didn't look at him, but yelled something to me that the guy just shot two people.

So we run up. I turn the light on to my shot and I see it's the, um rapidly putting together, okay this is the guy. He's got his girlfriend, holding her by the head. Looks like she's trying to get away from him and um I start giving him commands to lay on the ground, uh several times to, you know, get on the ground. And as I'm uh advancing on him, I see that he's holding a gun to the side of her head. Like the, the gun barrel it to her temple and his head...he's behind her and I could see, it's like a small sub compact, similar to actually the gun that I carry off duty. It looked like a Springfield SDX, single stack 9mm. I remember looking at it and I'm like holy shit! It looks like the gun that I carry. And he's holding it to the side of her head. And he's directly kind of behind her and um, I came up, brought my gun up and I was looking to see if I could get a shot on him. And at one...like in that brief moment, I think he was trying to push her into the car or something, but at some point their heads weren't aligned anymore and I saw like a full view of his head. And I fired one round and saw it hit him, like right below the eye.

JB: You pointed to your right eye.

RB: So it would have been, no, his, right under his left eye. Um, he went to the ground immediately. He, I, it, it seemed like as he's going to the ground, he brought her down to the ground with him as he fell backwards. Um, a little bit foggy as far as exactly. I don't know if she got up or my trainee helped her up. I'm not really sure, but I know she...I was a little concerned that maybe during the shooting that she got hit at some point. But my trainee got her up and got her away from him. I looked down. The gun's relatively close to his hand, maybe within two or three feet of his hand and he never moved. I saw where the round impacted him. It looked like uh, in the SWAT Academy, they talk about a central nervous system hit where it hits somewhere between this area between your nose and your eyes. Like hit, hit him like right under the eye. He never moved and I stood there covering off on him, looking for additional suspects. I wasn't really sure what was going on. I put out "Cover now!" on the radio and hit my "Emer" button, and just waited for everybody to show up.

JB: Okay. I have some questions.

RB: Sure.

JB: Um, just to clarify. I know the area fairly well but your initial radio call with the vehicle, that was east of your location correct? So you were coming from the east towards the west?

RB: Correct.

JB: Okay. So you parked the car. Do you have a plan with your partner on what you guys are gonna do, or is it, is it...at that phase does he just kind of follow along?

RB: Well typically he would be driving in phase two, but I was sitting in the, behind the steering wheel when the call came out. So I said, 'Get in the car and let's go.'

JB: Okay.

RB: And so, I just figured he would follow my lead.

JB: Okay. So you guys get out of the car and you say that you, you grabbed your shotgun?

RB: I did.

JB: And you're running down the middle of the street. Where is your partner as you guys are...are you guys side by side?

RB: My perception was that he was behind me to the left.

JB: Behind you to the left. So he's going to be to your west?

RB: He would be to my west, correct.

JB: Okay.

RB: But I didn't look back so I'm not really sure. But my perception was when we were running, he was covering off behind me to the left, but I didn't look back to see him, no.

JB: Okay, but...

RB: Out of the, out of the corner of my eye I believe I saw him as we were running that he was kind of....

JB: Okay.

RB: behind me off to the left side.

JB: When you were en route to the scene, do you recall if your windows were up or down?

RB: I don't remember.

JB: Because then my next question is do you recall hearing any gunshots? Cause you were in fairly close proximity, it sounds like.

RB: I didn't hear any gunshots.

JB: Okay.

RB: And I don't remember if my windows were up or not.

JB: Okay, so you didn't physically...you didn't hear anything for yourself, but you were hearing the updates from dispatch that shots had been fired, um, and that the call was escalating quite rapidly?

RB: Yes.

JB: Okay. And that a suspect was armed with a weapon at that particular scene. So you guys were running up the street. You recall one witness, I think you said off to the west who yelled, "He just shot two people." Do you recall anybody else, any other activity in the street?

RB: As we're running up?

JB: Yeah.

RB: I can't, I, I, I remember after the shooting occurred looking around, looking for additional suspects, and a lot of people had come outside already. There were several people on the, that came out from the apartment complex across the street. I remember um, there was people that were coming out. There's another apartment complex just to the uh north of where the shooting took place. I remember seeing one or two people standing on the sidewalk over there. It felt like a lot of people came outside after uh what happened.

JB: But as you were advancing, from what you can recall, very little or no activity other than the one male who shouted, "He just shot two people"

RB: That's what sticks out in my mind, yeah. I don't remember anything else other than that.

JB: Do you recall registering anything coming from the suspect or the female that you were advancing on? Any type of dialogue? Any type of exchange between either him or her?

RB: I don't remember hearing him say anything to her, but my perception was that he had the gun to her head and he was trying to force her into the vehicle. It felt like he was holding her and he was trying to push her towards the car as we were advancing on him.

JB: Now I was out there at the scene as were you during the walk-through and the vehicle you're referring to, is it the gray colored Camaro? I think it was gray?

RB: Yes.

JB: And it's parked facing southbound in the northbound lane. Is that where the vehicle was when you came upon it?

RB: Yes. That was my perception. That he was trying to get her into that car.

JB: Okay. Do you know if the doors were open? Do you recall?

RB: I believe one or both of the doors were open. I couldn't, I can't for sure say. um...I remember seeing one of the doors open. They might have both been open. I'm not sure if, uh 100 percent on that.

JB: Okay. And you said he had her in a head lock. Do you recall what arm he used to....?

RB: So he was behind her as I'm facing him. So let's see, the gun would have been in his right hand.

JB: So the gun's in his right hand.

RB: Up to her temple.

JB: Is that the same hand that he's got her in a headlock in or does have her in the....

RB: He's got her, his left arm on her. He's behind her with the gun in his right hand, pushing the barrel up to her, her uh, to her temple.

JB: What did it, do you know what temple on her? Was it her right temple?

RB: So yeah. If he's standing behind her, she's facing me. He's facing me. He's got the gun in his right hand. So it would be, the gun would be pressed on her right temple.

JB: Okay. And do you recall at that time her saying anything? Did she see you? Do you remember locking eyes with her or any recognition from her that you were there?

RB: It happened so quick, I mean there wasn't like an extended...

JB: Right.

RB: period of time between the time I gave the first command to him, seeing the opportunity, seeing the gun and then realizing what needed to happen and, and taking a shot.

JB: And tell me again uh with as much as specificity as you can recall what your commands were to him?

RB: Uh...

JB: If you can recall?

RB: Told him to "Get on the ground".

JB: Get on the ground?

RB: Several times.

JB: And did he respond to you in any manner that you recall hearing?

RB: There was no visible response to any of the commands that I was giving him.

JB: Okay.

RB: He didn't stop what he what he was doing. He didn't...

JB: Did he yell at you? Threaten you? Point the gun at you?

RB: I don't remember hearing him saying anything and when I saw the gun it was pressed up to her head.

JB: Okay. Uh and at some point you said their heads were kind of mirroring one another so they were pressed up against one another. But at some point there was a shift where he, you thought he may have pushed her to get her into the vehicle, where there was a separation and you had what you felt was a clear shot. Is that correct?

RB: Yes.

JB: And so your clear shot was a head shot?

RB: That was the only part of his uh body that was in front of me would have been his head. Cause he was standing behind her, uh...

JB: So she was acting somewhat as a shield between...

RB: She was directly in front of him.

JB: Between you and him?

RB: Yeah.

JB: Okay.

RB: Between he and I.

JB: Okay. Um, hold on a sec. Do you recall after you fired that one shot, did you clear the chamber and rack another round?

RB: I didn't.

JB: No?

RB: And it's weird. I don't know why I didn't. But I didn't.

JB: Would that be your practice?

RB: Yeah.

JB: Okay.

RB: I mean I don't...I've got no explanation for it other than I don't know why I didn't.

JB: And then after, I know you stood uh over the suspect, trying to get cover and all those things. At some point medical aid was rendered?

RB: No.

JB: Did anybody render any type of medical aid to the suspect?

RB: No.

JB: Medics were called in at some point?

RB: Medics were there and they went to the other victims that were behind us.

JB: Do you know...did a medic or any type of fire personnel in your presence make contact with the suspect?

RB: No. I directed them around him.

JB: Okay.

RB: Because the gun, they almost stepped on the gun and they were trying to get to uh the other people that had been shot.

JB: Okay.

RB: And they, uh the one fireman I believe almost stepped on the gun. I had to tell him, "Hey, you know, the gun's right there. I need you to go around him."

JB: Okay. Okay. Lieutenant, do you have any questions?

MH: Um, did he appear to be obviously dead to you?

RB: Yes.

MH: Okay. Um, why, why did you shoot him?

RB: I believed, uh, we were at the, the juncture that, I believed he had already shot at least one person. It appeared he was trying to take her, as a hostage or bring him with, uh bring her with him. He was holding a gun to her head. And I felt like, now he knows that we're here, he's either shoot her, shoot me or shoot uh my partner. And I felt, I felt like her life was obviously in imminent danger. So I acted to save, save her and then also us from being shot as well.

MH: Do you think he knew you were a police officer?

RB: I believe so.

MH: Okay and uh just, just uh, for the tape, you're in full uniform right now, San Diego Police Department uniform and that's what you were wearing at the time of the incident?

RB: This is what I was wearing at the time of the incident, yes.

MH: Uh, did you, were you equipped with a body worn camera today?

RB: Yeah. I was wearing my body camera. I activated it uh on the way to the call.

MH: Before you arrived?

RB: Um hmm.

MH: Okay. And you had an opportunity to view that before the interview today?

RB: I did.

MH: Okay.

JB: All right. We're gonna conclude the interview at this time. It's zero...

RP: Before, before we go off record...

JB: Oh, I'm sorry.

RP: I, I...

JB: Mr. PINKARD.

RP: You asked a question and, and the Lieutenant asked the question that I want to put those two questions and answers together. The reason that you did not render first aid to the suspect was why?

RB: A couple of reasons. I believed that when the round impacted him where it did, it was a central nervous system hit. So that would have went at the distance we were at, with a Remington 870 shotgun and the ammo that we used, it's basically coming out like a slug

at that distance. So he basically got hit with a slug round from about ten feet away, right under his eyes. So the chance of surviving that is probably gonna be slim to none. Uh when he hit the ground, he never moved again. There was no....I've been on other shooting scenes where people were shot. Even shot in the head and they're moving. You know, they're...you can see them breathing. You can hear them breathing. There was no movement. His, he, where he landed was where he stayed and I couldn't see any, you know, chest rising. Anything like that. Secondary concern, I'm not really sure what type of first aid I could give him that would have been too effective for a gunshot wound to the face from a gunshot at that range. Secondary concern, I didn't know if there was another shooter. I mean we had people down. I knew it was just me and my trainee there. Third concern, I'm there with my shotgun. I don't know where to put it down. I don't know if there's still other guys, other suspects that need to be addressed and I didn't want to set my shotgun down and, you know, with this, I have tourniquet and some, you know, some basic equipment but, uh, you know, I, I didn't know how much you could really do for the guy anyways at that point.

MH: Okay.

JB: Perfect. And you just brought out the distance at 10 feet. I hadn't asked you uh, the distance between the two of you. Estimate 10 feet? Is that what you...?

RB: Very close. Like from here to the wall, you know?

JB: Okay. And when you say with that round, it kind of comes out as a slug. Is that because the pellets don't have time to expand and float and create the pattern that a typical shotgun round would?

RB: Yeah the, with the, the rounds that we carry, it has a flight control wadding. So at a close distance, there's literally no expansion. It's just gonna be one hole. And I remember looking down at him on the ground and I saw one hole. One solid hole. No additional pellets. It was just one hole right, basically right under his eye. And uh, you know, I believed him to be deceased.

JB: Okay. Perfect. It's 0241.

**JUAN FERNANDEZ SOCIAL MEDIA FOLLOW UP:**

On November 13, 2016 at about 2150 hours, I received a group text message from Acting Sergeant Jana BEARD #4807. A/Sgt. BEARD directed me to respond to the area of 3800 Marlborough Avenue to assist in an officer involved shooting incident.

I arrived on scene at approximately 2225 hours. At 2349 hours, I attended a briefing conducted by Patrol Sergeant Sylvia YEPIZ #4986. During the briefing I essentially learned that Juan Carlos FERNANDEZ confronted his ex-wife [REDACTED], her new boyfriend [REDACTED] her parents ([REDACTED] and [REDACTED] and her grandfather [REDACTED]) in the street and courtyard area in front of her parent's home while armed with a gun.

[REDACTED] ultimately shot each member of the [REDACTED] family, mortally wounding [REDACTED] and [REDACTED]

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO encountered [REDACTED] in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered FERNANDEZ to drop the weapon. FERNANDEZ ignored the commands and threatened to kill the officers and [REDACTED] Officer BAINBRIDGE fired one round from his Remington 870 shotgun at FERNANDEZ, killing him.

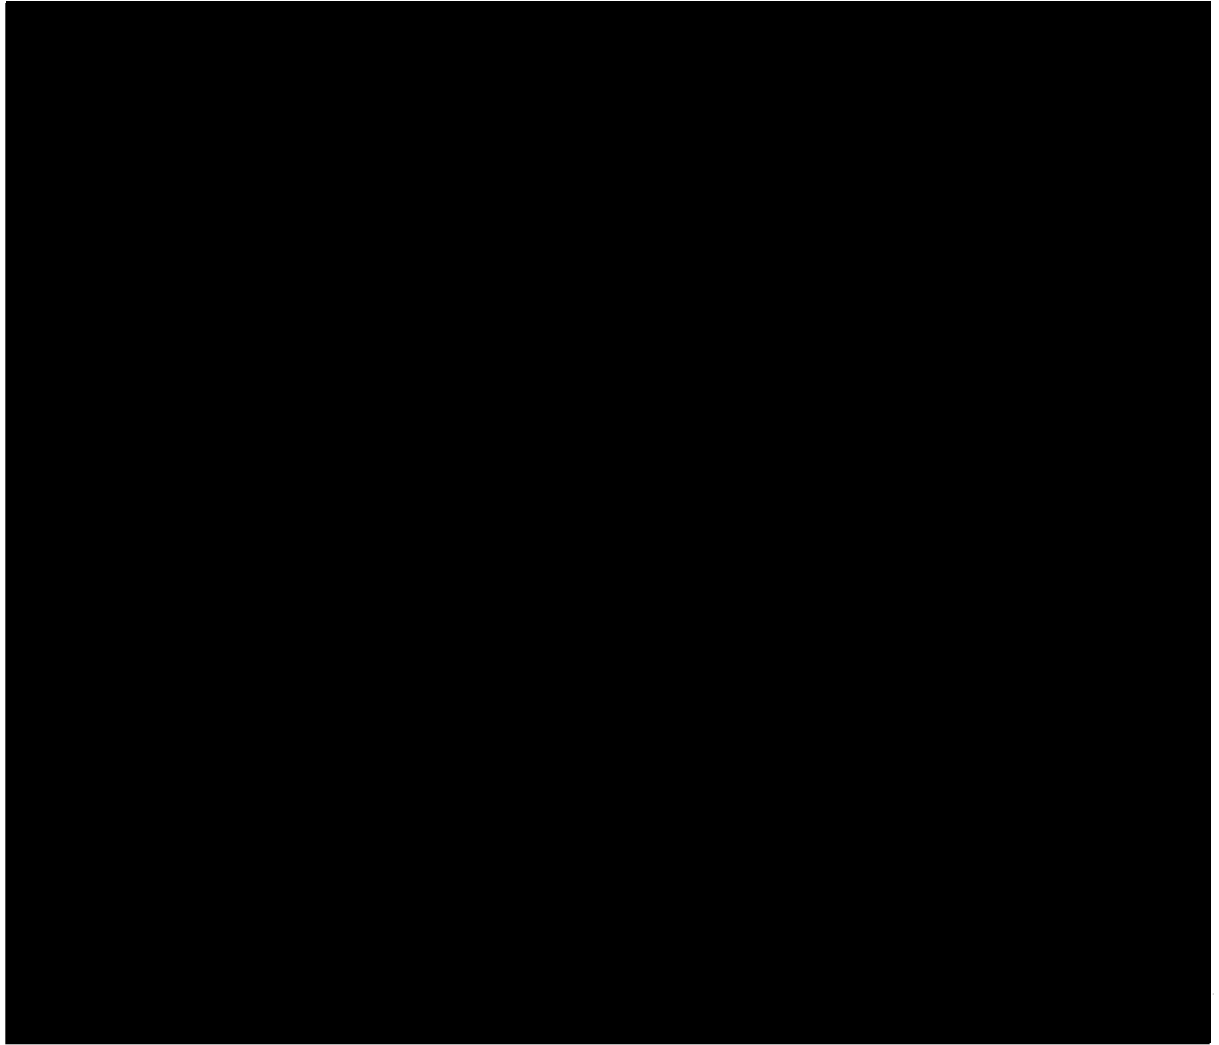

Subsequent investigation of Juan Carlos FERNANDEZ was conducted, and Detective ALLISON identified his Facebook account and submitted a preservation letter to Facebook to preserve the data on the account.

On November 16, 2016, Detective ALLISON obtained a search warrant (#53201) for Facebook records on Juan FERNANDEZ' account and submitted it to Facebook.

On December 12, 2016, Detective ALLISON received the account records from Facebook via email/internet and saved them to a CD. Detective ALLISON and I reviewed the Facebook records and noted the following items of interest:

Officers BAINBRIDGE and ROSARIO encountered FERNANDEZ in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered FERNANDEZ to drop the weapon. FERNANDEZ ignored the commands and threatened to kill the officers and [REDACTED]. Officer BAINBRIDGE fired one round from his Remington 870 shotgun at [REDACTED] killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct the scene investigation.

During the course of the investigation, I spoke with FERNANDEZ' sister, [REDACTED] over the telephone to inquire about his cell phone. She told me he did have a cell phone at the time of the incident and she assumed it was in the possession of the police because she had not been able to locate it. She told me FERNANDEZ was living with her at the time of the incident and sharing a bedroom with her son. [REDACTED] told me she looked throughout her home, including the bedroom FERNANDEZ shared with her son, and had been unable to locate FERNANDEZ cell phone. She told me his cell phone number was [REDACTED]

On December 6, 2017, Honorable Judge Charles ROGERS issued a search warrant (#53342) for the phone records of Juan FERNANDEZ (phone number [REDACTED]). On December 8, 2016, I received the requested records from Sprint.

Over the next several weeks, I reviewed the records and attempted to identify the account holders of the various phone numbers in the call detail records. While reviewing the records I located phone number [REDACTED], which I was able to determine belonged to [REDACTED]. I later conducted one interview with [REDACTED] and Detective BUROW and I conducted a second interview with [REDACTED]. See my report and Detective BUROW'S report on [REDACTED] for further details.

My brother was doing well. He was working as an unarmed security guard. I think his shift was 2 to 1030 pm. He had Sundays and Mondays off. I don't know the name of the company.

No, he was not depressed. I just saw him last night. He was here from 4 pm until 9 pm. Then he took a shower and left the house. He seemed happy. I didn't ask him where he was going and he didn't say where he was going. I had no idea he had a gun. I have never seen him with a gun and he does not carry a gun with his work.

He seemed normal. He has a new Camaro, I think it's blue. His phone number is [REDACTED]. I can't believe he did this, this is terrible. He could have talked to me, I have been through divorce too. I had no idea he was having trouble.

[REDACTED] had no further information and I concluded the interview. The interview was not electronically recorded.

On November 14, 2016, at 0038 hours, I went to the residence of [REDACTED] and interviewed him outside his residence. I captured the interview on a digital recorder. [REDACTED] essentially told me the following:

Statement of: [REDACTED]

*I was in my house. I heard yelling and screaming. I could not tell what they were saying. It sounded like they were fighting. I could hear females screaming and sounds like people were hitting each other. I came outside and looked across the street. I saw all this activity going on over there. I was at my front yard gate watching. I could see a big group of people over there running around in circles.*

*Another man walking by on the sidewalk (indicated southbound 3800 Marlborough Avenue, west sidewalk) said, "He has a gun!" The man walking was just some passerby. He was across the street watching and then he come over this way. I don't know who he was, and he just kept walking south. He was an older man.*

*The group fighting was over in the front parking area of the apartment building across the street (indicating the area of the crime scene).*

*My brother, [REDACTED] was inside our house and he was coming outside. I told him to stay in the house because a person had a gun in the street. I could not see the person with the gun.*

*So I went back into the house. As I was going back inside the house, I heard the bang, bang, bang. I heard it three times. I went back outside through the back door of my house, walked back up to the front yard of my house, and hid behind the palm tree (indicated in the front yard of his residence).*

*That is when I saw the first two officers on scene. They parked down there (indicated the north east corner of Marlborough Avenue and Wightman Street). One officer was taller and had a bald head. He was carrying a shotgun and the other officer was shorter.*

*I think the taller officer went towards the right (indicating towards the east side of the street) and the other officer went towards the left (indicating the west side of the street). I heard the shorter officer say "Freeze! Freeze! Freeze!" That's when I saw that guy with the gun in his hand turn the gun and aim it at the lady's head. When the officer arrived, I went out my front gate and walked up the sidewalk a short distance. I had a clear visual of what happened.*

*I saw the guy had a lady in kind of like a horse collar hold. [REDACTED] demonstrated by putting his left arm bent at the elbow around someone's neck). When he aimed the gun at the lady, the officer shot him. I saw the gun blast and the guy dropped. The lady went back towards the car over there (indicated the suspect's Camaro). I think it was the shorter officer with the pistol that shot the guy. The shorter cop went towards the lady to help her I think. It happened really fast. I think the guy (suspect) was facing west and the officer was facing east when he was shot. They were right where he (suspect) is laying now.*

*The officer with the handgun was facing east. He was on the west side of the man with the gun. The officer with the shotgun was over there (indicated to the east side of the street). I did not see where he went. It was the officer with the pistol that shot him. The man was trying to drag her away, and she was screaming like she was in pain.*

*The tall cop came and stood over the gun that the bad guy dropped. It happened in like thirty seconds. They ran up the street and bang. Then the other cops came.*

*My brother [REDACTED] never saw it happen. He stayed in the house and came outside after asking me what happened.*

**SUBJECT INTERVIEWED:**

[REDACTED]

**WITNESS STATEMENT:**

On November 13, 2016 at 2150 hours, A/Detective Sergeant Jana BEARD #4807 directed me to respond to 3800 Marlborough Avenue to assist with a shooting death investigation our homicide team was being assigned to investigate.

Once the entire homicide team had assembled, Mid-City Patrol Sergeant Sylvia YEPIZ #4986 provided us with a briefing where she outlined the circumstances of the incident, as it was known at the time. The briefing began at 2349 hours, and concluded at 0030 hours. At the conclusion of the briefing, A/Sergeant BEARD instructed me to interview various identified witnesses.

At about 0115 hours, Detective Jim HAWKSLEY #3770 and I met with [REDACTED] [REDACTED] who was waiting to be interviewed next to parked cars north of Wightman Street, on Marlborough Avenue. [REDACTED] was standing by with her Aunt, [REDACTED] her Uncle, [REDACTED], and her Grandmother, [REDACTED].

Detective HAWKSLEY and I introduced ourselves to the family and asked if they would be willing to join us at Mid-City Division so we could interview them. The family agreed and I transported [REDACTED] and her Grandmother [REDACTED] to Mid-City Division, while Detective HAWKSELY transported [REDACTED] Aunt and Uncle.

I interviewed [REDACTED] [REDACTED] and Detective HAWKSLEY interviewed [REDACTED]. [REDACTED] and [REDACTED] were not interviewed on this occasion because both are Spanish speakers only.

Beginning at 0157 hours, my interview with [REDACTED] [REDACTED] started. While speaking with [REDACTED] I observed spots of apparent blood transfer staining on her green long sleeved sweatshirt. [REDACTED] told me this was blood from her Uncle, [REDACTED] [REDACTED] that transferred onto her when she was applying a towel and pressure to his injury.

The interview was audio recorded in its entirety and lasted approximately thirty minutes in length. In essence, [REDACTED] [REDACTED] told me the following, in response to the questions asked of her.

I currently live with my Grandmother and Grandfather ([REDACTED] and [REDACTED] [REDACTED]) at [REDACTED] [REDACTED]. Several members of our family reside in the same apartment complex, but in three different units. My mother passed away two years ago from cancer, which is why I live with my Grandparents. I just turned [REDACTED] a few weeks ago.

[REDACTED] [REDACTED] is my Cousin. Her ex-husband is the person who shot several members of my family this evening. His name is Juan (*FERNANDEZ*). [REDACTED] and Juan used to be married. They were only married for about one year and they separated last year, around November of 2015. It's my understanding that [REDACTED] wanted to be divorced from Juan but Juan did not want to be divorced from [REDACTED] and that caused some drama.

[REDACTED] began a new romantic relationship with her current boyfriend, [REDACTED] in about January of 2016. I believe [REDACTED] and [REDACTED] have an active restraining order against Juan. [REDACTED] obtained the restraining order because Juan would always try to talk with her and she didn't want to see him anymore.

I have seen Juan visit the apartment complex where we live and I have seen Juan and [REDACTED] arguing before. I have never personally observed either of them become physically violent with one another.

When Juan and [REDACTED] initially separated, Juan would come by the apartments often, but now, not as much. When Juan would visit the apartment complex he would usually visit with my Aunt. About two months ago, Juan came to the apartment complex and showed us his new Camaro. Juan was considered part of our family, even after he and [REDACTED] separated. Juan would refer to my Grandmother as "Abuelita."

My Uncle, [REDACTED] [REDACTED] would always tell Juan to back off and stay away from [REDACTED] but Juan would always continue coming back. My Uncle is the person Juan shot in the back of the head this evening. My Uncle did not hate Juan and Juan did not hate my Uncle. It's just that [REDACTED] was my Uncles daughter and he wanted Juan to let her be.

I think Juan and [REDACTED] were both violent with each other. I never personally observed physical violence between them but their relationship seemed violent. I wouldn't say one person was violent and the other was not. They have similar attitudes and I think they would both hit each other, although I never personally saw hitting occur.

From what I know, Juan came to the apartments this evening. [REDACTED] was outside and she had told her current boyfriend, [REDACTED], to come pick her up. When [REDACTED] arrived, he and Juan got into a fist fight. I do not know why Juan came to the apartments this evening, but I know he and [REDACTED] fought each other.

I was upstairs in the apartment with my Grandmother. My Grandfather was already outside, downstairs when the fight between Juan and [REDACTED] occurred.

I heard a commotion outside of the apartments so I stepped out and saw chaos. Everybody was screaming. I heard my Cousin, [REDACTED] yelling, "He has a gun!" [REDACTED] lives directly next to our apartment and she was watching the chaos from her apartment and yelled out, "Juan has a gun."

I looked downstairs from my balcony and I saw everyone in the parking lot of the apartment complex arguing. Besides seeing Juan, [REDACTED] and [REDACTED], I saw cousin, [REDACTED] [REDACTED] who is the sister of [REDACTED], my Aunt [REDACTED] and Uncle [REDACTED], my Uncle [REDACTED], who is the father of [REDACTED], and my [REDACTED], [REDACTED] [REDACTED].

I saw people chasing each other but at the time I could not determine who was chasing whom. I later learned it was Juan chasing [REDACTED] around parked cars. I saw fighting.

My Grandmother came outside and asked me what was going on. I told her to stay inside of the apartment because Juan had a gun. My Grandmother ran down the staircase and I followed her. At this time, I had not heard any gunshots. My Aunt [REDACTED] ([REDACTED] [REDACTED] was behind a pickup truck with my cousin [REDACTED] was calling 9-1-1. I believe [REDACTED] was on the phone with 9-1-1 because I heard her repeating the address for the apartment complex and I heard her say, "He is trying to kill me and my boyfriend."

My [REDACTED] ([REDACTED] [REDACTED] and I are hugging [REDACTED] trying to protect her. I then saw Juan running towards us, alongside of the pickup truck we are hiding behind. I saw Juan was holding a gun in his right hand and that was the first time I actually saw the gun.

Juan then grabbed [REDACTED] by her hair using his left hand. Juan was dragging [REDACTED] away from us, towards the interior of the apartment complex courtyard, from the parking lot area.

I remember me and my [REDACTED] ([REDACTED] [REDACTED] were trying to grab onto [REDACTED] to prevent Juan from taking her into the courtyard of the apartment complex. I was yelling at Juan to "Leave her!" My Aunt [REDACTED] and my Uncle [REDACTED] were also trying to get Juan to let [REDACTED] go. Some of us were even trying to grab at the gun to wrestle it away from Juan.

The first person to be shot was my Uncle [REDACTED]. I watched Juan reach over, point the gun at him and shoot [REDACTED] in the head. The distance between them was within arm's reach when Juan shot my Uncle [REDACTED]. The shooting of [REDACTED] occurred inside of the courtyard area of the apartment complex, near the outdoor sofa and the entrance / exit gate from the parking lot. I saw my Uncle [REDACTED] fall to the ground by the sofa. Juan then began running out of the courtyard towards us. He grabbed [REDACTED] again by the hair and pulled her away from us.

I then heard a second gunshot but I did not see who was shot. I later learned it was my Aunt [REDACTED] ([REDACTED] [REDACTED] [REDACTED] mother. I saw my Aunt [REDACTED] ([REDACTED] [REDACTED] trying to pull [REDACTED] away from Juan as he was dragging her by the hair and then I heard a gunshot. That is when he shot her.

I ran upstairs to my apartment and grabbed a towel. I ran back downstairs and placed it over my Uncle [REDACTED] head, to try and stop the bleeding.

I ran back upstairs again to get more towels after I discovered my Aunt [REDACTED] ([REDACTED] [REDACTED] had been shot also.

I was helping my Uncle [REDACTED] by placing a towel on his head when I heard one or two additional gunshots. I covered my face and got some of my Uncle's blood on my face when my hands covered my face. I looked up and saw a lot of smoke. I never actually saw the confrontation between police and Juan because I remained in the courtyard with my Uncle [REDACTED].

I helped the paramedics with Spanish translation because my Aunt [REDACTED] did not speak English and she was going to be transported in an ambulance to the hospital. My Aunt [REDACTED] ([REDACTED] told the paramedics she could not breathe and at times she would slip in and out of consciousness. I kept telling her to keep fighting. The paramedics told me to tell her to keep fighting. My Grandmother was screaming the whole time.

I later saw a body in the street but I did not know who it was. I was asking where [REDACTED] was, thinking possibly it was her body. I later discovered the body in the street was Juan, who was deceased.

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO encountered [REDACTED] in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered FERNANDEZ to drop the weapon. FERNANDEZ ignored the commands and threatened to kill the officers and [REDACTED]. Officer BAINBRIDGE fired one round from his Remington 870 shotgun at FERNANDEZ, killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct witness interviews.

On November 14, at about 0149 hours I contacted [REDACTED] [REDACTED] and took her statement. I recorded the conversation for the sake of clarity and a copy can be reviewed for complete details. This is an "in essence" report and is not meant to be a word for word account of my conversation with [REDACTED]. The interview took place in an interview room at the Mid-City Police Station. The following, paraphrased, is her statement and answers to my questions:

[REDACTED] ( [REDACTED] and Juan (FERNANDEZ) have known each other since high school. They both went to [REDACTED]. They got married by the law on October 31, 2014 and then by the church on November 1, 2014. They stayed with my brother ( [REDACTED] ) for a few weeks after they got married and then [REDACTED] left because she joined the Army. They got married because she was going into the army and wanted Juan to have the military benefits of a husband. She went to North or South Carolina for training but when she came back they started to have a lot of problems. They continued to live on and off with my brother and Juan's family. They separated and [REDACTED] continued living with my brother.

[REDACTED] started working at the [REDACTED] in early 2015 where she met [REDACTED]. Juan started stalking [REDACTED]. He followed her all the time. Juan called me and told me he followed her to some apartments and he thought she was seeing someone else. Juan also stopped by and told me he had been following her around. I talked with [REDACTED] after she got the divorce papers and she told me about Juan being violent. I defended Juan because I thought he was a nice guy. [REDACTED] told me Juan would pull her hair if she didn't do what he wanted. I never saw bruises on [REDACTED] also said Juan verbally abused her. [REDACTED] told me about the abuse after getting a restraining order once they were divorced. Eventually, [REDACTED] moved out of my brother's apartment and moved in with [REDACTED]. Juan came to my apartment a couple times and talked to me about [REDACTED] but it has been two or three months since the last time he came by. The last time he came by he showed me his new Camaro and told me he had a new job and made it sound like his life had improved. He did not mention [REDACTED] during this last visit so I thought he had moved on.

Tonight I was in my apartment when my daughter [REDACTED] heard people screaming and she said, "my Uncle ( [REDACTED] ) is fighting with somebody in the parking lot". I didn't wait to see who he was fighting with. I just ran outside and my husband ( [REDACTED] ) was right behind me. I saw that it was [REDACTED] and Juan fighting in the courtyard and not my brother ( [REDACTED] ).

[REDACTED] but my brother was trying to separate them. [REDACTED] and Juan were punching each other. [REDACTED] came up to me and said, "I told you guys to stop talking to this bastard". [REDACTED] told [REDACTED] to get in the car with him so they could leave. I saw Juan go to his Camaro across the street and drive his car in front of our complex where [REDACTED] car was parked. I saw Juan was in the driver's seat reaching into the passenger side of his car and holding the car door open with his foot. [REDACTED] said, "He has a knife he has a knife". I saw my brother ([REDACTED] [REDACTED]) and sister-in-law ([REDACTED] [REDACTED]) coming from the courtyard area to where we were at in the parking area. My brother began telling Juan to calm down. I saw Juan come out of his car with something black in his hand and I heard the sound of a gun racking. I told my brother ([REDACTED] [REDACTED]) "get out of there". Juan told my brother "move I don't want to hurt you". I saw Juan get out of the car with the gun and my brother backed up. I said "Juan don't do it". Juan started chasing [REDACTED] with the gun yelling "I'm gonna kill you I'm gonna shoot you". We all moved away closer to the garages in the parking area of the complex. Juan chased [REDACTED] around the cars in the parking area and when he came by [REDACTED] he would hit her and pull her hair. My husband tried to get in front of Juan and I told him not to get in front of Juan because he would get shot. I asked Juan to stop. My parents ([REDACTED] [REDACTED]) and [REDACTED] [REDACTED] came down from their apartment. My brother ([REDACTED] [REDACTED]) tried to grab the gun from Juan and I heard the first shot but no one got hurt. My brother told Juan to calm down because the police were coming. My brother wasn't fighting with Juan he was just trying to calm him down. My brother was trying to hold Juan and that's when I heard a second shot and saw my brother fall. I tried to hold my brother's head and I could feel a mass on the back of his head, his eye was really swollen and there was blood. My Dad tried to get the gun from Juan and I saw Juan shoot my Dad but my Dad was conscious and still walking. Juan now had [REDACTED] by the hair and was dragging her away. My sister-in-law ([REDACTED] [REDACTED]) was yelling, "Don't take her leave her alone" and [REDACTED] was fighting with Juan. I heard another shot but I didn't see it because I was with my brother. I then saw my sister-in-law on the ground. I saw Juan hitting [REDACTED] as he walked her to his car. He was trying to make [REDACTED] get into the passenger side of his car and had the gun in his hand. I saw two police officers with guns and they yelled "Throw the gun" twice or something like that and then I saw Juan get shot. Juan said something back to the police before he got shot but I don't know what he said. The police fired one shot. I don't know when [REDACTED] got shot but I know she did get shot. When the ambulances arrived and started treating everyone I saw my Dad had been shot in the head.

The interview concluded at approximately 0241 hours.

**WITNESS STATEMENT:**

On November 13, 2016 at 2150 hours, A/Detective Sergeant Jana BEARD #4807 directed me to respond to 3800 Marlborough Avenue to assist with a shooting death investigation our homicide team was being assigned to investigate.

Once the entire homicide team had assembled, Mid-City Patrol Sergeant Sylvia YEPIZ #4986 provided us with a briefing where she outlined the circumstances of the incident, as it was known at the time. The briefing began at 2349 hours, and concluded at 0030 hours. At the conclusion of the briefing, A/Sergeant BEARD instructed me to interview various identified witnesses.

## Investigator's Report

I attempted to meet with [REDACTED], one of the many identified witnesses, however his apartment complex was secured and he was not answering my telephone calls. Due to the late hour, I decided to return to the scene later in the morning.

At 0940 hours, I returned to [REDACTED] home. I knocked on the door and introduced myself to [REDACTED]. I explained the reason for my presence and desire to speak with him. [REDACTED] invited into his home and I obtained his statement. My interview with [REDACTED] was audio recorded in its entirety and lasted approximately fifteen minutes in length. [REDACTED] essentially told me the following in response to the questions asked of him.

I work as a security guard at Elite Security. I finished working the Charger game yesterday and returned home later in the evening. My girlfriend, [REDACTED] and I were inside of our living room of our apartment when we heard about four gunshot coming from the north of our complex. Our patio sliding glass door is usually open, with the screen door shut, so everything going on outside, we can hear things clearly.

I recognized what I heard to be gunshots, based on my training and experience. I decided to step out of the apartment and walk from the courtyard area, towards Marlborough Avenue. I told my wife to stay inside of the apartment. As I was walking through the metal security gate door, I thought I heard another gunshot.

I stepped through the security door I noticed two uniformed police officers running northbound in the middle of the street, yelling, "Get down on the ground! Get down on the ground!" The officers were saying this several times as they were running up the street.

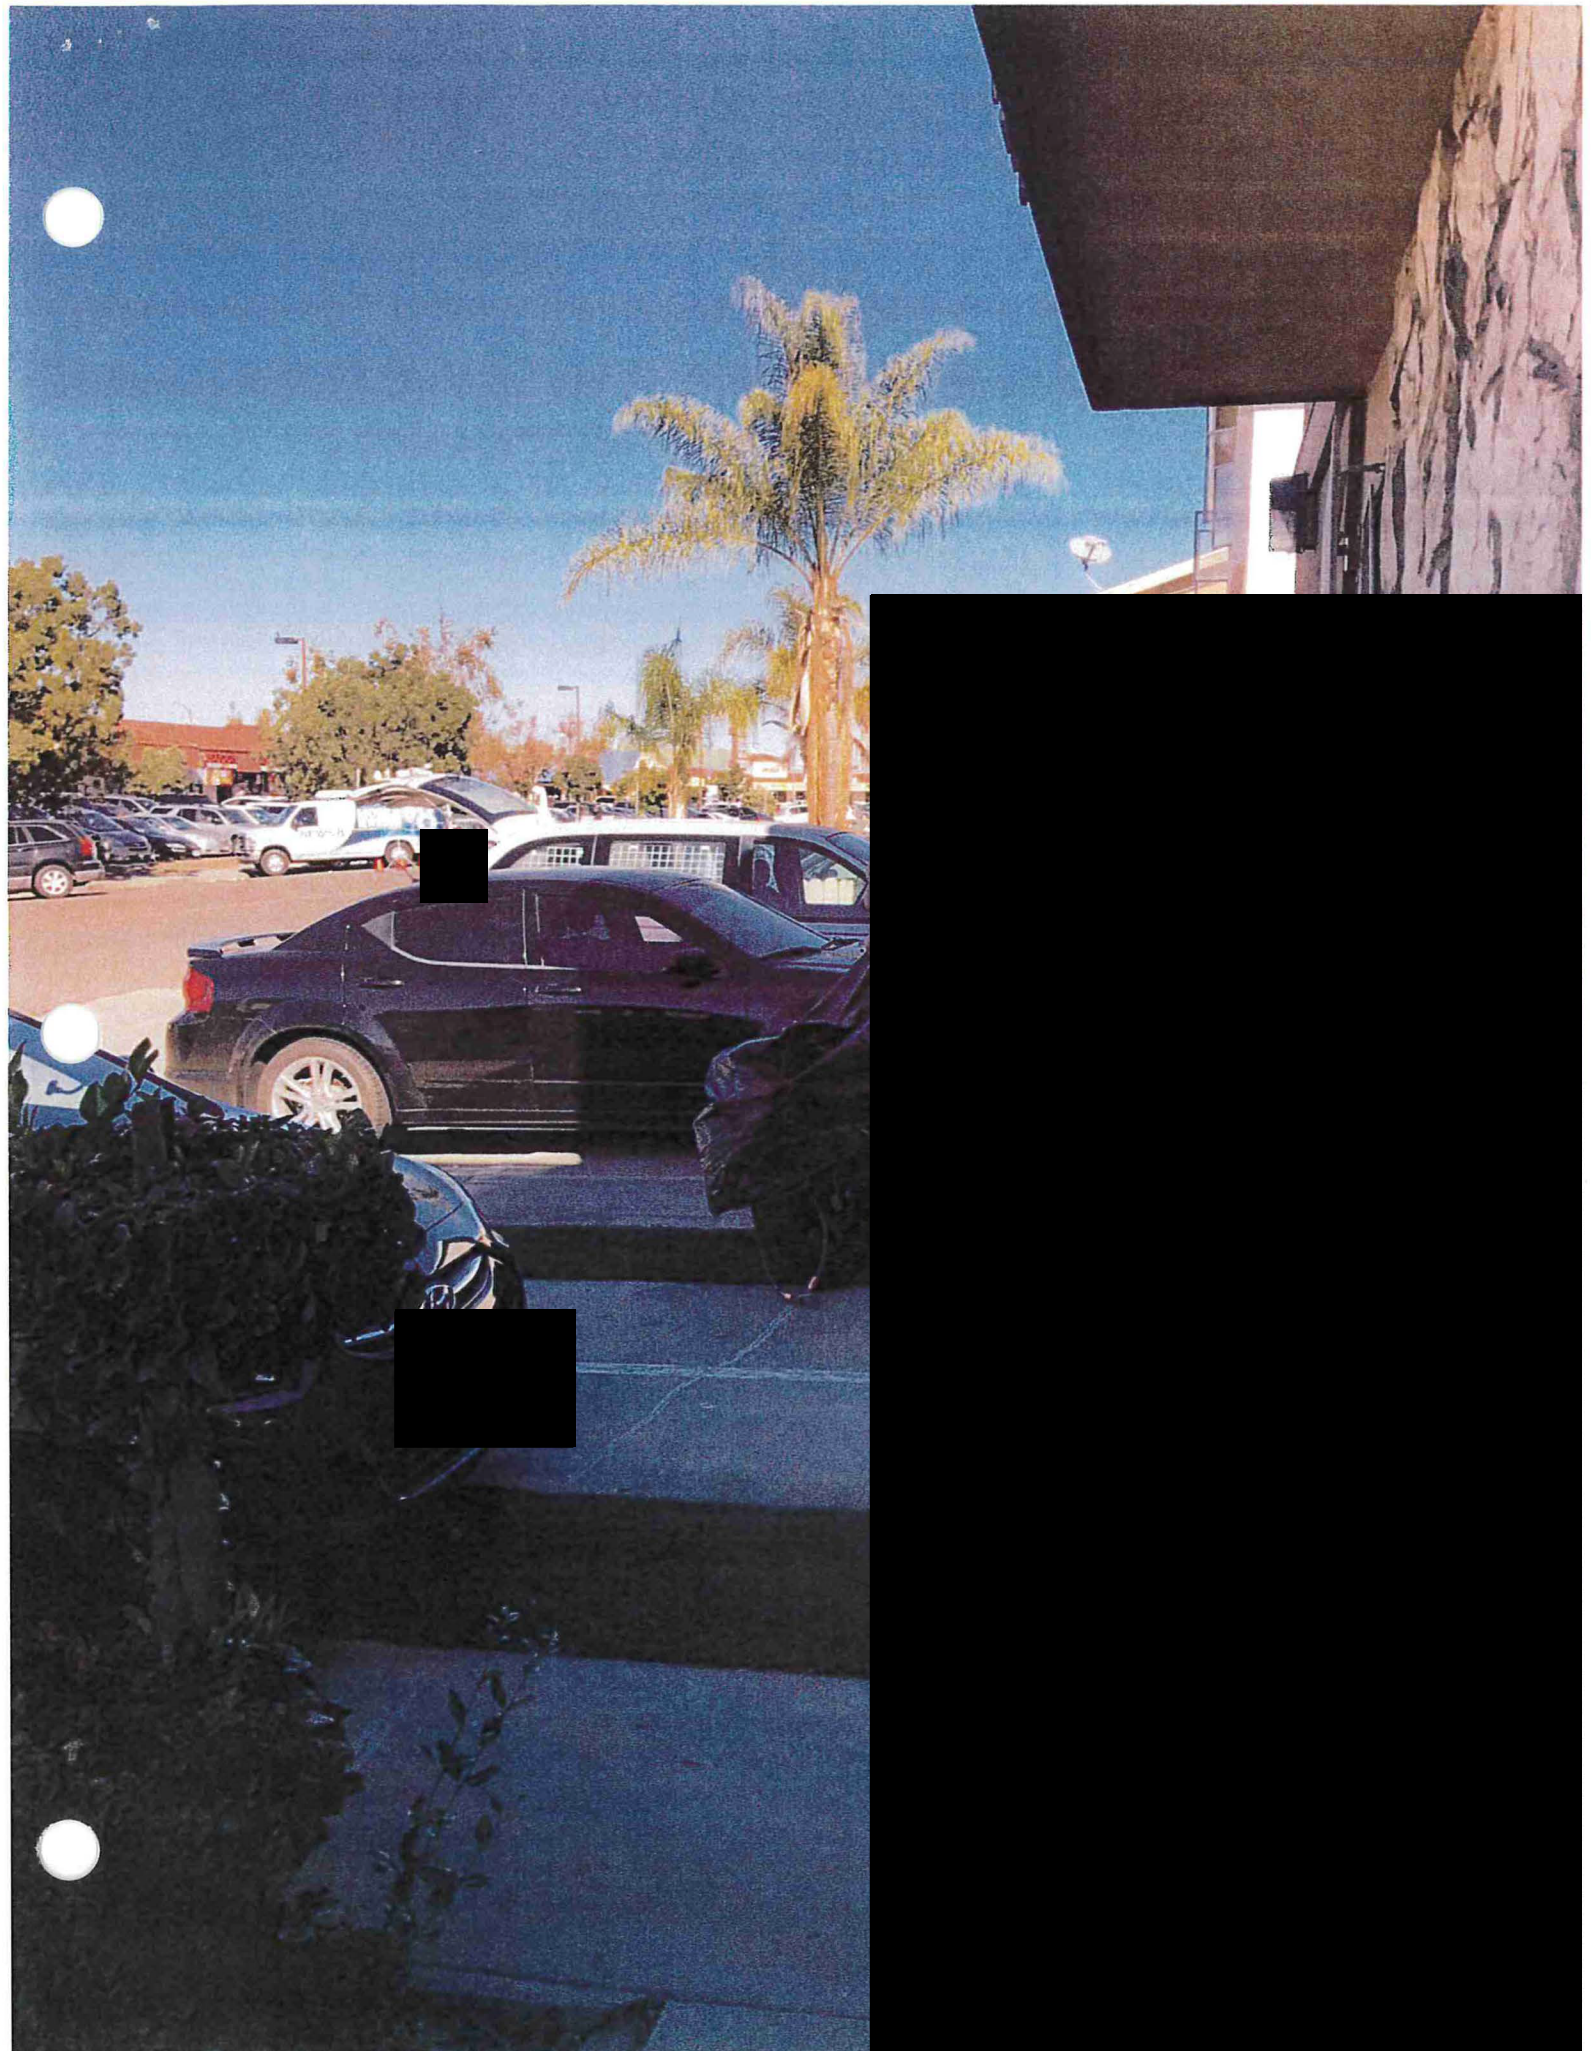

I then looked north and saw a man in the street, next to a nice looking newer car, which was double parked in the street. The male turned out to be the suspect in this case and he was responding back to the officers' demands by saying something to the effect of, "I am going to kill her and kill you!" I heard the suspect yelling something about kill a few times.

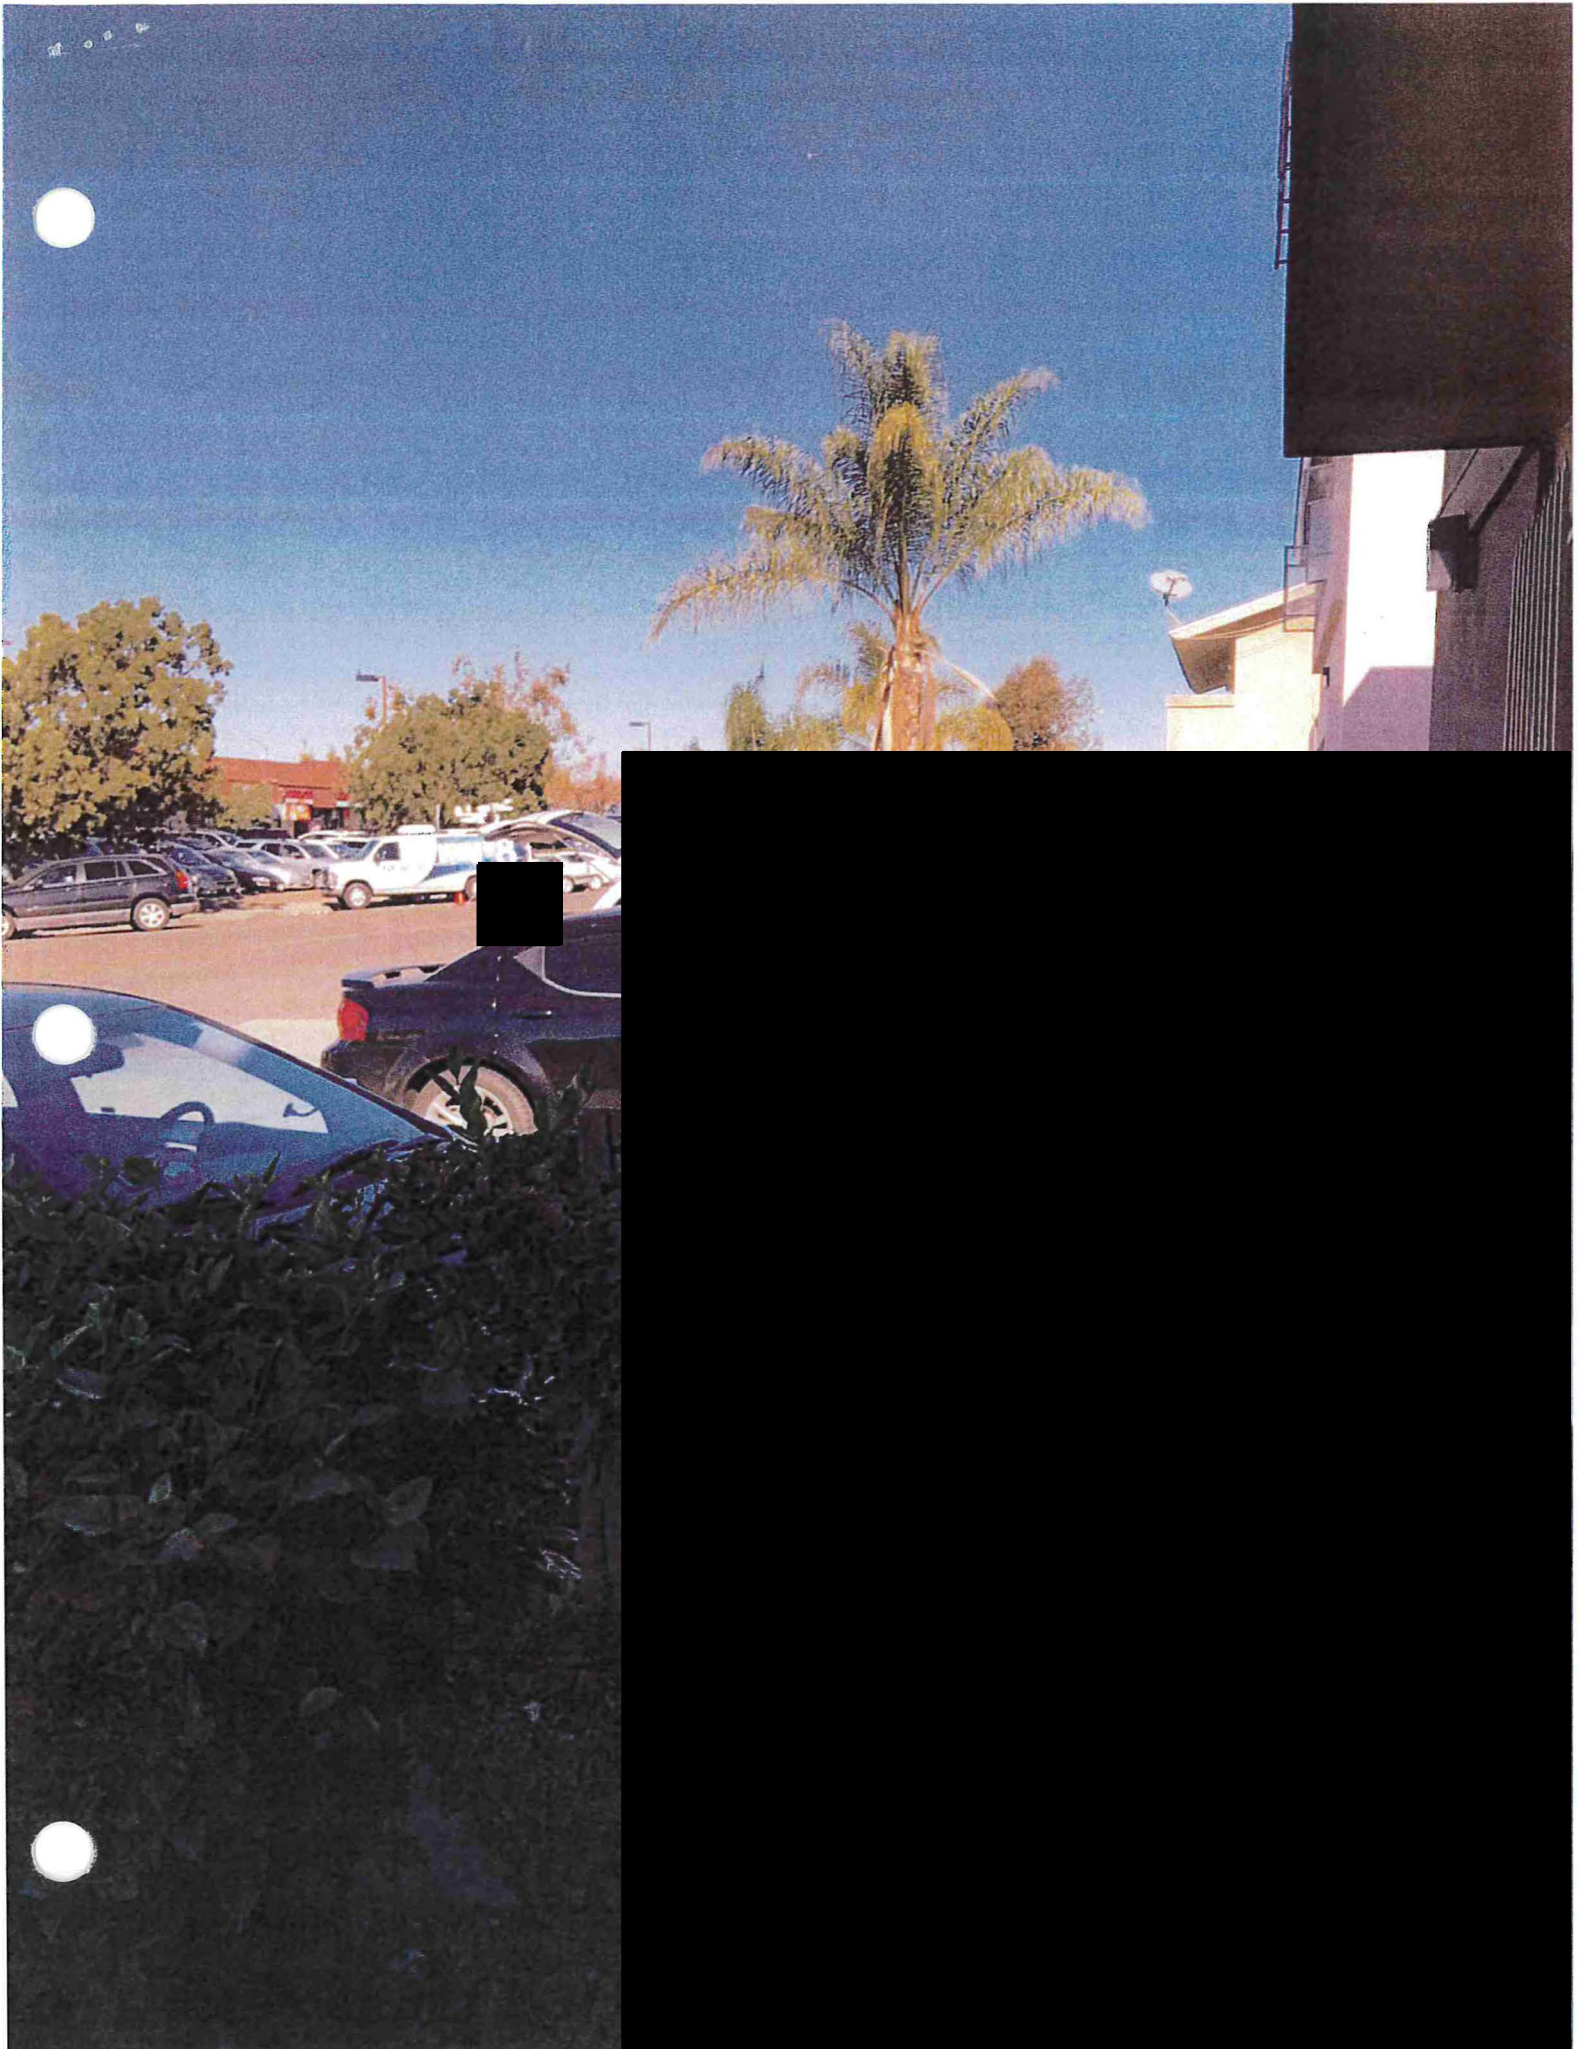

The bald headed, muscular officer was telling him to get down again and then all of the sudden he raised the gun and I heard the shotgun blast and a cloud of smoke. The gunshot was super loud and the officer killed the suspect with one shotgun round.

Another kid was running around yelling, "Oh my God! He shot him in the face!" I decided to go back inside of the apartment.

-Interview concluded

At the conclusion of the interview, [REDACTED] walked me to the area he was standing when he witnessed the officer involved portion of this incident. I took two photographs to depict the area from his vantage point. (See attached)

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct witness interviews.

On November 14, at about 0257 hours I contacted [REDACTED] and took his statement. I recorded the conversation for the sake of clarity and a copy can be reviewed for complete details. This is an "in essence" report and is not meant to be a word for word account of my conversation with [REDACTED]. The interview took place in my vehicle in the 3800 block of Marlborough Avenue, San Diego, California. The following, paraphrased, is his statement and answers to my questions:

*I met [REDACTED] around October of last year. I met her at the Old Town Mexican Café where we both worked. She told me she was recently divorced. [REDACTED] quit after a couple months but I have been working there for about four years. She wanted to move in with me so I talked to her parents about it and they said it would be okay.*

*About four months ago Juan showed up at my door. He said he wanted to talk to me about [REDACTED]. I put some shoes on and went outside to talk to him. I told my brothers [REDACTED] and [REDACTED] about it before I went out to talk to Juan. Juan told me he wanted to save his marriage and that he knew she had been coming to my place. Juan told me he was trying to become a sheriff and the restraining order [REDACTED] put on him was causing problems with him getting a firearm. The police showed up because my brothers called them. I do not know how Juan knew where I lived. I called [REDACTED] and told him Juan came to my house and we agreed that he must have been following her. Other people I work with also told me they have seen [REDACTED] fighting with Juan at the restaurant.*

*On September 30th (2016) we went out to a restaurant (Cantina Mayahuel – 2934 Adams Avenue) to celebrate [REDACTED] 21<sup>st</sup> birthday and Juan stalked us. I parked my car in the back of the restaurant. [REDACTED] did not have her identification so they would not let her drink in the restaurant. We decided to leave and when we got in my car [REDACTED] said she saw Juan ahead of us. [REDACTED] said Juan was covering his face as he walked away. I turned on the car and tried to take off but the left rear tire was popped. I called police (incident #16090051812) and they came out and I told them the situation and they saw the stab on the tire. The police said they couldn't prove Juan did it so they did not do anything. I changed the tire and told [REDACTED] to take me to his house. Juan lives on [REDACTED] with his Mom. I found his car parked in the back yard which was a Nissan Versa and I broke all the windows out with a brick. 30 minutes later [REDACTED] got a text message from Juan stating he doesn't live there anymore.*

*I dropped [REDACTED] off at her parents this morning around 8:30 and went to work. I drop [REDACTED] off here at her parents before I go to work each day. I got off around 4 and went to a friend's house [REDACTED] started texting me to come pick her up shortly after I got off work and she seemed irritated that I was out with*

*friends. She called me around 8:30 (pm) or 9 (pm) and told me I needed to come pick her up. I was only ten minutes away because I was on [REDACTED] so I drove straight to her parents.*

*I got there and [REDACTED] came up to me and said "Juan's here you better beat his ass because he's been harassing me he's been stalking me". When I got here I saw his Camaro parked in the parking lot across from [REDACTED] parent's apartment complex facing the apartment complex. Juan was standing outside of his car arguing with [REDACTED] father. I went up to him and said "let's do it" and we started fighting. [REDACTED] her father, her aunt and Julian were watching us fight. We punched each other a couple times and he realized I was too much for him to handle. He went and stood next to his car and I picked up a bottle from the ground and threw it at his windshield and broke the windshield. The bottle smashed onto the pavement of the parking lot. We walked over to the parking area of [REDACTED] parent's complex and I told [REDACTED] to get in my car so we could leave. Juan drove his Camaro out of the parking lot and stopped in the middle of the street in front of us. He got out of the car with a gun, pointed the gun at me and started chasing me. I ran down the street and cut between some apartments across the street. I came out into the alley across the street from [REDACTED] complex and I looked back and saw Juan wasn't chasing me. I heard two gunshots and then one loud gunshot. I walked back to the complex and I saw [REDACTED] her parents and Juan on the ground and realized they had been shot. I could not hear any of the verbal exchanges that took place when I was in the alley.*

The interview concluded at approximately 0322 hours.

Officer BAINBRIDGE ordered [REDACTED] to drop the weapon. [REDACTED] ignored the commands and threatened to kill the officers and [REDACTED]. Officer BAINBRIDGE fired one round from his Remington 870 shotgun at [REDACTED] killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct the scene investigation.

During the investigation, on November 16, 2016, Honorable Judge Charles ROGERS issued a search warrant #52301 for the phone records of Juan Carlos FERNANDEZ, phone number [REDACTED]. On December 8, 2016, I received the records from Sprint for FERNANDEZ's phone. I spent several days reviewing the call and text log from the records. I conducted computer records checks on the phone numbers FERNANDEZ had contact with and attempted to identify who each of the phone numbers belonged to. There were fourteen text messages between FERNANDEZ and phone number [REDACTED] between September 19, 2016 and October 31, 2016. I conducted a computer record check and determined the phone number, [REDACTED] belonged to [REDACTED]. I conducted a computer records search of the name [REDACTED]. I located a male with the date of birth of [REDACTED] and California driver's license [REDACTED].

I then conducted a search of Facebook for the name [REDACTED]. I found a page with the account name of [REDACTED] (account: [REDACTED]). The photos on the account page appeared to be the same person in the driver's license photo of the [REDACTED]. I had located with California driver's license [REDACTED]. The Facebook page was not set to private and I was able to scroll downward through the page to see [REDACTED] past postings. On November 16, 2016, [REDACTED] posted, "The shooting in east daygo where da cops shot and killed a man was my co worker. WTF." FERNANDEZ was shot and killed by Officer BAINBRIDGE on November 13, 2016. I believe [REDACTED] was referencing FERNANDEZ in his post on November 16, 2016. During our investigation we became aware FERNANDEZ had worked as a security guard. Based on the post by [REDACTED] on November 16, 2016, it appeared FERNANDEZ was a coworker of [REDACTED].

On December 28, 2016, Detective BUROW and I went to the address listed on [REDACTED] driver's license, [REDACTED]. No one answered the door. I left a business card at the address requesting [REDACTED] call me. Later that day, [REDACTED] called me. We set up a tentative date to meet, Tuesday, January 3, 2017. On January 3, 2017, I called [REDACTED] and set an appointment with him to speak with him the following day at his work at 1000 hours.

On January 4, 2017, at approximately 1000 hours, I met with [REDACTED] at [REDACTED]. After I spoke with [REDACTED] I spoke with his supervisor, [REDACTED] at approximately 1013 hours. The interview with [REDACTED] was digitally recorded in its entirety. For complete details of his statement, refer to the CD containing the complete audio recording. The following is a synopsis of my interview with [REDACTED].

He started working here around September. He was working here only about two months. He wasn't a regular. He was here until we could get a permanent fill in. I had a lot of open shifts at the time. We are contracted through a private security company. He works for the same company. He was brought on to assist us until we got permanent officers.

The company is called [REDACTED]. At the time it was [REDACTED]. The general manager is [REDACTED]. His phone number is [REDACTED].

I heard he was friends with other people here. I was his supervisor. I didn't want to get too close with him. I know on a couple of occasions he was a little aggressive. Verbally aggressive with the tenants. I tried talking to him about it. I has some issues with him, ongoing issues, about his behavior. We are right next to [REDACTED] so we have to work with them and their security. Also with [REDACTED]. They do a lot of work with the [REDACTED]. There were a couple of situations that he was too aggressive. We were supposed to make sure that only [REDACTED] would have access to [REDACTED]. He would go so far as to make sure they were wearing their badge around their neck. I told him as long as they had a badge, to let them through. He argued they were supposed to have it around their neck. I told him it was okay, just to let them go when they showed their badge.

I know another situation was when we had a drug individual that came in through our lobby. The guy was about 6'3". He was a big tall guy. Luckily another guard came into to help but FERNANDEZ was standing right in front of the guy trying to force him not to come through. FERNANDEZ was telling him he wasn't going to walk through and the guy was asking him what he was going to do. I had to talk to him about that and about how we go about making sure people are following the rules, to be friendlier.

I didn't know anything about his personal life. I tried not to get too friendly with him. He was a lot. He always had an excuse like traffic or there being an accident. He would check in and I would ask him how he was doing. He would always say he was tired. I asked him why he was tired and told him he was only twenty-two. He told me he had a lot going on. I said okay. He never did bring up any personal conversations with me.

He was mostly friends with the janitorial team, mostly the females. He tried to get closer with the females. I heard that he would communicate a lot with one of our night time janitor supervisors, [REDACTED].

The security team is all guys. I don't think he talked to too many of us. He was also friends with the parking attendant, [REDACTED].

On the security side, I don't think there was anyone he really talked to. Maybe, [REDACTED] a female security officer. When he first started she worked with him. I got text messages from him saying he couldn't work with her. He said she was too bossy and rude to him. He said he knew what he was doing.

I do not own any firearms. Juan never asked me about any firearms. We are not armed security guards. Some of us, like [REDACTED] ([REDACTED] is certified to be an armed guard. We do not allow weapons here though.

I concluded the interview with [REDACTED] at approximately 1022 hours.

In essence, [REDACTED] told me the following, in response to the questions asked of him.

This evening I was driving home after visiting my grandmother at the church located about two blocks north of where the shooting occurred. I met my grandmother at the church and gave her money so she could play bingo tonight with her friends at the church.

I left the church in my [REDACTED] and traveled southbound on Marlborough Avenue. I was on the phone with my girlfriend, [REDACTED]

I was stopped at the traffic light at University Avenue and Marlborough Avenue when I heard two gunshots fired in the area. I immediately recognized the loud bangs as gunshots. I also heard police and or fire department sirens in the area.

Instead of making the turn onto University Avenue, I decided to keep driving southbound on Marlborough Avenue, to avoid the drama of whatever was going on. I did not actually think the shooting was occurring on Marlborough Avenue, but I soon discovered it was occurring right in front of me. I told my girlfriend I had just heard two gunshots and I would call her back, then I ended the call with her. I later looked at my phone and saw my telephone call with [REDACTED] terminated at 2113 hours.

As I continued driving southbound on 3800 Marlborough Avenue, I noticed a newer model, dark colored, Chevrolet Camaro double parked in the roadway. The Camaro was facing Southbound but was obstructing the northbound lane of traffic.

As I drove closer, approximately three apartment complex buildings north of where the Camaro was parked, I noticed a man beating a women and trying to get her into the passenger seat of the Camaro.

At first I thought they were fighting each other in the street but as I got closer, I realized the man was assaulting the female and trying to get her into the passenger seat of his car. The passenger door of the Camaro was open and he was trying to push the lady into the car.

I heard the female screaming at me saying, "Help me! Help me! Please help me!" The women was literally begging for her life. I heard the male suspect yelling at the female saying, "Get the fuck in the car bitch!"

For a moment, I was thinking about pulling over and helping her, but as I drove past the Camaro I noticed the windshield of the car was shattered and the entire situation seemed a lot more serious and dangerous than your typical boyfriend and girlfriend argument. I stopped my car for about five seconds directly next to the Camaro. I saw the male kicking the female in what appeared to be an

attempt to overcome her refusal to get inside of the Camaro. The male was pushing and kicking her all at the same time. The female was resisting and trying not to be forced into the Camaro.

As I am slowly driving past the Camaro I saw the male punch the female really hard three times striking her in the face and head. The male was simultaneously grabbing the female by her hair with his other hand. Keep in mind, at this time, I did not know the man had a gun.

As I was stopped in the street, next to the Camaro for about five seconds, I then heard voices yelling, "Drop the gun!" My attention shifted from the fight between the male and female over to the voices yelling, "Drop the gun!" I looked forward and saw two uniformed officers running directly towards the front of my car. Had I driven straight, I would have struck the officers. One of the officers had a shotgun and the other officer had his handgun drawn. Both officers were yelling, "Drop the weapon! Drop the weapon!"

Once I realize the officers were advancing on the Camaro I drove around the officers and turned my car into a parking stall at the apartment complex, in front of the Camaro, to where my car was now facing east. I quickly exited my car to see what was going to happen. I was looking northwest and saw the officers give the man ample opportunity to follow their instructions to get down and drop the weapon but he did not listen.

When I got out of my car, I saw the man was holding the lady in a chokehold, with his arm wrapping around her neck. Both the male and female were standing but the man had his arm wrapped around her neck in a chokehold and he was walking her backwards away from the advancing officers, towards the trunk of his Camaro. The man had a gun in his other hand and it was pointing at the lady's head. I believe the suspect was holding the gun in his left hand. The gun was either a .40 caliber or 9mm and it was black in color and a semi-automatic style handgun. I am positive it was a .40 caliber or 9mm. It looked like a Smith and Wesson.

I heard the man say something to the effect of, "I am going to take her life away." He also said something to the like of, "If you do something to me, I am going to kill her." He was totally conscious of what he was doing because dragging the lady towards the back of the car, away from the advancing officers.

The officer with the shotgun had amazing aim. He took one shot and eliminated the threat. Initially, I thought the officer's round struck both the male and female, but almost immediately after the shooting, I saw the female was standing up.

I saw it with my own eyes, that guy died right there immediately after he was shot. Nobody is going to survive a shotgun to the face. The male suspect was shot in the face for sure.

If I had to estimate the distance between the male suspect and the officer when the shot was fired, I would say there was about ten to twelve feet distance between them.

From the period of time when I realized the officers were running up towards the Camaro to the point where the officer discharged the shotgun, I would say everything transpired in about ten seconds or less.

After the officer shot the male suspect, I walked towards the apartment complex where multiple people had been shot. I saw two people down. I saw the female's father suffering from a gunshot wound to his head and her mother was suffering from a gunshot wound to her upper back.

I went up to the mother first and knelt down next to her. I told her in Spanish, "Don't worry, everything is going to be okay. God has a plan for you." I told her to, "Breathe and continue breathing and everything will be fine." She was lying on the ground just outside of the apartment complex.

I then ran up to the father and this really got to me emotionally. He had blood covering his face and obviously had been shot in the head but there was so much blood, I couldn't tell where exactly the wound was on his head. I tried to talk to the father but he could not talk. I just heard him struggling to breathe and it was so sad. I could tell it was difficult for him to breathe. He was lying inside of the apartment complex courtyard area.

I am not sure if it was his daughter, but a younger girl [REDACTED] who was about thirteen years old, was holding him crying. I grabbed the father's hand and told him the exact same thing I said to his wife, "God is with you." I then went back over towards the mother to help her.

I saw another man holding his head and he was saying, "They killed my son." I thought he was talking about the suspect, and I was like, "Fuck yeah, your son got what he deserved."

In total, I heard two gunshots fired by the suspect while I was at the traffic light and one shotgun fired by the officer, which occurred in front of me.

attempting to kidnap her. San Diego Police Officer Ross BAINBRIDGE #6035 discharged his weapon during the standoff, striking and killing FERNANDEZ.

On November 14, 2016 at 0930 hours, I returned to the crime scene and observed a male covered in prison style tattoos, crying at the location where FERNANDEZ was killed. I approached the male and introduced myself to him. The male, later identified as [REDACTED] [REDACTED] told me he was the older brother of Juan FERNANDEZ. [REDACTED] asked me to confirm his brother was the person shot and killed by police.

I asked [REDACTED] if we could speak privately inside of his Lexus, which was parked nearby. [REDACTED] agreed and we spoke briefly inside of the Lexus. Our conversation was not recorded.

I informed [REDACTED] his brother was in fact the deceased suspect in this case. I further explained the circumstances surrounding the incident and told [REDACTED] his brother killed [REDACTED] [REDACTED] mother and attempted to kill additional people.

[REDACTED] responded by saying, "I can't believe my brother would throw his life away for a women. He is the good brother in the family. I am the fuck up. I am the one who is on Federal Parole. He is the good kid."

I asked [REDACTED] if he had any knowledge his brother was depressed or having difficulty processing the divorce. [REDACTED] told me he was unaware of any specific problems, however he did mention that their mother recently requested [REDACTED] take time to talk with his brother Juan because he was not doing well. I attempted to elicit additional information about what that meant, more specifically, but [REDACTED] chose not to elaborate.

[REDACTED] told me he his mother was concerned about Juan's wellbeing and had repeatedly been asking him to take time to talk with Juan, but [REDACTED] did not make time and disregarded her requests.

[REDACTED] appeared to feel very guilty and sad about not taking the time to help his brother.

I provided [REDACTED] with my business card which included my contact information. [REDACTED] provided me with Juan's mother and father's names as well as their address for additional family notifications.

On November 14, 2016, at 0105 hours, I went to the residence of [REDACTED] and interviewed her inside her residence. I captured the interview on a digital recorder. [REDACTED] essentially told me the following:

**Statement of:** [REDACTED]

*I was inside my house sitting in my chair. I heard a lot of yelling. I heard it earlier and thought it was people having a party. They had a party yesterday. It was the same apartment complex. The party was out front and decorated. I remained in my chair, but when I heard woman screaming I got up and went outside with my phone.*

*When I got out to the street, I could see a large gathering of people. [REDACTED] indicated she was on the west sidewalk of 3800 Marlborough Avenue). I then dialed 9-1-1. I told the 9-1-1 operator that there was a large gathering of people arguing and fighting in the street. It was the two men a saw fighting.*

*The operator asked me if I could see how many people I saw, so I walked up the street and started counting the people. I saw cars in the street. I then saw two men by the area in front the apartment complex parking area fighting. They were both standing up and it was for only like a couple of seconds. They were not grabbing each other, but they were swinging. One of the men looked like he was wearing all black clothing. The other guy, not in all black clothing, took off running. He was running around the cars. I saw the man in all black clothing chasing him.*

*Then I saw the man in all black clothing walk to the middle of the street. I saw him pull a gun out from behind his back. He was facing away from me. I could not see his face. He had the gun in his right hand. I told the operator that the man has a gun. The gun black in color and it was big. His gun looked bigger than they gun you have. I was probably like two car lengths away from him when I saw him pull out the gun.*

*It was dark outside. It looked like he was wearing all black clothing, but I am not sure. I know he had on pants, not shorts. I don't remember if he had anything on his head. I know I did not see his arm, so he was wearing something that was covering his arms. I can not tell you his race. It was dark. I know the people that had the party there yesterday were Hispanic.*

*I started going back towards my house. By the time I got to the truck parked out front of my house I heard the gunshots. I heard four gunshots. I couldn't see the person with the gun at that time. I was*

*I was still outside and saw two policemen running up the street (Indicated north 3800 Marlborough Avenue). Both had weapons drawn and running towards where the commotion was happening. Then I heard one loud gunshot. It was a boom, not like the popping noise of the other gunshots. I did not see the officers get out of a car, I just saw them running. I stayed by the truck.*

*I can't distinguish what somebody was saying just before the booming gunshot. It sounded like the person was an officer saying something, because they were closer to me. I saw them both run up the street and it was seconds later I heard the booming gunshot. I did not hear any other gunshots after that.*

*The other police started arriving, and I stayed outside. I was able to calm myself down. I then walked back up to the location. I saw the guy on the ground and a girl on the ground by the car that was in the street.*

*I did notice there was a black four door sedan that was parked there. When I went back up the street it was gone. There was a white SUV. There was another car facing the car that is there in the middle of the street. The car was gone when I went back up the street. I don't know what kind of car it was other than it was a dark sedan.*

[REDACTED] had no further information and I concluded the interview.

I attempted to reach [REDACTED] and [REDACTED], who were two identified witnesses in this case, however my attempts were unsuccessful. At 0930 hours, I left a business card on their front door requesting they contact me.

On November 17, 2016 at 1000 hours, I called [REDACTED] to schedule a meeting. [REDACTED] told me she was at work and due to her busy schedule I interviewed her over the phone. The interview was not recorded but in essence, [REDACTED] told me the following regarding the shooting incident.

I am close friends with the [REDACTED] family. I have known the family since I was ten years old and attended family weddings, graduations and I consider myself close with them.

My apartment is on the ground level of the complex and I was in my bedroom watching television the night of the shooting. I was inside of my apartment with my brother [REDACTED]. While I was watching television I heard a loud commotion outside. Initially I thought a neighbor was watching a loud movie on their television, but I later learned there was an actual fight occurring outside.

The arguing and loud commotion was happening outside for about four or five minutes before I stepped out of my apartment to investigate what was going on. It was so loud I was forced to turn the volume up on my television several times because I could not hear the television.

I realized the commotion was taking place outside when I recognized [REDACTED] voice screaming. I have known [REDACTED] for a long time and I have heard her screaming before. She has a tendency to be a little dramatic.

I stepped outside to investigate the commotion and [REDACTED] sister, [REDACTED] stepped outside of her apartment simultaneously. I asked [REDACTED] what was going on and she said she believed Juan had shown up to the apartment complex drunk.

I saw [REDACTED] current boyfriend, [REDACTED] running into the courtyard of the apartment complex from the outside parking lot. I then saw Juan was holding a gun and I watched him shoot [REDACTED] father, [REDACTED] in the head. Once [REDACTED] fell to the ground in the courtyard, Juan was looking at my brother [REDACTED] and I and still holding the gun. Juan never pointed or aimed the gun at us but for a moment, I thought he was going to start shooting all of us. Instead, Juan ran past us and back out into the parking lot area where he began fighting with [REDACTED] and [REDACTED] mother, [REDACTED]. I heard additional gunshots being fired but I did not see whom Juan was shooting.

I pushed my brother [REDACTED] back inside of our apartment and told him to call 9-1-1. I did not have my phone with me at the time but [REDACTED] had his phone with him. I also concealed myself inside of our apartment.

I have known [REDACTED] and Juan for a long time. We all went to the same high school. Juan was always a decent guy but very strange at the same time. Juan has made random comments to me and my family in the past which given what has occurred now, I want to share with you.

Back when Juan and [REDACTED] were planning their wedding, Juan told my mother and I that he wanted to move to Texas with [REDACTED]. When we asked him why Texas, he told us because in Texas, if your wife

My sister and I turned on our porch light and stepped outside. At the time, I did not have my glasses on, so it was difficult for me to see clearly. I saw Juan, who is [REDACTED] ex-husband, shoot a gun. Juan was struggling with a person over the gun and also for physical control over [REDACTED]

I saw a person wearing a white shirt spin around and fall to the ground in the courtyard area of the complex immediately after the first gunshot was fired. Initially I believed the person shot was [REDACTED] Grandmother; [REDACTED] however I later confirmed the person I saw get shot was actually [REDACTED] father.

My sister then began to run towards me and I heard a second gunshot. This was the shot that struck [REDACTED] Grandfather, [REDACTED] in the head. He only sustained a grazing injury though.

I then heard [REDACTED] mother, [REDACTED] screaming in Spanish, "[REDACTED] don't do this!" [REDACTED] mother was shielding her from Juan. Juan looked directly at my sister and I and made his way towards [REDACTED] and her mother, outside of the courtyard. I then heard the third gunshot. I did not know [REDACTED] had been shot, but that was the direction Juan was headed when the third gunshot was fired.

I called 9-1-1 and told the dispatcher there was a shooting occurring. My sister and I ran into our apartment and while I was on the phone with the dispatcher, I heard one last gunshot and that is when all the craziness stopped.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct the scene investigation.

During the investigation, on November 16, 2016, Honorable Judge Charles ROGERS issued a search warrant #52301 for the Facebook records of Juan Carlos FERNANDEZ. I received the records on December 12, 2106. Detective BUROW reviewed the Facebook records and located a conversation in the private messages between FERNANDEZ and an account with the name [REDACTED].

[REDACTED] The private message conversation took place between October 5, 2016 and October 7, 2016. In the conversation, FERNANDEZ told [REDACTED] "I am having a problem, it has gone too far." A few lines later in the conversation, [REDACTED] said, "Don't tell me you want to blast someone." Several lines later FERNANDEZ told [REDACTED] "I need you to connect me with someone I can get a certain item." [REDACTED] responded, "I have a guy but he wants 600 for the 45 toy." The conversation continued between [REDACTED] and FERNANDEZ. [REDACTED] told FERNANDEZ to let him know when he had the cash. Based on the conversation it appears FERNANDEZ contacted [REDACTED] through Facebook private messages to have [REDACTED] help him locate a gun.

I conducted a computer records search of the name [REDACTED]. I located a driver's license for [REDACTED] with a date of birth of [REDACTED]. The photograph on the driver's license for [REDACTED] appeared to be the same person in the photographs posted on the Facebook page of [REDACTED]. On December 28, 2016, Detective BUROW and I went to the address on [REDACTED] driver's license, [REDACTED]. A male at the home, who identified himself only as [REDACTED] brother, called [REDACTED] on the phone and allowed us to speak with him. [REDACTED] told us he was at work and provided us with the address, [REDACTED]. At approximately 0920 hours, Detective BUROW and I went to [REDACTED] work and spoke with him.

After speaking with [REDACTED] we went to his residence, [REDACTED] to speak with his girlfriend, [REDACTED]. We got to the residence at approximately 1004 hours. When [REDACTED] answered the door we asked if she was [REDACTED]. She told us she was. I asked her if we could come in to speak with her. [REDACTED] invited us inside the residence. The interview with [REDACTED] was digitally recorded in its entirety. For complete details, refer to the CD containing the complete audio recording. Essentially [REDACTED] told us the following:

STATEMENT OF [REDACTED]

*(I confirmed [REDACTED] last name and asked for her date of birth and who she lived with. [REDACTED] did not ask why we were there. I asked her if [REDACTED] had called her to tell her we might come speak with her. She told me he had not. I then asked her if she knew Juan Carlos FERNANDEZ.)*

No.

*(Do you know [REDACTED] Do you know any of his friends?)*

When it happened. When we heard it on the news. He told me, "I know that guy." That's all he said. He just said that he grew up with him and that he has known them for a while. He doesn't talk to them anymore.

*(Where does he know [REDACTED] from?)*

I guess he has known him for a while. I mean me and [REDACTED] have only been together for a year, a year and a half.

*(How often does he go hang out with his friends or his brothers?)*

He doesn't. If he hangs out with them they will come over here to see the baby. They come for a little bit and that is it. He doesn't really go out anymore.

*(The reason we were talking to [REDACTED] is because Juan Carlos contacted him on Facebook and asked him for a gun. [REDACTED] said, "Oh." I told her that it was a very nonchalant response.)*

Well I don't know. I know a bit of his background, back then.

*(What do you know about him back then?)*

How he used to be. From what he tells me, he used to get into trouble.

*(How long ago was that?)*

When he was like seventeen or eighteen. He is thirty now.

*(Detective BUROW said, "My interpretation is that you are not surprised he asked him for a gun.")*

No. I mean, I am kind of used to it because my other son's dad has been locked up. He has done all this stuff. So, it's not a surprise to me. My son, [REDACTED] dad is [REDACTED]  
[REDACTED] His date of birth is [REDACTED]

*(If [REDACTED] hasn't been in trouble in fifteen years, I would be shocked. Why isn't it surprising to you?)*

I don't know. It's just not surprising.

*(Why would you think [REDACTED] would have access to a gun?)*

I don't think he would have access to a gun.

*(But you are not in the least surprised that someone asked him for a gun?)*

I don't know. What do you want me to say? I don't know. We have been together for a year and a half. I don't really know much. I don't know why somebody would ask him for a gun.

*(Detective BUROW asked if [REDACTED] thought [REDACTED] would supply Juan with a gun.)*

I don't think he would. Why? He has been doing good. He hasn't gotten in trouble or nothing.

*(Does [REDACTED] have any sort of friendship with [REDACTED] at all?)*

No. They don't like each other.

*(I guess we are just trying to understand why it is no big deal to you.)*

Because I don't think he would give anyone a gun. I don't.

*(So it wouldn't surprise you he told Juan he was going to get him a gun?)*

He contacted [REDACTED] for a gun? Then after that what happened?

*(Juan shot and killed two people.)*

So you guys think that [REDACTED] got him a gun.

*(That's what we are trying to find out.)*

I don't think he would. I mean he goes to work. He comes home. He doesn't do much. I don't think he would get him a gun.

*(Why wouldn't he tell him he couldn't get him a gun? Instead he said he would work on getting him a gun? That doesn't make sense.)*

I am sorry. I don't know anything about that. I'm sorry.

*(Was [REDACTED] there when the baby was born?)*

When the baby was born he was there all night and all day. He didn't go anywhere.

*(What was his reaction when he saw the news story and was telling you he knew those guys?)*

He was shocked. He was like, "Wow. That happened." He didn't really say much.

I left a business card with [REDACTED] and we ended the interview at approximately 1017 hours.

**WITNESS STATEMENT:**

On November 13, 2016 at about 2150 hours, I received a group text message from Acting Sergeant Jana BEARD #4807. A/Sgt. BEARD directed me to respond to the area of 3800 Marlborough Avenue to assist in an officer involved shooting incident.

I arrived on scene at approximately 2240 hours. At 2349 hours, I attended a briefing conducted by Patrol Sergeant Sylvia YEPIZ #4986. During the briefing I essentially learned that Juan Carlos FERNANDEZ confronted his ex-wife [REDACTED] her new boyfriend [REDACTED] her parents [REDACTED] and her grandfather [REDACTED] in the street and courtyard area in front of her parent's home while armed with a gun.

FERNANDEZ ultimately shot each member of the [REDACTED] family, mortally wounding [REDACTED] and [REDACTED]

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO encountered [REDACTED] in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered FERNANDEZ to drop the weapon. FERNANDEZ ignored the commands and threatened to kill the officers and [REDACTED] Officer BAINBRIDGE fired one round from his Remington 870 shotgun at FERNANDEZ, killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct witness interviews.

At about 0050 hours I contacted [REDACTED] and took his statement. I recorded the conversation for the sake of clarity and a copy can be reviewed for complete details. This is an "in essence" report and is not meant to be a word for word account of my conversation with [REDACTED]. The interview took place in my vehicle in the 3800 block of Marlborough Avenue, San Diego, California. The following, paraphrased, is his statement and answers to my questions:

*I was driving away from my mother's house a couple blocks down the street with my windows down when I heard something that sounded like two gunshots. As I continued driving I saw two officers get out of a police car at the end of Marlborough Street. I noticed both officers had their guns out. One of the officers had a shotgun and I believe the other officer had his handgun out. The officers were walking north on the east sidewalk. I could hear commotion ahead of me on Marlborough Street. I shadowed behind the officers as they walked up the street. I saw a Camaro parked in the middle of the street on the wrong side of the street. I noticed a man with a handgun was beating a girl and dragging her by the hair trying to keep her inside the passenger side of the Camaro. The girl was fighting to get away from him and it looked like the man was holding the girl hostage. The man had the gun to the girl's head. I would estimate the distance between the man holding the girl and the officers was about a car length or two apart. It looked like he didn't want to kill her at the beginning but he eventually he put the gun to her head. I heard the officers say to the man "Police, put the gun down, put the gun down" but the man told the officers to back up while swinging the gun around. Luckily the officer has great aim and he shot him. The guy went down and I pulled over to the side immediately and jumped out of the car [REDACTED] because I didn't want to be in the middle of rounds being fired. I know the gun the man was holding was a black handgun but I don't know in which hand he was holding it.*

The interview concluded at approximately 0108 hours.

**WITNESS STATEMENT:**

On November 13, 2016 at 2150 hours, A/Detective Sergeant Jana BEARD #4807 directed me to respond to 3800 Marlborough Avenue to assist with a shooting death investigation our homicide team was being assigned to investigate.

Once the entire homicide team had assembled, Mid-City Patrol Sergeant Sylvia YEPIZ #4986 provided us with a briefing where she outlined the circumstances of the incident, as it was known at the time. The briefing began at 2349 hours, and concluded at 0030 hours. At the conclusion of the briefing, A/Sergeant BEARD instructed me to interview various identified witnesses.

Case #16-046725; #16-046719; #16-046721, #16-046722 & #16-046723

After interviewing various witnesses at the scene, I was directed to meet with Officer Justin ROSARIO #7544 who was standing by at Mid-City Division, and obtain a statement from him.

Beginning at 0248 hours, I introduced myself to Officer ROSARIO and asked if he would be willing to provide me with a statement in this case. Officer ROSARIO agreed.

Prior to the interview I took photographs of ROSARIO depicting the uniformed clothing and law enforcement attire he was wearing at the time of this incident.

The interview with Officer ROSARIO took place in the investigators bay and was audio recorded in its entirety. The interview lasted approximately thirteen minutes in length. In essence, Officer ROSARIO told me the following, in response to the questions asked of him.

I am currently a 2<sup>nd</sup> phase trainee officer assigned to work with Officer Ross BAINBRIDGE #6035, who is my Field Training Officer.

Sergeant Sylvia YEPIZ #4986 is my current supervisor here at Mid-City Division.

Officer BAINBRIDGE and I heard the radio call broadcasted regarding a violent domestic violence incident involving a gun which was occurring at 3800 Marlborough Avenue. Officer BAINBRIDGE and I were five or seven blocks away when the radio call was dispatched so we responded.

Officer BAINBRIDGE was driving and I was the passenger officer. We responded to the call with lights and sirens activated.

Officer BAINBRIDGE tactically parked a block away, to the south of the crime scene. He retrieved his shotgun from the vehicle and I accessed my handgun. We then began approaching the scene on foot.

I activated my Body Worn Camera while we responded to the call. As we began walking to the scene, we observed several people in the street. We also saw a Camaro double parked in the roadway.

Officer BAINBRIDGE began running towards the scene in the middle of the street and I was running behind him.

As we got closer, I noticed the male in the street had a female in a headlock, using her as a shield against us, dragging the female away from us, towards the back of the Camaro. I heard the male yell something to the effect of, "I will shoot! I will shoot!"

From my vantage point, I was unable to actually see the male holding a gun, but I believed the man was essentially telling us to back off or else he would shoot her. I thought the man was telling us he was going to shoot her, not telling the female he would shoot her.

Both Officer BAINBRIDGE and I were giving loud verbal commands for the male to get on the ground and to drop the gun but he was not following our instructions. Officer BAINBRIDGE had the

angle and he took the shot. I saw both the male and female fall backwards onto the ground. The female quickly got up to her feet and I grabbed her.

I observed blood covering the front of her shirt and I began assessing her injuries.

When Officer BAINBRIDGE took the shot, I was about eight to twelve feet away from him and ten to fifteen feet away from the suspect.

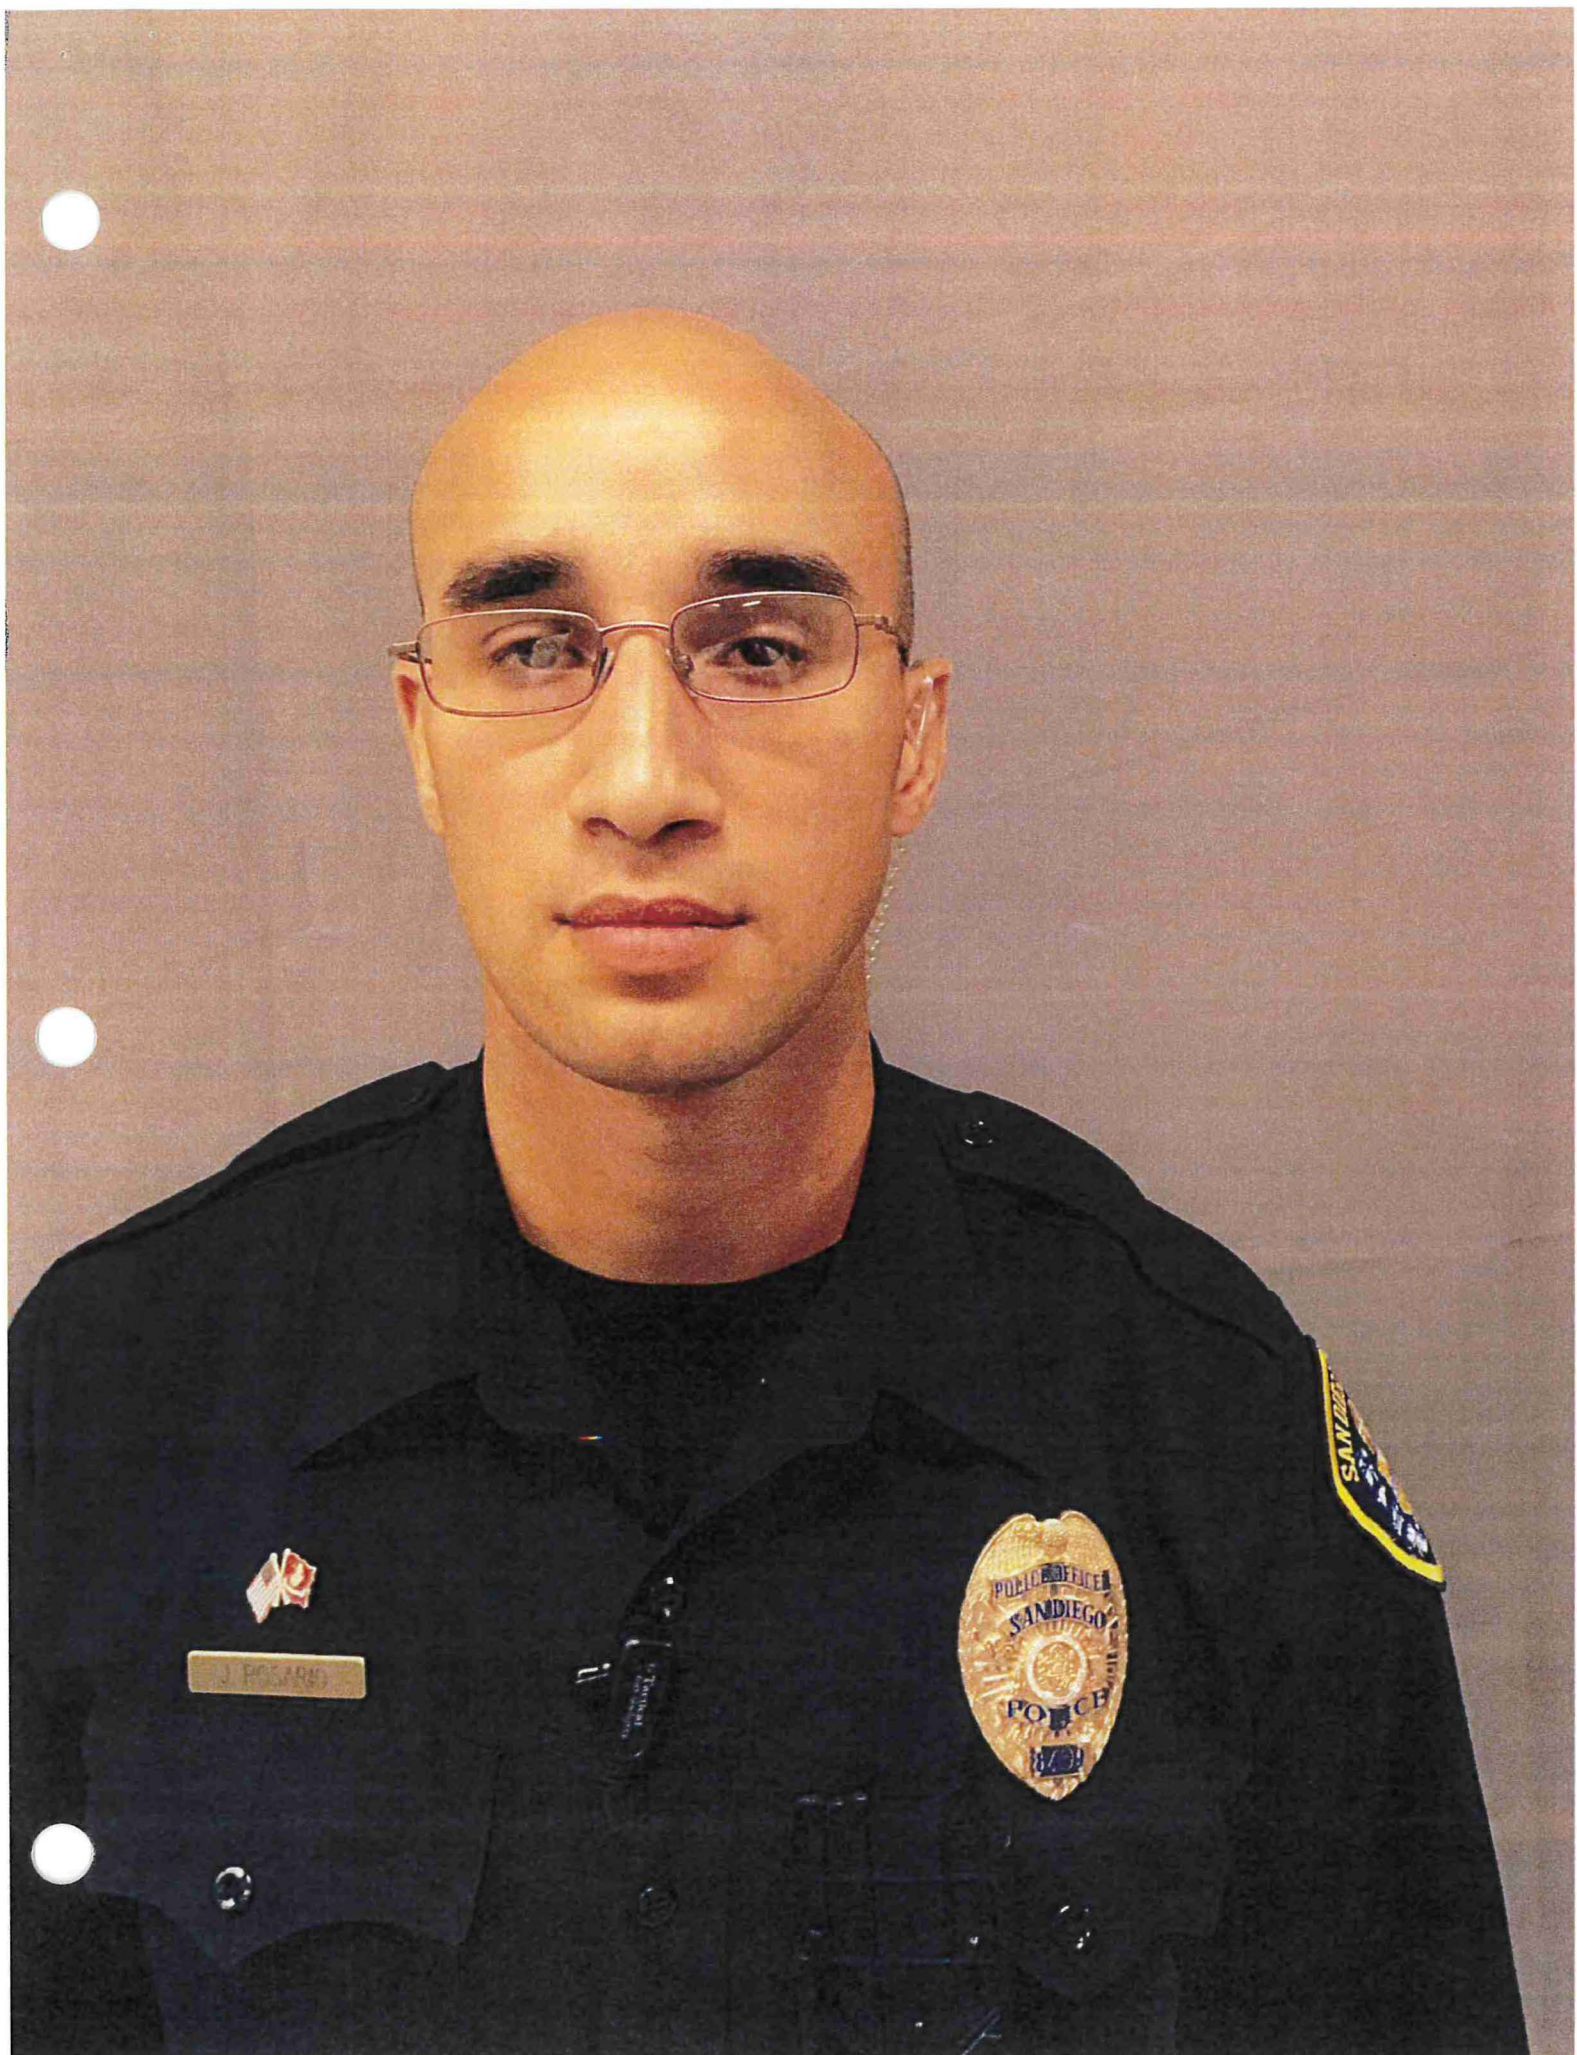

When Officer BAINBRIDGE discharged his weapon, I would estimate he was less than twelve feet from the suspect.

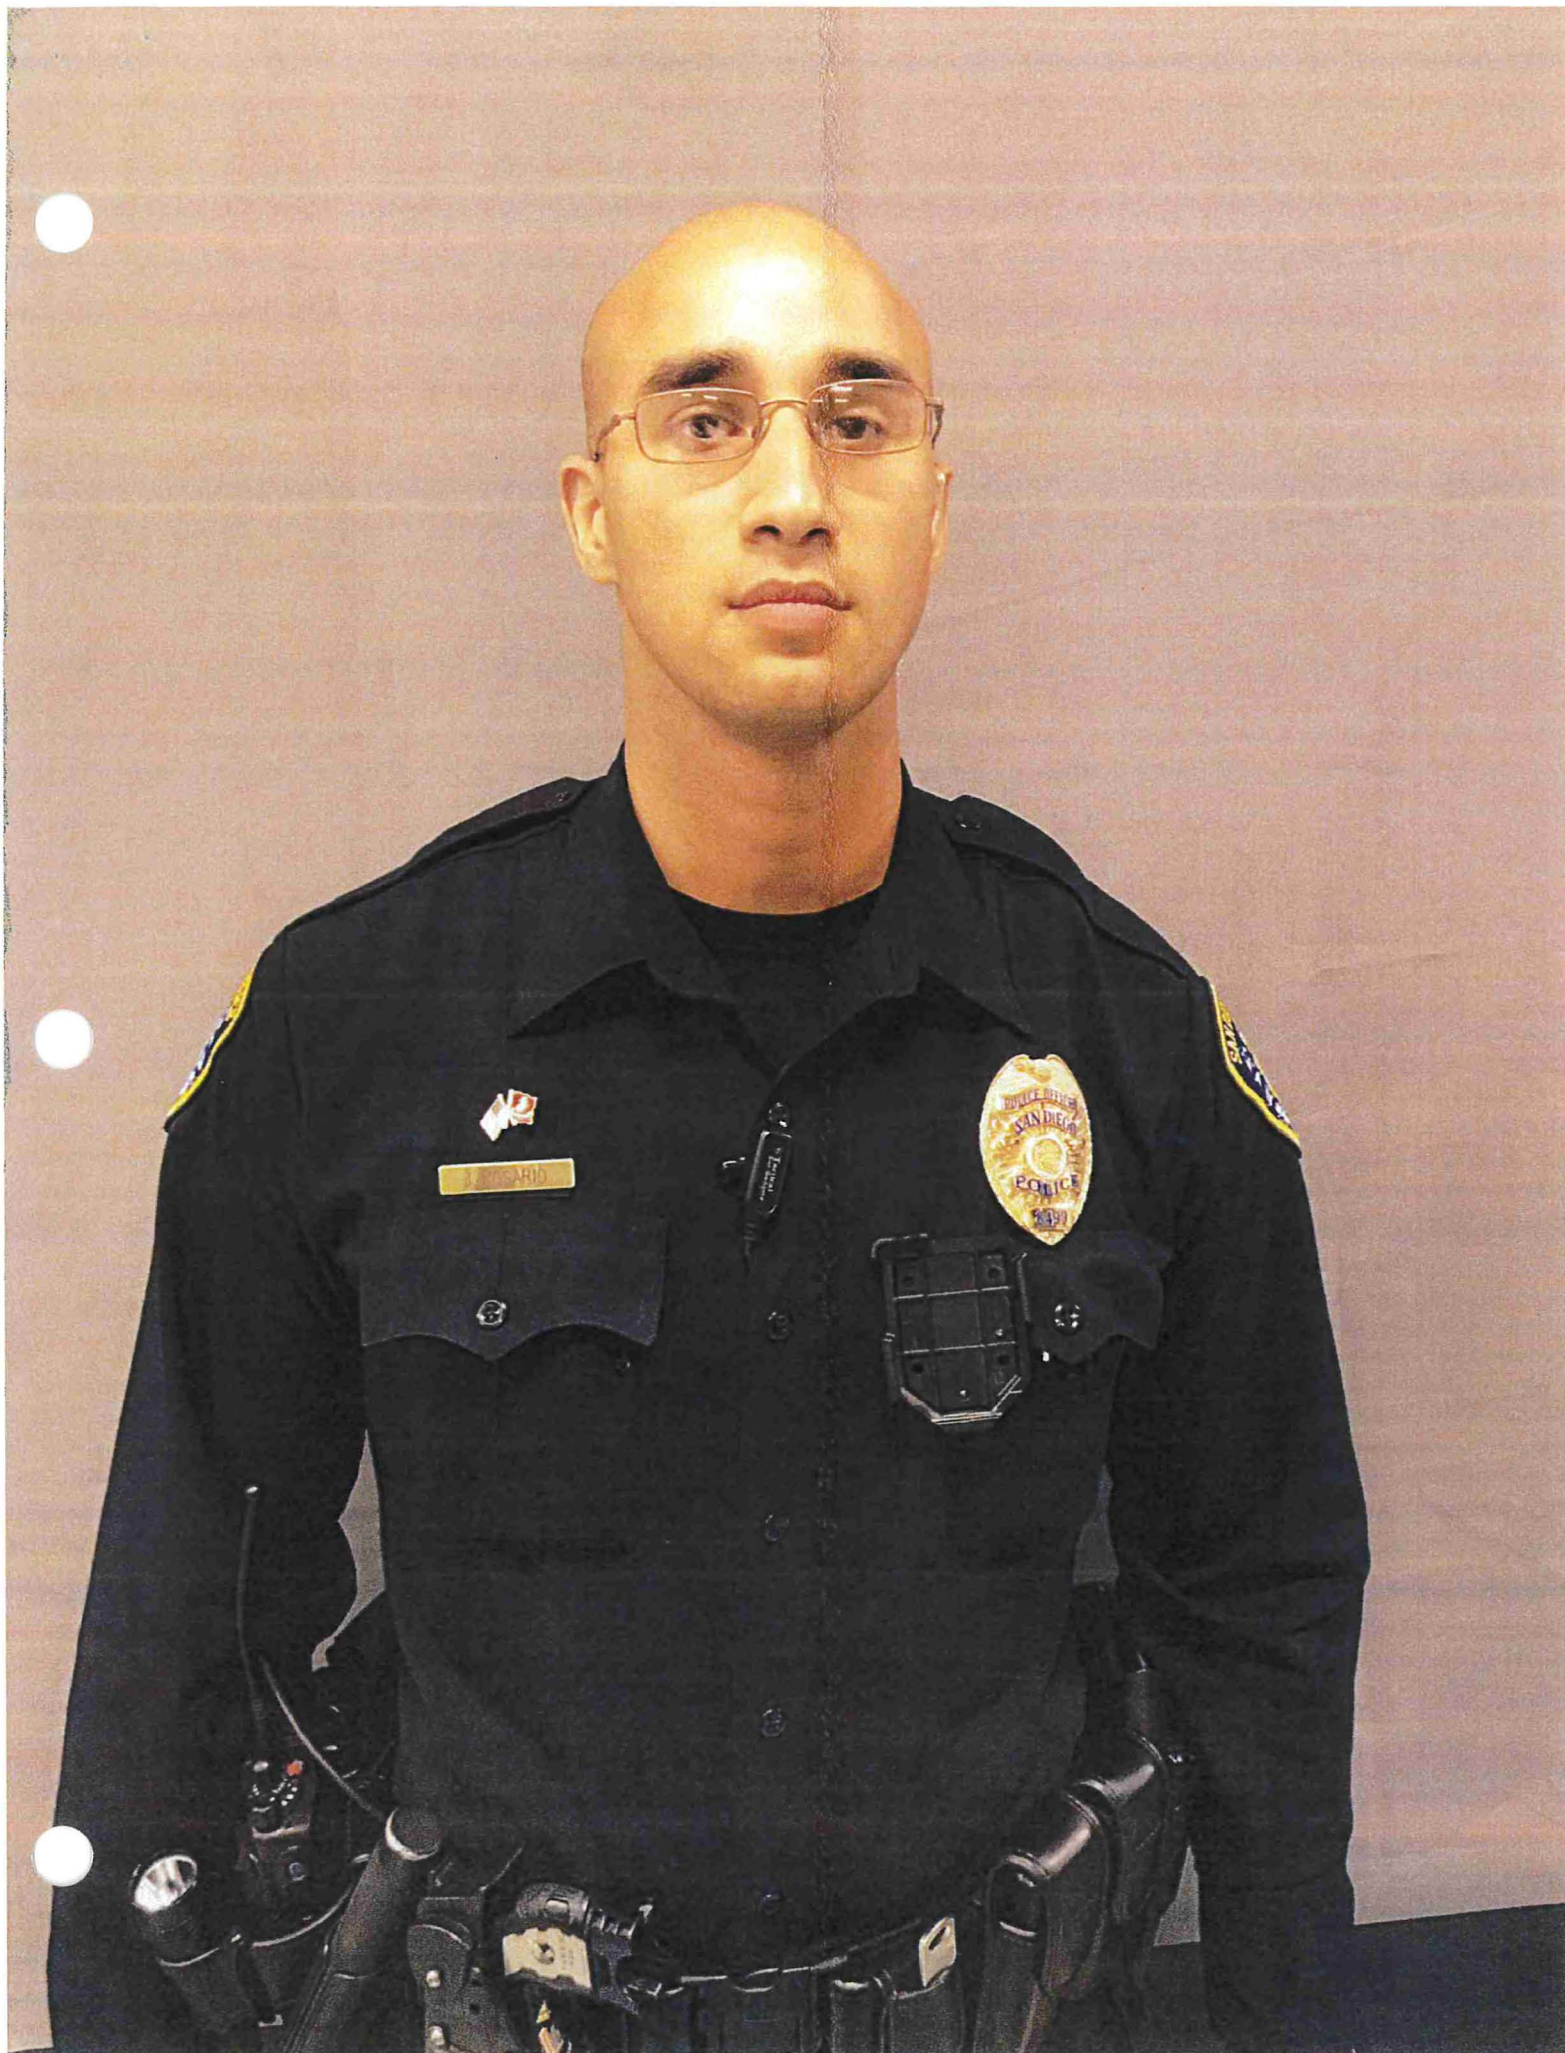

My attention shifted to dealing with the female after the shooting and Officer BAINBRIDGE remained with the suspect.

I escorted the female victim to the ground and other officers arrived to assist us. I handed my knife to one of the responding officers and he cut away the female's shirt. I illuminated the area around the woman's injury with my flashlight and we began first aid. I observed two deep lacerations on both sides of her breasts.

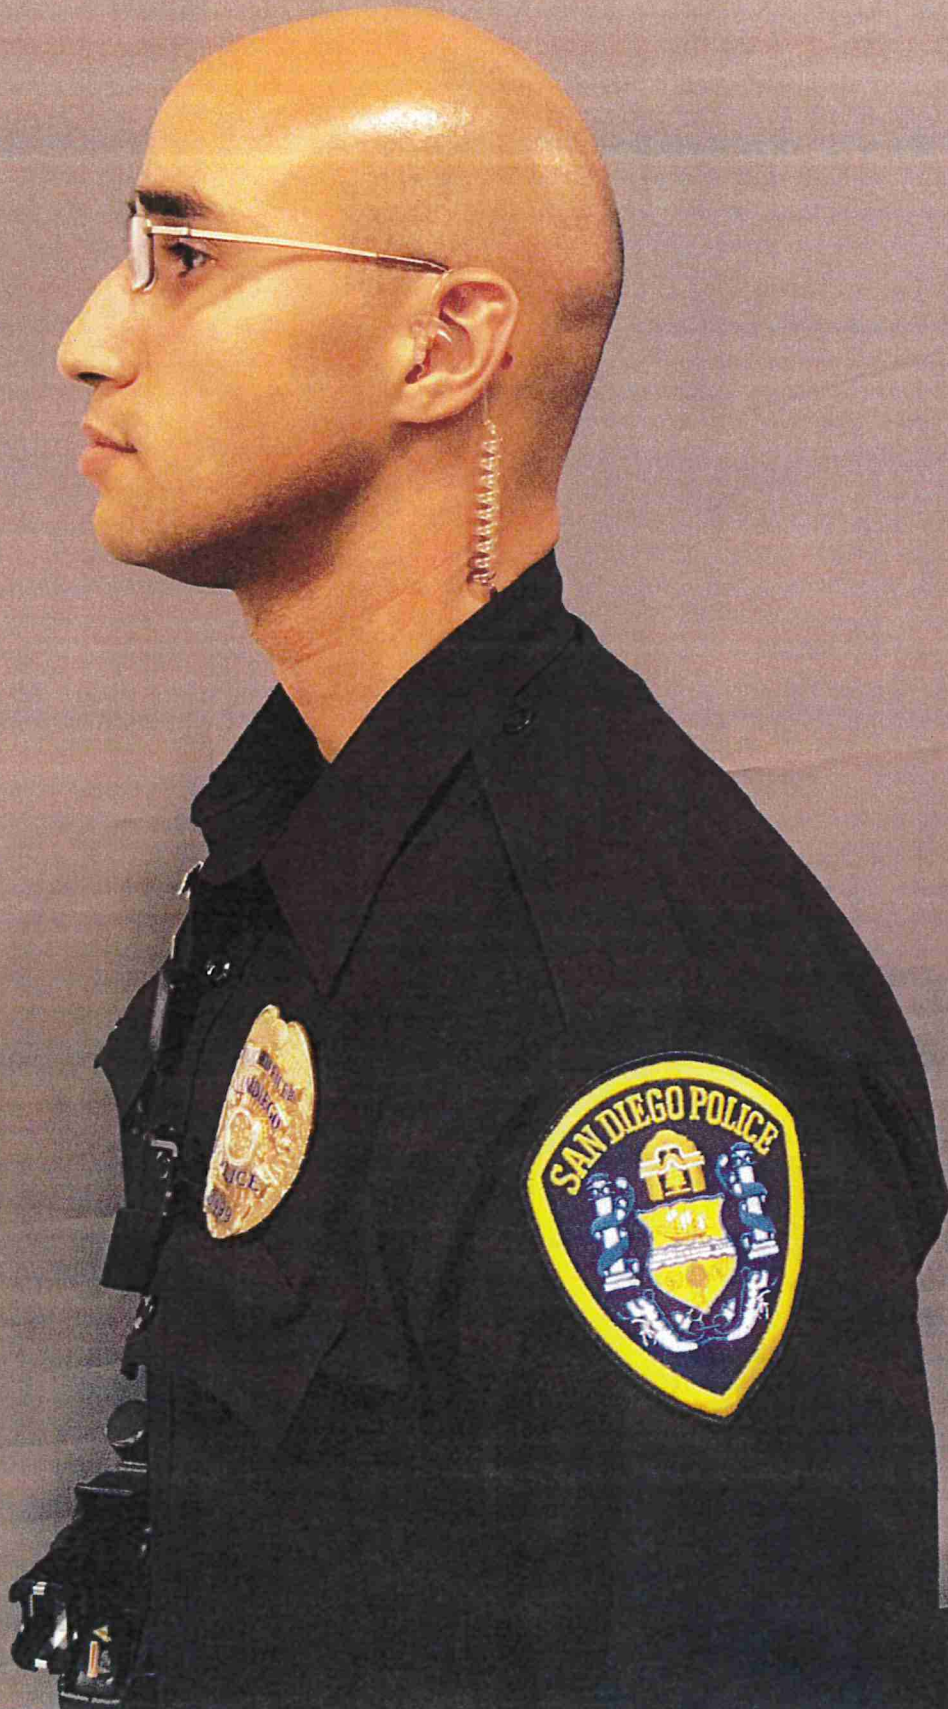

The female was saying the person who shot her was her ex-husband. She identified her ex-husband as the person who shot her family. She also told me the suspect's brother is a parolee and when he finds out what happened he was going to be very upset and she expressed a lot of fear of the suspect's brother [REDACTED]

**Officer's Statement:**

On 11-14-2016, at about 0920 hours, I responded to a call to check the welfare of a juvenile at [REDACTED] (See IH #16110022598). Upon arrival I heard that the younger brother at the address had witnessed a man with a gun just prior to a shooting that occurred on 11-13-2016. The shooting occurred in the 3800 block of Marlborough Avenue.

I obtained a statement from [REDACTED]

**Statement of [REDACTED] (Witness):**

[REDACTED] told me at around 2100 hours, on 11-13-2016, [REDACTED] was driving north on Marlborough Avenue towards University Avenue to get a pizza. [REDACTED] was sitting in the back passenger side of the vehicle he was in when he saw a Hispanic Male adult grab what he thought was a gun out of the passenger side of a black or gray Camaro. [REDACTED] told me it was a two door Camaro that looked newer. The Hispanic male adult pointed the gun at a group of about ten people. The group started running in all different ways.

[REDACTED] said their traffic light turned green so they started to drive away when they heard two gun shots, and then he heard one more gunshot. [REDACTED] told me he saw police vehicle's driving towards the address after he heard the gun shots.

[REDACTED] did not know if he could identify the male if he saw him again.

### Officer's Statement:

On 11-13-16 at around 2325 hours, Officer Lull (#7300) and I were dispatched to 3800 Marlborough Avenue to assist on an officer involved shooting. We arrived on scene around 2336 hours and I was asked to assist in taking witness statements. I first assisted Officer Miranda (#7439) by translating the statement of [REDACTED] from Spanish to English. I then contacted the witness, [REDACTED] and obtained her paraphrased statement below:

### Statement of [REDACTED] (Witness):

I was in my bedroom when I heard my daughter, [REDACTED] scream at my Husband, [REDACTED] that [REDACTED] my brother, was fighting in the parking lot with someone. I came running to the courtyard but I did not see my brother. I saw my niece, [REDACTED] and her boyfriend [REDACTED] screamed at me and said "I told you not to talk to him" but I did not know what happened. I told her "Que traes Pendeja" (What have you dumbass). [REDACTED] got in his car and told [REDACTED] to get in but she did not. I went to the middle of the street (Marlborough Av) and saw Juan (suspect) and drive to where it rests now. I heard [REDACTED] say he has a knife. At some point my brother and his wife were nearby and ran back to the courtyard when Juan opened his door. I saw Juan looking for something in his car. I thought maybe he was looking or the knife. My brother came over to the car and told Juan "Hey Papa calmate (calmdown)." I then saw Juan with a gun in his hand. The gun was black and semi-auto. I saw him rack the gun back as if to load it. My brother tried to grab Juan by the shoulder and asked him to calm down. [REDACTED] took off running between the cars. I found out later that it was [REDACTED] with whom Juan was fighting in the street. I saw my kids coming down the stairs so I went over to them and had them go back upstairs to our apartment.

I do not remember exactly what happened after. I remember being by my parents stairs (same building) and seeing them coming down the stairs. Juan was by the stairs and I remember screaming at him. Next thing I remember is seeing my brother, [REDACTED] get shot. I remember the sound and seeing the flash of the gun as it went off. I do remember hearing a gunshot sometime before my brother was shot. After my brother was shot my dad, [REDACTED] went towards Juan who turned around and shot at my father. My dad was about three to four feet away from Juan and I was not sure if he shot him. I went and tended to my brother because my dad was conscious so I did not think he was shot. Juan left from here and I could here someone screaming [REDACTED] All I remember after that is when the Police showed up.

After obtaining [REDACTED] statement I spoke to her husband [REDACTED] and obtained his paraphrased statement below:

SAN DIEGO REGIONAL  
OFFICER'S REPORTStatement of [REDACTED] (Witness) (Translated from Spanish):

I was in the living room when my daughter, [REDACTED] told me [REDACTED] was fighting in the street. I came outside and saw Juan chasing after [REDACTED] boyfriend, between the cars in the parking lot. [REDACTED] is Juan's ex-wife. I got in front of Juan and told him to calm down. He told me to get away from him because he did not want to hurt me. At some point my wife, [REDACTED] and [REDACTED] were able to talk to Juan. I saw my kids by the stairs so I went and took them upstairs because they were really upset. I came down about five minutes later and spoke with [REDACTED] who was very upset. I then saw Juan by the courtyard and noticed he had a gun. I do not know when he grabbed it. I then saw him rack the gun back and saw a bullet or casing fall out. I thought maybe it was jammed so I went over and tried taking the gun away. I heard my wife say to let him go. Juan left towards the stairs and I went after him. I noticed there was a group of people gathered in the courtyard, my sister [REDACTED]. As I approached the stairs I saw Juan turn around and shoot [REDACTED]. I believe it was in the head. [REDACTED] and moved towards Juan. Juan turned around and shot him in the head too. Both of them were about three to four feet away from Juan when he shot them. I turned around and headed back to the courtyard where my sister was at. That's when I realized my sister had been shot first. I stood with my sister till police arrived.

I saw two officers arrive and make contact with Juan. I heard them screaming at Juan to drop the gun at least twice. I then heard a single shot ring out and saw Juan on ground. I am not sure who shot Juan.

Some time in between taking [REDACTED] statement he received a phone call notifying him his sister, [REDACTED] had died from her gunshot wound.

After obtaining the two statements I took my post as security on the western half of the northern perimeter with Officer Rack.

I was relieved from this post by 834J1 at 0618 hours.

### ORIGIN:

On 11/13/16, at 2117 hours, Officer P. Clay #6959 and I assisted on a radio call regarding a male with a gun at [REDACTED]

### OFFICER'S STATEMENT:

We arrived on scene immediately after I heard "Cover Now" and "Shots Fired" over the radio. I ran immediately towards Officers Bainbridge (ID #6035) and Rosario (ID #7544), who were both in the street. I saw Officer Bainbridge with a shotgun pointed at the suspect and Officer Rosario with a female, later identified as [REDACTED] on the ground in front of him. There were several groups of people standing outside the apartment complex and in the parking lot screaming that multiple people had been shot. I ran towards where the people were pointing and noticed a female, later identified as [REDACTED] mother, sitting on the ground and leaning against several people, and another male, identified as [REDACTED] father, laying on his back on the ground just inside the gate to the complex. As there was only one other female assisting him and he appeared to be bleeding heavily from his head, I ran to him and assisted. The female, identified to me only as [REDACTED] told me [REDACTED] had been shot in the head. I used the towel laying next to his head to wrap the back of his head where it appeared he had been shot and applied pressure. I told another male who walked up to us to tell any additional officers [REDACTED] needed assistance for an unknown gunshot wound, and that [REDACTED] had been shot in the head. [REDACTED] appeared to be unconscious but breathing heavily and continuously moved his arms towards the wound above his left eye or the back of his head. I continued applying pressure until medics and Officers Chin (ID #6813) and Baldwin (ID #6956) arrived to assist. I did not release [REDACTED] head until medics informed me to do so. I assisted in placing [REDACTED] on a backboard and carried him out to the street, where he was then loaded into an ambulance. I checked with several officers whether they needed assistance with anything further, before driving to UCSD Medical Center to meet with my partner, Officer Clay (ID# 6959), who had ridden in the ambulance with [REDACTED]. [REDACTED] remained at the hospital and with [REDACTED] until I was instructed to leave and relieved of my post. Officer Clay obtained [REDACTED] statement regarding the incident.

## OFFICER'S STATEMENT:

On 11-13-2016 at around 2113 hours, Officer McGill (ID #7138) and I responded to [REDACTED] San Diego to investigate a domestic violence incident involving a weapon. Multiple witnesses called 911 Communications stating a large fight was occurring near Marlborough Avenue and University Avenue. Several callers stated there was a Hispanic male with a gun. He was described as a Hispanic male in his twenties, wearing a blue sweater and black pants. Prior to our arrival at the location, witnesses alerted responding officers gunshots were heard in the area of the altercation. Officer Bainbridge (ID #6035) and Officer Rosario (ID #7544) arrived on scene and were contacting an armed suspect and needed assistance. I activated my emergency overhead lights and arrived on scene moments later.

When I arrived on scene I observed Officer Bainbridge standing by the suspect, later identified as Juan Carlos Fernandez. I also saw Officer Rosario standing near a female laying on the ground. The female was bleeding heavily from her chest. I removed her shirt and began evaluating her for injuries. She told me she had been shot with a handgun. I discovered two lacerations on her chest. I removed a trauma kit from my vest and placed gauze on her wounds and applied pressure. The female, later identified as [REDACTED] was transported to UCSD Hospital in AMR 417 by Fox (ID #12225) and Blunt. [REDACTED]

## Statement of [REDACTED] (Witness/Reporting Party/Victim):

[REDACTED] essentially told me she was sitting near the staircase at [REDACTED]. She was waiting for her boyfriend, [REDACTED]. She saw a dark colored Chevy Camaro driving by and park across the street from her location. She believed it was her ex-husband, Juan Carlos Fernandez. [REDACTED] told me Fernandez vandalized her vehicle the day of her birthday and she was worried he was going to do that again. Her father went over to the Camaro to investigate and discovered Fernandez was hiding behind the car. At the same time, [REDACTED] current boyfriend, [REDACTED] arrived at the location and began arguing and fighting with Fernandez. Fernandez and [REDACTED] were separated by [REDACTED] family members. Fernandez began to leave in his car but returned holding a handgun. Fernandez pointed the gun directly at [REDACTED] but [REDACTED] ran from Fernandez. Fernandez then shot [REDACTED] father [REDACTED] and then grandfather [REDACTED] in the head. [REDACTED] mother [REDACTED] attempted to shield her from Fernandez while he reached for [REDACTED]. Fernandez fired a round at [REDACTED] chest and [REDACTED]. The bullet hit them both. Shortly thereafter, Fernandez grabbed [REDACTED] by her hair, pulled her from the stairs to the street and attempted to get her into the car. [REDACTED] grandmother held on to her near the car. Fernandez repeatedly yelled "let her go grandma. Grandma let her go!" [REDACTED] heard Fernandez try to fire two rounds from close range at her but heard the gun click. This occurred while he still had a hold of her by the hair. She believed he ran out of bullets. Officer Bainbridge and Rosario arrived on scene and confronted

**Officer's Statement:**

On 11-13-16, at about 2118 hours, I volunteered to assist with a disturbance with a weapon at [REDACTED]. While I was in rout to the scene, the radio call was upgraded to a shots fired call. I arrived and parked my patrol vehicle at the east corner of Marlborough Ave and Wightman Ave. I activated my body worn camera (BWC) and ran to the target address. I saw several Officers dealing with someone near a silver vehicle. Several citizens on the east side of the street were flagging me down and pointing towards [REDACTED]. I ran over and located a female, later identified as [REDACTED] sitting just outside of the entrance gate with an unknown male. I asked if anyone was shot and they directed me inside the complex where I found a Hispanic male, later identified as [REDACTED] and Officer McGill #7138. Officer McGill was handling [REDACTED] and I went to see if there were any more victims. I returned to [REDACTED] and asked her again if she had been shot. The male she was with pointed to her right side and I laid her flat on the ground to examine her.

I noticed blood on the right side of her chest and moved her shirt to find a small hole in her right chest. I applied pressure to the wound and was assisted by another Officer until paramedics could move her to an ambulance. I assisted in carrying [REDACTED] to medic 38 and rode with him to USCD Hospital where I waited with him until relieved by Detective Burow #5268.

ON 11-13-2016 AT APPROXIMATELY 2116 HOURS, I RESPONDED TO  
[REDACTED] IN RESPONSE TO A RADIO BROADCAST  
OF SHOTS FIRED. AS I ARRIVED ON SCENE, I GRABBED MY FIRST  
AID BAG AND RESPONDED TO THE ENTRANCE OF THE APARTMENT  
COMPLEX WHERE I SAW TWO GUNSHOT VICTIMS. I SAW THE MALE  
GUNSHOT VICTIM HAS A WOUND TO THE FACE, REALIZING THERE WAS  
LITTLE FIRST AID I COULD OFFER THE MALE, I MOVED TO THE FEMALE.  
OFFICER BALDWIN #6956 WAS ALREADY WITH THE FEMALE. OFFICER  
BALDWIN NOTIFIED ME THE FEMALE HAD A BULLET WOUND TO HER  
UPPER RIGHT CHEST. I SAW THE WOUND WAS BLEEDING WITH AIR BUBBLES.  
AS THE WOUND APPEARED TO BE A "SUCKING CHEST WOUND", I UTILIZED  
A CHEST SEAL IN AN EFFORT TO STOP THE BLEEDING AND AIRFLOW.  
I ROLLED THE VICTIM TO CHECK FOR AN EXIT WOUND OR OTHER  
WOUNDS. SEEING NO OTHER WOUNDS OR EXIT WOUND, I RECHECKED  
THE PRIMARY WOUND I HAD DRESSED. I FOUND THE CHEST SEAL  
WOULD NOT STICK TO HER CHEST DUE TO THE BLOOD. I USED A  
LARGE SURGICAL DRESSING TO COMPRESS THE WOUND AND DRY  
THE SURROUNDING SKIN. I GAVE OFFICER BALDWIN THE SECOND  
CHEST SEAL AND HAD HIM RAPIDLY APPLY IT WHILE I LIFTED  
THE SURGICAL DRESSING. I THEN PLACED THE SURGICAL DRESSING  
OVER THE CHEST SEAL AND APPLIED PRESSURE WHILE SPEAKING  
WITH THE VICTIM UNTIL MEDICS ARRIVED. I ASSISTED MEDICS WITH  
ROLLING THE VICTIM ONTO THE GURNEY AND LOADING HER  
INTO THE AMBULANCE. I CHECKED ON THE OTHER VICTIMS STILL

**VIDEO FOLLOW UP:**

On November 13, 2016 at about 2150 hours, I received a group text message from Acting Sergeant Jana BEARD #4807. A/Sgt. BEARD directed me to respond to the area of 3800 Marlborough Avenue to assist in an officer involved shooting incident.

I arrived on scene at approximately 2240 hours. At 2349 hours, I attended a briefing conducted by Patrol Sergeant Sylvia YEPIZ #4986. During the briefing I essentially learned that Juan Carlos FERNANDEZ confronted his ex-wife [REDACTED], her new boyfriend [REDACTED] her parents [REDACTED] and [REDACTED] and her grandfather [REDACTED] in the street and courtyard area in front of her parent's home while armed with a gun.

FERNANDEZ ultimately shot each member of the [REDACTED] family, mortally wounding [REDACTED] and [REDACTED]

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO encountered FERNANDEZ in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered [REDACTED] to drop the weapon. [REDACTED] ignored the commands and threatened to kill the officers and [REDACTED] Officer BAINBRIDGE fired one round from his Remington 870 shotgun at [REDACTED] killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct the scene investigation.

Video Follow Up Report

Case #16-046725; #16-046719; #16-046721, #16-046722 & #16-046723

Page 2

On November 17, 2016, at approximately 1500 hours, I went to 3800 Marlborough Avenue to look for surveillance cameras in the area. I checked the east and west side of the street for cameras. I did not locate any cameras on any of the houses nor apartment complexes.

In the shopping plaza on the northwest half of 3800 Marlborough Avenue I did locate surveillance cameras. The following businesses had cameras:

4129 University Avenue, Saver's 98 cents- I spoke with [REDACTED] the owner. She showed me the camera system. Two cameras covered the parking lot. She told me they have been having problems with the camera system. The cameras are working and show a visual picture of the parking lot but are not able were not functioning properly to record.

4137 University Avenue, Coin Laundry- I located cameras inside the business but observed there were no cameras outside the business.

I did not locate cameras at any of the other businesses in the shopping plaza.

**INVESTIGATOR'S FOLLOW-UP (Retrieval of ABLE Video):**

On November 13, 2016, San Diego Police Department's Homicide Team V was assigned to investigate a murder and officer involved shooting at [REDACTED]. The San Diego Police Department helicopter (ABLE) was overhead at the time of the officer involved shooting and had been videotaping the events.

On November 14, 2016, I offered to assist Team V in retrieving the video footage from the Air Support Unit. I met with Officer Trevor Riley of the Air Support Unit. Officer Riley provided me with a CD of the video footage. I transported the CD back to headquarters, where I made a working copy of the CD for Team V. I impounded the disc I received from the Air Support Unit on barcode 10689370.

( Thank you, per this report, I noted another vehicle burglary was reported which latent prints were obtained. Can you send that related report and any follow up reports for those latent prints, and a contact person for that case. We don't know any connection our suspect Juan Carlos Fernandez (12-05-1993) has to Texas, but we will find out.

Can you run his name in your system to see if anything comes up?

Fernandez attempted to murder his ex-wife, [REDACTED] by shooting her. He did murder her mother, and also shot [REDACTED] father, and grandfather on 11-13-2016 at 2113 hours in San Diego. Fernandez was holding [REDACTED] at gunpoint when SDPD officers arrived on scene. Fernandez was fatally shot by SDPD. Fernandez was driving a newer Chevrolet Camaro, with no license plates.

Thanks

**Firearm DNA Follow Up:**

On November 13, 2016 at about 2150 hours, I received a group text message from Acting Sergeant Jana BEARD #4807. A/Sgt. BEARD directed me to respond to the area of 3800 Marlborough Avenue to assist in an officer involved shooting incident.

I arrived on scene at approximately 2225 hours. At 2349 hours, I attended a briefing conducted by Patrol Sergeant Sylvia YEPIZ #4986. During the briefing I essentially learned that Juan Carlos FERNANDEZ confronted his ex-wife [REDACTED] her new boyfriend ([REDACTED]) her parents ([REDACTED] and [REDACTED]) and her grandfather ([REDACTED]) in the street and courtyard area in front of her parent's home while armed with a gun.

[REDACTED] ultimately shot each member of the [REDACTED] family, mortally wounding [REDACTED] and [REDACTED]

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO encountered [REDACTED] in the middle of 3800 Marlborough Avenue. [REDACTED] had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered [REDACTED] to drop the weapon. [REDACTED] ignored the commands and threatened to kill the officers and [REDACTED] Officer BAINBRIDGE fired one round from his Remington 870 shotgun at [REDACTED] killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct witness interviews.

During the investigation, I submitted a request to the San Diego Police Department Crime Laboratory to swab the firearm used by Juan FERNANDEZ to determine if any DNA was present on the firearm. Two swabs of possible DNA were obtained from the firearm. Criminalist Tess HEMMERLING analyzed the swabs of possible DNA. On January 19, 2017, Criminalist HEMMERLING created a report with her findings. Per her report, there were three DNA contributors on one swab and four DNA contributors on the other swab.

Detective BUROW ran the serial number of the firearm used by FERNANDEZ and determined it had been stolen out of a vehicle in Texas. Detective BUROW contacted the owner of the stolen firearm, [REDACTED] who stated he would be willing to give a consensual sample of his DNA to determine if his DNA was one of the contributors found on the firearm.

On February 28, 2017, I contacted the Harris County Sheriff's Office. I spoke with Sergeant G. PINKINS. I requested his assistance in obtaining a consensual swab of DNA from the owner of the firearm. Later that day I received an email from Deputy Investigator Emilia VILLANUEVA from the Harris County Sheriff's Office. She told me she had been assigned to obtain the DNA sample from [REDACTED]. I provided her with his contact information and emailed her a consent form from the San Diego Police Department. The following day, March 1, 2017, Deputy Investigator VILLA NUEVA informed me she had obtained the sample from [REDACTED] and would be sending it to me via Fedex. She provided me with the tracking number. On March 3, 2017, I received the package from Deputy Investigator VILLANUEVA that contained the DNA sample from [REDACTED].

On March 1, 2017, I met with [REDACTED] and obtained a consensual DNA sample from her to be compared to the DNA contributors found on the firearm.

On March 2, 2017, I received notification that one of the DNA contributors on the firearm had been matched to a person in CODIS, [REDACTED]. On March 8, 2017, Detective BUROW and I met with [REDACTED]. We obtained a consensual DNA sample from him as a reference sample. See Detective BUROW'S report for [REDACTED] statement.

I have submitted requests to the San Diego Police laboratory to compare [REDACTED] and [REDACTED] DNA to the DNA contributors on the firearm. I have also submitted the reference sample from [REDACTED] for comparison.

SAN DIEGO REGIONAL  
ARREST/JUVENILE CONTACT REPORT

On January 10, 2017 at approximately 1030 hours, Detectives Allison ID #5806, Burow ID #5268, Leahy ID #5869 and I went to the [REDACTED] to execute San Diego County Superior Court Search Warrant #53514 which was obtained on January 5, 2017. The search warrant was signed by the Honorable Judge Rogers and authorized Detective Allison to seize [REDACTED] [REDACTED] in order to obtain his cell phone, DNA sample, major case prints and photographs of him.

At approximately 1045 hours, I entered the lobby of the [REDACTED] and saw a male I believed to be [REDACTED] [REDACTED]. As I walked toward the male, he approached me and asked if he could help with anything. I asked him if he was [REDACTED] [REDACTED] and he nodded and stated, "Yes." I identified myself as a police sergeant with the San Diego Police Department and asked him if I could talk to him outside. He agreed and walked outside with me. Upon exiting, I handed him a copy of search warrant #53514 and explained why I was speaking to him. I told [REDACTED] [REDACTED] we would be transporting him to SDPD headquarters therefore if he needed to call his supervisor, he was welcomed to do so. [REDACTED] [REDACTED] removed a cell phone from the inside left pocket of his blazer and appeared to be looking for a telephone number. After several seconds, Detective Allison walked up to us and asked [REDACTED] [REDACTED] if he wanted her to speak to his supervisor. He stated yes therefore Detective Allison walked towards the lobby. I then told [REDACTED] [REDACTED] the search warrant authorized SDPD to seize his cell phone and asked for his cell phone. [REDACTED] [REDACTED] handed me his cell phone and asked when he would get it back. I told him that was a matter detectives would speak to him about once we returned to police headquarters.

[REDACTED] [REDACTED] was transported to SDPD headquarters un-handcuffed, seated in the backseat of an unmarked police vehicle. Upon arriving at headquarters, photographs, major case prints and a DNA swab was obtained from [REDACTED] [REDACTED] pursuant to the search warrant. [REDACTED] [REDACTED] was compliant with the seizure of evidence. [REDACTED] [REDACTED] also voluntarily submitted to a polygraph examination.

At the conclusion of the polygraph exam and collection of evidence, [REDACTED] [REDACTED] was escorted to the lobby of SDPD headquarters and released at approximately 1345 hours.

During the investigation, on November 16, 2016, Honorable Judge Charles ROGERS issued a search warrant #52301 for the phone records of Juan Carlos FERNANDEZ, phone number [REDACTED]. On December 8, 2016, I received the records from Sprint for FERNANDEZ's phone. I spent several days reviewing the call and text log from the records. I conducted computer records checks on the phone numbers FERNANDEZ had contact with and attempted to identify who each of the phone numbers belonged to. There were fourteen text messages between FERNANDEZ and phone number [REDACTED] between September 19, 2016 and October 31, 2016. I conducted a computer record check and determined the phone number, [REDACTED] belonged to [REDACTED]. I conducted a computer records search of the name [REDACTED]. I located a male with the date of birth of [REDACTED] and California driver's license [REDACTED].

I then conducted a search of Facebook for the name [REDACTED]. I found a page with the account name of [REDACTED] (account: [REDACTED]). The photos on the account page appeared to be the same person in the driver's license photo of the [REDACTED]. I had located with California driver's license [REDACTED]. The Facebook page was not set to private and I was able to scroll downward through the page to see [REDACTED] past postings. On November 16, 2016, [REDACTED] posted, "The shooting in east daygo where da cops shot and killed a man was my co worker. WTF." FERNANDEZ was shot and killed by Officer BAINBRIDGE on November 13, 2016. I believe [REDACTED] was referencing FERNANDEZ in his post on November 16, 2016. During our investigation we became aware FERNANDEZ had worked as a security guard. Based on the post by [REDACTED] on November 16, 2016, it appeared FERNANDEZ was a coworker of [REDACTED].

On December 28, 2016, Detective BUROW and I went to the address listed on [REDACTED] driver's license, [REDACTED]. No one answered the door. I left a business card at the address requesting [REDACTED] call me. Later that day, [REDACTED] called me. We set up a tentative date to meet, Tuesday, January 3, 2017. On January 3, 2017, I called [REDACTED] and set an appointment with him to speak with him the following day at his work at 1000 hours.

On January 4, 2017, at approximately 1000 hours, I met with [REDACTED] at [REDACTED]. [REDACTED] and I spoke outside the building in the park area next to [REDACTED]. During the interview, I asked [REDACTED] for a voluntary mouth swab DNA sample. [REDACTED] told me to get a search warrant for the sample.

On January 5, 2017, Honorable Judge Charles ROGERS issued a search warrant (#53514) to take a DNA sample from [REDACTED] and seize any cell phones on [REDACTED] person. On January 10, 2017, at 1045 hours, Detective BUROW, Detective LEAHY, and Sergeant TAKEUCHI, and I went to [REDACTED] to take [REDACTED] into custody per search warrant #53514. [REDACTED] was located in the lobby area of the building. [REDACTED] handed his cell phone to Sergeant TAKEUCHI after he was informed the search warrant covered seizing his cell phone.

I transported [REDACTED] in the backseat of my unmarked police vehicle. Detective BUROW was seated in the backseat next to [REDACTED]. [REDACTED] was not handcuffed and complied with our requests.

Upon arrival at San Diego Police Department Headquarters, [REDACTED] was taken to the sally port. I read the warrant to [REDACTED] in its entirety. [REDACTED] provided me with the code to unlock his cell phone. I explained to [REDACTED] he could voluntarily consent to my examining his cell phone or I could request a search warrant from a judge for the examination of his cell phone. [REDACTED] consented to allow me to examine his cell phone and signed the written consent form. [REDACTED] phone is a ZTE Z981.

I used the code provided by [REDACTED] to remove the lock screen from his cell phone. I attempted to download the cell phone using the Cellbrite machine. The download failed several times. I then manually looked into the apps on [REDACTED] cell phone and saw he had an app lock program on his cell phone which required a pattern code to get into any of the apps.

After [REDACTED] finished taking a polygraph examination, Detective BUROW and I interviewed [REDACTED]. During the interview I told [REDACTED] I would need the passcode to unlock the lock app program. [REDACTED] entered the pattern and unlocked the app lock program. I was unable to keep the lock from reactivating. I informed [REDACTED] I would have to uninstall the app lock program to keep the apps from relocking. I then uninstalled the app lock program.

I used the Cellbrite machine to conduct a File System download.

I used the downloaded information to create a readable report. I then reviewed the information contained in the readable report. I did not see anything of relevance to this investigation in the report. The call log and text message log went back to 12/15/16.

On January 11, 2017, I called [REDACTED] mother, [REDACTED] I asked her if she could let [REDACTED] know I was able to release his cell phone to him. She said she would and hung up the phone before any further conversation could take place.

On January 11, 2017, [REDACTED] came to San Diego Police Headquarters to pick up his phone. Detective BUROW and Detective LEAHY met with [REDACTED] and released his phone to him. See Detective BUROW'S report for further details.

On November 13, 2016 at about 2150 hours, I received a group text message from Acting Sergeant Jana BEARD #4807. A/Sgt. BEARD directed me to respond to the area of 3800 Marlborough Avenue to assist in an officer involved shooting incident.

I arrived on scene at approximately 2225 hours. At 2349 hours, I attended a briefing conducted by Patrol Sergeant Sylvia YEPIZ #4986. During the briefing I essentially learned that Juan Carlos FERNANDEZ confronted his ex-wife [REDACTED] her new boyfriend ([REDACTED]) her parents ([REDACTED] and [REDACTED]) and her grandfather ([REDACTED]) in the street and courtyard area in front of her parent's home while armed with a gun.

[REDACTED] ultimately shot each member of the [REDACTED] family, mortally wounding [REDACTED] and [REDACTED]

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO encountered [REDACTED] in the middle of 3800 Marlborough Avenue. [REDACTED] had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered [REDACTED] to drop the weapon. [REDACTED] ignored the commands and threatened to kill the officers and [REDACTED] Officer BAINBRIDGE fired one round from his Remington 870 shotgun at [REDACTED] killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct witness interviews.

During the investigation, on November 16, 2016, Honorable Judge Charles ROGERS issued a search warrant #52301 for the phone records of Juan Carlos FERNANDEZ, phone number [REDACTED]

On December 8, 2016, Detective ALLISON received the records from Sprint for FERNANDEZ's phone. She spent several days reviewing the call and text log from the records, and conducted computer records checks on the phone numbers FERNANDEZ had communication with and attempted to identify the subscribers of each phone number. There were fourteen text messages between FERNANDEZ and phone number [REDACTED] between September 19, 2016 and October 31, 2016. Detective ALLISON conducted a computer record check and determined the phone number, [REDACTED] belonged to [REDACTED] [REDACTED] Subsequent computer records search of the name [REDACTED] Detective ALLISON identified him with the date of birth of [REDACTED] and California driver's [REDACTED]

Detective ALLISON then conducted a search of Facebook for the name [REDACTED] [REDACTED] and found a page with the account name of [REDACTED] [REDACTED] (account: [REDACTED]) The photos on the account page appeared to be the same person in the driver's license photo of the [REDACTED] [REDACTED] she had located with California driver's license [REDACTED] The Facebook page was not set to private and she was able to scroll downward through the page to see [REDACTED] past postings. On November 16, 2016, [REDACTED] posted, "The shooting in east daygo where da cops shot and killed a man was my coworker. WTF." FERNANDEZ was shot and killed by Officer BAINBRIDGE on November 13, 2016. Detective ALLISON believed [REDACTED] was referencing FERNANDEZ in his post on November 16, 2016. During our investigation, we became aware FERNANDEZ worked as a security guard. Based on the post by [REDACTED] on November 16, 2016, it appeared FERNANDEZ was a coworker of [REDACTED]

On December 28, 2016, Detective ALLISON and I went to the address listed on [REDACTED] driver's license, [REDACTED] No one answered the door. Detective ALLISON left a business card at the address requesting [REDACTED] to contact us. Later that day, [REDACTED] called Detective ALLISON and she set up a tentative date to meet with him on Tuesday, January 3, 2017.

On January 3, 2017, Detective ALLISON called [REDACTED] and arranged a meeting with him to speak with him the following day at his work at 1000 hours.

On January 4, 2017, at approximately 1000 hours, Detective ALLISON met with [REDACTED] at [REDACTED] [REDACTED]. The location is where [REDACTED] works as security. [REDACTED] provided a statement to Detective ALLISON, but declined to consent to her obtaining a DNA mouth swab. Refer to interview report for details.

On January 10, 2017, at 1045 hours, Detective ALLISON, Detective LEAHY, and Sergeant TAKEUCHI, and I went to [REDACTED] to take [REDACTED] [REDACTED] into custody per search warrant #53514. [REDACTED] was located in the lobby area of the building. Sergeant TAKEUCHI explained to him that we had a search

warrant to seize him and obtain evidence. [REDACTED] complied with our requests and he was transported to San Diego Police Department Headquarters in the back seat of Detective ALLISON'S unmarked police car. [REDACTED] was not handcuffed and complied with our requests.

Detective ALLISON drove directly to SDPD Headquarters, while I sat in the back seat with [REDACTED] I captured all the communication with [REDACTED] on a digital recorder.

Upon arrival at San Diego Police Department Headquarters sally port, I searched [REDACTED] for weapons. [REDACTED] complied with my search for weapons as I patted him down. Detective ALLISON then read [REDACTED] the search warrant and provided him with a copy. [REDACTED] was then processed for latent hand and finger prints in the sally port. While his latent prints were being obtained, [REDACTED] signed a written consent for the forensic download and review of his cellular phone. [REDACTED] requested to take a polygraph test.

At 1115 hours, [REDACTED] was escorted to the Crime Lab photography studio where he was photographed (1118 hours) and a DNA mouth swab (1123 hours) was collected from him by CSS A. CARBONE. Just prior to photographing [REDACTED] he made the following unsolicited statements:

[REDACTED]  
[REDACTED]  
[REDACTED]

[REDACTED] again volunteered to take a polygraph test. Detective LEAHY and I escorted [REDACTED] directly to the Polygraph Examiner's office waiting room. I asked [REDACTED] about his cellular phone. [REDACTED] stated that he lost or broke his prior cell phone, and the cellular phone we had in our possession was a new cell phone. Interview & Interrogation Specialist G. WITTE administered the polygraph exam. I viewed the examination on a monitor from an adjacent room. Refer to G. WITTE interview and exam (CD) for details.

Prior to the exam, [REDACTED] made statements to G. WITTE about FERNANDEZ contacting him for a handgun. [REDACTED] essentially told WITTE the following information:

*I worked security with Juan Carlos FERNANDEZ at the [REDACTED] It was around September this year. I don't have a relationship with him. He asked me to get him a gun, and I did try looking for one for him. He texted me a couple times about the gun and I could not find one. I saw him at work and told him that I could not get one.*

*Juan asked me first by text message. It was a long time ago. Juan said he was moving to Logan (neighborhood) from another neighborhood and that's why he needed the gun.*

*Juan asked me once or twice for the gun, I think, I am not sure. I had no knowledge what Juan was going to do with the gun.*

*I did not hang out with him. I don't know him like that. We talked at work and that was all.*

*I have never been in possession of a 9mm Springfield gun. I never looked for a gun for him. I never tried to hook him up with anybody.*

*Juan said he was from Shell Town. I did not know he had relationship problems or anything. He was a quiet person. He never said anything about any gang affiliations or problems.*

[REDACTED] completed the polygraph test and was informed by G. WITTE that he failed the test. G. WITTE asked him if he was withholding any information and [REDACTED] stated the following:

*I don't know why Juan would contact me for a weapon. I never set Juan up to meet anybody or give him a number. I may have told him that I have an old friend that I can call to check for a gun. I don't have my friend's phone number anymore.*

*Juan also told me he wanted to have the gun by Sunday, but I don't know what day that was. I also remember he said that he had \$400 to \$500 to spend. I told him I would check around. I did call an old friend of mine to check. I don't know the phone number. I never talked to another person or give Juan my friend's name or phone number. I called my friend but never talked to him about it, and I never called him back. I don't remember the conversations. Juan sent text messages. You can read the messages.*

At the conclusion of the polygraph exam, G. WITTE informed us that [REDACTED] failed the test, and he believed [REDACTED] was withholding information about his involvement in the case. Detective ALLISON and I escorted [REDACTED] to the Homicide Unit interview room to interview him and discuss the unlocking of his cellular phone applications. ALLISON had discovered [REDACTED] cell phone applications were locked during the polygraph examination, and she was unable to perform a forensic download. We captured the interview with [REDACTED] on video. After [REDACTED] completely unlocked his cellular phone for Detective ALLISON, I asked [REDACTED] if he would talk to us voluntarily. [REDACTED] did not refuse to speak with us.

[REDACTED] essentially told us that he did not care about the case or the people that were shot. He said he did not want to be in the middle of it, and he did not know what else to tell us. [REDACTED] continued to talk and said if his fingerprints or DNA did come back on the gun then "that's fine, but none of that stuff is on that gun." "If people believe that (prints and DNA) is on there, then whatever." I asked [REDACTED] would say that, and he became agitated and stated he did not give FERNANDEZ the gun or tell him where to get the gun. [REDACTED] became increasingly agitated while I confronted him about his own statements. He stated, "If my fingerprints are on it, so be it."

When I told [REDACTED] that he was giving us conflicting information and I continued to confront him about his contradicting statements, [REDACTED] refused to speak with us any further and indicated that he wanted to leave and get an attorney. Refer to video for full interview. We concluded the interview with [REDACTED] and escorted him out of the Homicide Unit office and to the main lobby of the police department.

On January 10, 2017, at 1313 hours, [REDACTED] was escorted to the public lobby of the building and shown the exit by Detective ALLISON and myself. [REDACTED] became belligerent, and angry about having to wait for his cellular phone to be forensically downloaded. [REDACTED] was informed we would contact him by telephone and inform him when his phone would be ready for pick up. [REDACTED] then became angry because I refused to give him a ride back to his work location. I tried to explain to [REDACTED] that he could use a telephone at the front counter to call for a ride, but he was yelling and argumentative about us downloading his cellular phone. [REDACTED] ultimately left the police headquarters furious.

During the investigation, on November 16, 2016, Honorable Judge Charles ROGERS issued a search warrant #52301 for the phone records of Juan Carlos FERNANDEZ, phone number [REDACTED]. On December 8, 2016, I received the records from Sprint for FERNANDEZ's phone. I spent several days reviewing the call and text log from the records. I conducted a computer record check and determined the phone number, [REDACTED], belonged to [REDACTED]. I conducted a computer records search of the name [REDACTED]. I located a male with the date of birth of [REDACTED] and California driver's license [REDACTED].

On January 3, 2017, I called [REDACTED] and set an appointment with him to speak with him the following day at his work at 1000 hours.

On January 4, 2017, at approximately 1000 hours, I met with [REDACTED] at [REDACTED]. [REDACTED] and I spoke outside the building in the park area next to [REDACTED]. The interview with [REDACTED] was digitally recorded in its entirety. For complete details of his statement, refer to the CD containing the complete audio recording. He was supposed to come into work the day after it happened. He was still working here at the time. I am not too sure when he started working here. I know it was about a month after he started working here that it happened. So approximately mid-October.

*(Did you know him before he worked here?)*

No.

*(Did you know him outside of here? Did you have a personal relationship with him? Did you hang out with him after work?)*

No.

*(Did he ever talk to you about anything going on in his life personally?)*

No.

*(Did you know if he was married? Single?)*

No. He didn't really talk much. We asked him questions but it was like he was just here to work and that was it.

*(Are you guys armed security guards?)*

No.

*(Do you own a firearm?)*

I do. Yes.

*(What kind of firearm do you own?)*

45 ACP.

*(Do you know if he owned a firearm?)*

I have no idea.

*(You guys are not armed or directed to carry firearms here?)*

No.

No.

*(Did you ever communicate with him by phone?)*

No. He hit me up with a text one day asking me a couple of questions but I couldn't help him out.

*(What was he asking you questions about?)*

He asked me if I knew where to get a firearm from.

*(This is why I am here to talk to you. These are important things. This is what I need to know about. I didn't just randomly decide to come talk to you.)*

Yeah of course.

*(I already knew about this stuff.)*

I kind of knew about it too but there is nothing to tell. I mean you asked me where I knew him from.

*(There is. If someone just went and murdered a few people it is important to know who he was trying to get a firearm from. It doesn't mean he got it from you but it's important to know he was asking people for it. When did he ask you?)*

Actually I really don't know. I have no idea.

*(I have the phone records here. I can show you.)*

But I have a new phone.

*(When did he first start texting you? Was that friendly conversation? Was it the first text that he asked you about a firearm?)*

Actually I don't know. Like I said I got a new phone so all my contacts are gone.

*(When he first texted you, was the first text he sent you asking where he could get a firearm or did you text about normal friendly things?)*

I really actually don't know. Like I said it was so long ago and I got a new phone so I got a new phone so I can't even check my records.

I understand but it doesn't have to involve me and for me to tell somebody something.

*(It does involve you. You are already involved.)*

I am not involved.

*(Either I am looking at you as a witness or as a possible suspect as the person who hooked him up with a gun. You can start being honest with me or I am going to assume you are the person he got the gun from.)*

Like I said lady you don't have to get really rude with me because I am actually being really honest with you.

*(You are not being honest. If someone texted me out of nowhere and said, "Hey, where can I get a gun?" I would remember that. I am certain that you would to.)*

I am telling you that I don't know when he asked me that. You have the records right there.

*(I am asking you, was the first text, "Hey where can I get a gun?")*

I am telling you I don't know. I remember when it was because it was so out of the blue. I don't know.

*(When he text you it was completely out of the blue?)*

Yes

*(It wasn't like you were having a conversation?)*

No. It was completely out of the blue. Yes of course.

*(Any idea why he would have asked you?)*

No actually I don't.

*(Do you work with any other people here?)*

Like I said, I trained him for three days. That was it. When I saw him it was a fist pound, "Hey, how you doing?" and that's it. I didn't work the same shift as him besides the three days that I worked with him. When he called me it was randomly out of the blue. He probably got my number from contacts that we have in case something happens. Like if we ask people to cover our shifts and stuff like that. But like I said, I don't know when the time was. I am more than willing to help you out with when it was, but I don't know.

Maybe a couple of weeks before that.

No.

*(Who else do you work with here as security guards?)*

[REDACTED] [REDACTED] There have been people coming and going.

*(Did you ask him why he wanted a gun?)*

Yeah. I asked him why. He said he was moving into a bad neighborhood. I was like, well I can try to help you out, but I don't know.

I said I could try to help him out but I didn't know where to get one from.

He said okay. When I saw him, I said I didn't know where to get one from. He said okay.

No.

*(How many times did he text message you about the gun?)*

Maybe twice. I don't know.

It's the same number I have had.

*(You didn't transfer all your contacts over to the new phone. Why not? When most people get a new phone they transfer their contacts.)*

My contacts were off my Google account. Whatever my contacts gave me off my Google account that was it. I don't even have my boss' number and I have been working here for about a year. I have had two or three phones since then. The only thing it really did was take my old numbers that I have from three or four years ago and put them on there. Like I said, I didn't know the dude. I don't know what he was about. I didn't even know none of the problems that he had.

*(Don't you think it's odd that if he didn't know you at all he would ask you?)*

Yeah if somebody asked me I would give them the run around, whatever. Like I don't know where to get one from. I didn't make no calls. I didn't do none of that. No.

*(Would you be willing to take a polygraph so I know what you are telling me is the truth?)*

Sure.

*(What hours do you normally work?)*

Six to two everyday. Monday through Friday.

*(There is DNA on the gun. Not just his. And it is absolutely not going to match you? Is that correct?)*

No and if it does then I don't know.

*(Why would you even say that, "If it does, then I don't know.")*

I don't know. It's probably not mine so you can polygraph me, whatever you want. You can do whatever.

*(Do you mind if I get a swab from you for a DNA sample?)*

Yeah you can do whatever you want. But if I am falsely confused then I will be calling a lawyer at the end and it will be a big problem about it.

*(It is up to you. I am asking you right now if you mind if I take a DNA sample from you?)*

Sure but this is jeopardizing my job and all this type of stuff for someone to ask me a question that I don't know where to help him from. Now me getting involved for somebody that did something stupid that I don't even know who the hell this man is. It's kind of weird. So why am I getting put into it.

*(Here is the problem [REDACTED] You didn't come out here and say I know why you are here. He asked me about a gun. I didn't get him one. I don't have anything to do with this.)*

I could have told you over the phone about this.

*(And yet you didn't. So why were you trying to hide it. Why were you not talking about it right away?)*

So if somebody calls me up about Juan [REDACTED] and I know what he did obviously it's something about that.

*(The first words out of your mouth should have been, "Hey I know why you are here. He asked me about a gun but I didn't get him one." That is not how we started this conversation. You tried to keep that fact hidden for a while.)*

No you asked me have I talked to him outside of work or inside of work and stuff like that. I said yes I have.

*(It didn't occur to you right away to bring up the fact that he asked you for a gun? Knowing that he just went and killed several people.)*

I don't know what he killed. I didn't know that.

*(You said you say the news story?)*

But I didn't know that at the time that he killed people. After that people said it was Juan that did it. I was like, "Whoa." Shocker to me.

*(Did you ever hang out with him outside of work?)*

No. Of course not. I don't even know the dude like that. I didn't even know him. He came into work. I trained him for one or two days and that was it.

*(Prior to him working here, you never talked to him?)*

I didn't know him. The man is twenty-two years old. I am thirty-six years old. There is no way that I am going to be hanging out with a twenty-two year old. Simple. I don't know the man. afterwards I will be calling a lawyer and then there will be a problem with me and whoever the hell I can sue.

You can take a voluntary sample all you want. I don't care. Like I said there is no gun that I had in my possession that I gave him. There is nothing on the swab that is going to say anything that I have.

There is a problem because you came at me like I am a fucking what do you call it. Like I am a prime suspect about this thing. I do my job and I go home.

*(It is our job to follow up about every lead about where this gun came from.)*

It's a job for you, to how you came at me like I am

Like I told you there is no reason for you all to be coming to talk to me because it is not my fault that he went out there and did what the hell he did. That's that man's fault. That was in that man's head, what the hell he did.

For me to even get pulled off of work for what I have been doing, for somebody texting me about something stupid, there is no reason for that.

*(Did he ever elaborate on why he needed the gun?)*

No, none of that. I don't know what the man was up to. I don't know what the man was doing. I don't know the man at all. Period.

*(Is there anything else at all that you can think of that I should know about?)*

I don't know. Like I said you have the cell phone records so you can look on the cell phone records and see what I said to him or what happened and stuff like that. That is not going to make a difference of what happened.

*(Do you want to walk out to my car with me so I can get the DNA swab so we don't do it here in front of people that you know?)*

I have to get back to work so if you want to get a court order for me to take a DNA swab for me to take a DNA test than get a court order.

I told [REDACTED] that was not a problem and that I would go ask a judge for a warrant to take a DNA swab from him. I concluded the interview with [REDACTED] at approximately 1011 hours.

**SUBJECT INTERVIEWED:**

[REDACTED]

**WITNESS STATEMENT:**

On November 13, 2016 at about 2150 hours, I received a group text message from Acting Sergeant Jana BEARD #4807. A/Sgt. BEARD directed me to respond to the area of 3800 Marlborough Avenue to assist in an officer involved shooting incident.

I arrived on scene at approximately 2240 hours. At 2349 hours, I attended a briefing conducted by Patrol Sergeant Sylvia YEPIZ #4986. During the briefing I essentially learned that Juan Carlos FERNANDEZ confronted his ex-wife [REDACTED] her new boyfriend ([REDACTED]) her parents ([REDACTED] and [REDACTED]) and her grandfather ([REDACTED]) in the street and courtyard area in front of her parent's home while armed with a gun.

FERNANDEZ ultimately shot each member of the [REDACTED] family, mortally wounding [REDACTED] and [REDACTED].

SDPD Communications received several 911 calls in the area and Officers BAINBRIDGE #6035 and ROSARIO #7544 responded and were the first on scene. Officers BAINBRIDGE and ROSARIO encountered FERNANDEZ in the middle of 3800 Marlborough Avenue. FERNANDEZ had [REDACTED] in a headlock and had a gun pointed to her head.

Officer BAINBRIDGE ordered [REDACTED] to drop the weapon. [REDACTED] ignored the commands and threatened to kill the officers and [REDACTED] Officer BAINBRIDGE fired one round from his Remington 870 shotgun at [REDACTED] killing him.

The briefing concluded at 0030 hours. At the conclusion of the briefing I was assigned to conduct the scene investigation.

During the investigation, on November 16, 2016, Honorable Judge Charles ROGERS issued a search warrant #52301 for the Facebook records of Juan Carlos FERNANDEZ. I received the records on December 12, 2106. Detective BUROW reviewed the Facebook records and located a conversation in the private messages between FERNANDEZ and an account with the name [REDACTED] [REDACTED] [REDACTED] account [REDACTED]. The private message conversation took place between October 5, 2016 and October 7, 2016. In the conversation, FERNANDEZ told [REDACTED] "I am having a problem, it has gone too far." A few lines later in the conversation, [REDACTED] said, "Don't tell me you want to blast someone." Several lines later FERNANDEZ told [REDACTED] "I need you to connect me with someone I can get a certain item." [REDACTED] responded, "I have a guy but he wants 600 for the 45 toy." The conversation continued between [REDACTED] and FERNANDEZ. [REDACTED] told FERNANDEZ to let him know when he had the cash. Based on the conversation it appears FERNANDEZ contacted [REDACTED] through Facebook private messages to have [REDACTED] help him locate a gun.

I conducted a computer records search of the name [REDACTED] [REDACTED] [REDACTED] I located a driver's license for [REDACTED] [REDACTED] with a date of birth of [REDACTED]. The photograph on the driver's license for [REDACTED] appeared to be the same person in the photographs posted on the Facebook page of [REDACTED] [REDACTED] [REDACTED]. On December 28, 2016, Detective BUROW and I went to the address on [REDACTED] driver's license, [REDACTED]. A male at the home, who identified himself only as [REDACTED] brother, called [REDACTED] on the phone and allowed us to speak with him. [REDACTED] told us he was at work and provided us with the address [REDACTED]. At approximately 0920 hours, Detective BUROW and I went to [REDACTED] work and met with him. We asked him if we could speak with him in our vehicle. [REDACTED] consented. The interview with [REDACTED] was digitally recorded in its entirety. For complete details of his statement, refer to the CD containing the complete audio recording. Essentially, [REDACTED] told us the following:

**STATEMENT OF [REDACTED] [REDACTED]**

Juan was my best friend's brother. His brother is [REDACTED]

My phone number is [REDACTED]. That has been my phone number for a year.

I never saw Juan in person. I have been knowing him because he was my friend's brother but that was years back. I don't remember when the last time I talked to him was. I never kept in touch with him.

*(When was the last time you talked with him.)*

I don't remember. A couple of months probably.

*(How was it that you talked to him?)*

Well if that is what you guys want to know. The thing was that one time he asked me on Facebook, he said, "Hey what's going on?" I said, "Oh what's up." Then he asked me, "Oh I got this shit going on," and blah, blah blah. "I am scared cause of my mom."

*(What was the blah, blah blah?)*

He just said that he was scared about his mom. That was it. That was all he said. He was scared for her. I don't know. That was the thing he asked me.

*(He asked you what?)*

That he was scared and he had some shit going on. That he was scared for his mom. In my head I was like oh his father in law or his dad is probably abusing his mom or something.

*(Did his brother ever tell you that? If his mom was being abused?)*

No.

*(Did you ask his brother why he was scared for his mom?)*

No I didn't.

*(If you guys weren't friends, why did he contact you on Facebook to tell you he was scared for his mom?)*

I don't know. Probably because of his brother.

*(Why would he call you if he is not friends with you?)*

That is the thing, I don't know. Like I said, I never kicked it with him or did anything with him. He is a younger kid than me. I never did anything with him.

*(I told [REDACTED] I knew why FERNANDEZ had contacted him on Facebook and asked him to tell me the truth.)*

Well yeah. That is what I am telling you. He asked me that he wanted a gun. I asked him why. I told him, "Yeah I can probably try to get you one." But I didn't because I don't even know nobody. It was just so he wouldn't bother me anymore. Then he kept bothering me. I never thought he was going to do shit like that. Like I said, I never got him anything.

I had seen him when he was a little kid, probably when he was in elementary school because I used to live across the street from [REDACTED]

*(If he is not friends with you and doesn't see you on a regular basis, why would he come to you to ask for a gun?)*

I don't know. I even told his brother. I don't know why he asked me.

*(When did you tell his brother?)*

I told his brother that day. My baby was born on that day. When it happened, I told his brother that day, after it happened. One of our friends called us and then he asked me. First I talked to my friend, [REDACTED]. Then I talked to his brother, [REDACTED]. [REDACTED] He asked me if his brother talked to me. I told him yeah, he asked me for a gun.

*(Why would [REDACTED] ask you if his brother asked you for a gun?)*

He asked me.

*(Yes, why did his brother ask you if he has asked you for a gun? Why does everyone think you are the person to ask for a gun?)*

So you guys are blaming me?

*(We are not blaming you. We are trying to find the truth.)*

I didn't. He asked me like I said. I am telling you how it happened. Even on Facebook messenger you can see the texts he sent me and what I sent him. From that when he was just bugging, I didn't care anymore.

*(You didn't tell him you don't know how to get a gun.)*

I know I didn't tell him I don't know how to get a gun. It was just stupid of me to say that.

*(You told him you were looking for guns for him.)*

No I didn't. I just told him, "Okay, hold on. I will let you know later." I told you, you can go on Facebook and see everything.

Like I said, it was stupid for me to say I was going to get him something. After that, I was like, "Whatever, this dude is just bugging me." I didn't get him anything.

*(Why would he ask you for a gun?)*

I don't know why he asked me. He could have asked everybody. He just asked me.

*(Why would his brother come to you to ask if Juan had talked to you about a gun? Why does everyone seem to think you are the person to talk to about a gun?)*

I don't know. I knew this shit was going to get me in trouble.

*(Why didn't you call us right away and tell us your name was going to come up?)*

I don't know. I didn't know that kid was going to do something.

*(Why didn't you contact us after it happened and say he contacted you for a gun?)*

I just didn't because I didn't know he was going to do anything. It was just stupid of me. I don't know. I was just like, "Whatever. It's not my problem." It was just stupid of me to say I would try to get him something. I didn't get him anything. I didn't.

*(We are trying to understand why he and his brother would think you are the person to talk to about getting a gun? Have you given people guns in the past?)*

No I haven't. Like I said it was just stupid of me. I am not that type of person. I am not that type of person that would do shit like that or try to get shit like that. Probably I was trying to act that I am somebody that I am not.

*(I told [REDACTED] I was going to request from a judge a search warrant for his phone records and look through them to see who he was contacting.)*

Go ahead. I am not that type of person. You are not going to find anything because I am not like that.

*(So I won't find that any of the people you called around that time own guns or have been arrested for guns.)*

You are not. Like I said, I am not that type of person that would do shit like that. It was just stupid of me.

*(There is DNA on the gun other than Juan's. So that DNA is not going to be yours?)*

Yeah, it's not.

*(What is his family saying where he got the gun?)*

I don't know.

*(So his brother hasn't talked to you about where he thinks he got the gun?)*

I don't talk to his brother. For some things that happened between us with my ex-girlfriend. He was messing around with my ex-girlfriend. We haven't talked since he came out of prison, two or three years ago.

(So you haven't talked to his brother in two or three years?)

I have seen him but I don't talk to him like we used to.

*(So his brother shoots a bunch of people and then he calls you to ask if his brother talked to you? Does that make any sense? You haven't talked to him in two to three years yet he calls you to see if his brother talked to you?)*

I have seen him a couple of times. I don't know why he called me. There is no story because I didn't get him anything. I don't know why his brother called me. I am not his only friend. I am not the only friend he would probably call and say something like that. Like I told you I am not his only friend. He could have called all his friends and asked them something.

*(Why should we believe you?)*

I already know how you guys work.

I didn't do anything. I know I didn't do anything.

*(You asked him, "I hope you don't want to blast anybody.")*

I didn't tell him that. I don't think I told him that.

*(You did. We read it.)*

I don't think I did. I am not lying. I have already told you what happened and that's it.

*(So your DNA is not going to be on the gun?)*

It's not on it.

*(I asked [REDACTED] for consent to take a DNA sample from him. I presented him with a written consent form which he signed.)*

So I have the right to refuse if I don't want to do it.

*(Yes, you do. If you do I will go ask a judge for a warrant. It's up to you. You don't have to give us this sample. [REDACTED] signed the consent form and I obtained a mouth swab from him.)*

I have nothing to hide because I didn't do anything.

That's what I just told you.

*(That is not what you just told us.)*

I never said I was looking for a gun. I didn't get him anything.

*(You tried to and you didn't. You are saying you didn't get him a gun but we will find out.)*

I didn't. I really have told you everything. I didn't get him anything. I didn't give him anything.

I live with my girlfriend, our baby and her son. My girlfriend is [REDACTED]  
She is thirty. I don't know why you would need my kid's name. I am not going to give you all that info. Can I get back to work?

I already told you. I really have told you guys. Can I get a card number so that if I get a lawyer, because I just feel like you guys are, I don't know.

*(I gave [REDACTED] my business card. I told him he was free to leave whenever.)*

[REDACTED] got out of the vehicle and went back to work. We concluded the interview at approximately 0945 hours.

During the investigation, on November 16, 2016, Honorable Judge Charles ROGERS issued a search warrant #52301 for the Facebook records of Juan Carlos FERNANDEZ. I received the records on December 12, 2106. Detective BUROW reviewed the Facebook records and located a conversation in the private messages between FERNANDEZ and an account with the name [REDACTED] account [REDACTED]. The private message conversation took place between October 5, 2016 and October 7, 2016. In the conversation, FERNANDEZ told [REDACTED] "I am having a problem, it has gone too far." A few lines later in the conversation, [REDACTED] said, "Don't tell me you want to blast someone." Several lines later FERNANDEZ told [REDACTED] "I need you to connect me with someone I can get a certain item." [REDACTED] responded, "I have a guy but he wants 600 for the 45 toy." The conversation continued between [REDACTED] and FERNANDEZ. [REDACTED] told FERNANDEZ to let him know when he had the cash. Based on the conversation it appears FERNANDEZ contacted [REDACTED] through Facebook private messages to have [REDACTED] help him locate a gun.

I conducted a computer records search of the name [REDACTED] [REDACTED] [REDACTED]. I located a driver's license for [REDACTED] [REDACTED] with a date of birth of [REDACTED]. The photograph on the driver's license for [REDACTED] appeared to be the same person in the photographs posted on the Facebook page of [REDACTED] [REDACTED] [REDACTED]. On December 28, 2016, Detective BUROW and I met with [REDACTED] and interviewed him.

On January 5, 2017, Honorable Judge Charles ROGERS issued a search warrant (#53517) for the Facebook records of [REDACTED] [REDACTED]. On January 26, 2017, I received the requested records from Facebook. Over the next several days, I reviewed the Facebook records. I did not locate the conversation between [REDACTED] and Juan Carlos FERNANDEZ in [REDACTED] Facebook records. I sent a preservation request to Facebook on November 14, 2017 for FERNANDEZ' Facebook account. I did not send a preservation letter for [REDACTED] Facebook account at that time because I was unaware of the Facebook conversation between FERNANDEZ and [REDACTED]. Therefore, it is likely [REDACTED] deleted the conversation prior to my requesting the records from Facebook.
